Anti Death League:

The Anti-death League Kingsley Amis,1966 *The Anti-Death League* Kingsley Amis,2012-06-07 In this surreal comedy of soldiers and spies Lieutenant James Churchill and his colleagues find themselves questioning their purpose Are they for death or against it These men of action will travel between the barracks the lunatic asylum and the house of an aristocratic nymphomaniac in search of answers For while few know the awful truth about Operation Apollo the mission they are being trained for fewer still understand the motives of the powerful psychiatrist Dr Best who thinks he is surrounded by repressed homosexuals and none know the identity of the secret agent among them When the Anti Death League is founded they are at last offered the chance to rebel and perhaps escape **The Anti-Death League** Kingsley Amis,1966 The Anti-Death League. R. Thompson,2009-06-25 This volume provides an abundance of information on the history of capital punishment and ongoing opposition to it Author Bruce E R Thompson includes narratives on well known figures on both sides of the issue Various methods of execution are explained and their use placed in historical context Legal terminology important to the debate is defined and explained Old Lines, New Forces Robert K. Morris,1976 Draws together a dozen essays by the foremost contemporary critics of the British novel to examine its growth in the sixties The collection of critical pieces is devoted to major minor and rising novelists who are cultivating the seedbed of contemporary fictional talent in England today
Kingsley Amis Andrew James,2013 Throughout the first twenty years of his career Amis used bad artists as whimsical

characters or antimodels that helped identify his artistic preferences and fictional techniques He became convinced that the relationship between an artist and his audience was reciprocal and that both the outer audience and the artist's inner circle must be held accountable for the production of poor literature During the last twenty years of his career Amis no longer concerned himself with satirizing bad artists but instead explored ways of ameliorating them James shows that the development of antimodels as fully drawn characters and Amis's insistence upon reciprocity in the writer-reader relationship demonstrate that he was more than just a comedic writer and was aware of himself as an artist with social responsibilities
