Anti-racist Social Work Lena Dominelli, 1988 **Anti-Racist Social Work** Lena Dominelli, 2017-09-21 Fully revised and updated throughout this fourth edition of Lena Dominelli's influential book retains its reputation as the go to text on anti racist social work practice As racism continues to present a problem in contemporary society the growth of the Far Right the rise of Islamophobia and the victory of the Brexit camp in the EU referendum the need to address racist attitudes and behaviour that affect diverse groups of people in the UK remains an urgent one A truly classic text *Anti Racist Social Work* has been providing students and practitioners with a comprehensive guide to the debates and practices on racism in contemporary society since 1988 New to this Edition Includes a brand new chapter on Social Work Across Borders Incorporates discussion of recent events and developments to encourage critical thinking and analyses their effect on practice Offers examples from across the globe at both micro and macro level Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2012 Global knowledge is increasingly essential for all aspects of social work Today's professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today **Anti-Racist Social Work** Gurnam Singh, Shepard Masocha, 2019-12-04 Welfare health education conflict security and migration are examples of phenomena that are prevalent across all societies With chapters from leading scholars from around the world this exciting new book draws upon the impacts of globalisation colonialism and capitalism to explore the common challenges facing nations across the globe and provide an insight in to the history theory and practice of a new anti racist social work **Language Discordant Social Work in a Multilingual World** Hilde Fiva Buzungu, 2023-04-21 Based on ethnographic observations of encounters between social workers and people with whom they do not have a shared language this book analyzes the impact of language discordance on the quality of professional service provision Exploring how street level bureaucrats navigate the landscape of

these discretionary assessments of language discordance language proficiency and the need for interpreting the book focuses on four main themes the complexity of social work talk the issue of participation in language discordant meetings communicative interaction the issue of how clarification is requested when needed and whether professionals and service users are able to reach clarity when something is unclear Based on the findings presented on these different aspects of language discordant talk the consequences of language discordance for social work are presented and discussed focusing primarily on issues at the intersection of language communication power dominance and subordination representation linguisticism and ultimately human rights and human dignity It will be of interest to all social work students academics and professionals as well as those working in public services and allied health more broadly

Social Work Education and the Grand Challenges R. Paul Maiden, Eugenia L. Weiss, 2023-04-04 The Grand Challenges for Social Work GCSW provides an agenda for society and for the social work profession The 13 GCSW have been codified by the American Academy of Social Work and Social Welfare and are emerging as a significant underpinning in the education of undergraduate and graduate social work students throughout the USA This volume serves as a guide as to how this can best be achieved in alignment with the 2022 Educational Policy and Accreditation Standards EPAS from the Council of Social Work Education Divided into four parts Individual and Family Well Being Stronger Social Fabric A Just Society The Grand Challenges in the Field Each chapter introduces a Grand Challenge situates it within the curricula and provides teaching practices in one of the targeted domains as well as learning objectives class exercises and discussions By showing how to facilitate class discussion manage difficult conversations and address diversity equity and inclusion as part of teaching the topic this book will be of interest to all faculty teaching at both undergraduate and graduate levels It should be noted that there are additional supplementary chapters beyond the 13 GCSW that provide further context for the reader

Social Work Vivienne E. Cree, Trish McCulloch, 2023-04-04 Building on the successful 1st edition this reader brings together some of the most significant ideas that have informed social work practice over the last fifty years At the same time as presenting these foundational extracts the book includes commentaries that allow the reader to understand the selected extracts on their own terms as well as to be aware of their relations to each other and to the wider social work context There is no settled view or easy consensus about what social work is and should be and the ideas reflected in this volume are themselves diverse and complex The world of social work has changed greatly over the last ten years and this new edition reflects that change with new material on the decolonisation of social work knowledges the greater emphasis on inter disciplinaryity and co production and the new concern for identities With an accessible introduction to contextualise the selections the book is divided into three main sections each presenting key texts drawn from a wide range of perspectives psychological sociological philosophical educational and political as well as perspectives that are grounded in the experiences of practitioners and those who use services which have contributed to the development of the profession of social work knowledge and values for social work and practice in social

work By providing students and practitioners with an easy way into reading first hand some of the most interesting foundational texts of the subject it will be required reading for all undergraduate and postgraduate programmes and professionals undertaking post qualifying training **Social Work With Older People: Approaches To Person-Centred Practice** Hall, Barbara, Scragg, Terry, 2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research

Migration and Social Work Emilio José Gómez-Ciriano, Elena Cabiati, Sofia Dedotsi, 2024-06-18 With cross cultural perspectives from contributors in nine countries this book showcases much needed research on current issues around migration and social work in Europe Focusing on the reception experiences and integration of refugees and asylum seekers the chapters also consider the impact of recent EU policies on borders and integration With racism on the rise in some European societies the book foregrounds international social work values as a common framework to face discriminatory practice at macro and micro levels Featuring recommendations for inclusive practice that opens doors this book features the voices of migrants and the practitioners aiding their inclusion in new societies *Walking This Path Together, 3rd Edition* Gwendolyn Gosek, 2025-04-29T00:00:00Z Canadian child welfare policies and practices have been central to maintaining a settler colonial nation by controlling and managing the childhoods and future lives of children While ostensibly grounded in the best interests of the child child welfare policies and practices far too often make the lives of young people more precarious because they are stratified along race and class lines rather than caring for their wellbeing There have been dire consequences for Indigenous communities but also for Black newcomer non citizen and poor people who are also disproportionately the primary focus of child welfare The contributors to this book reveal these unjust conditions so that workers can contribute to the ongoing transformation of child welfare to facilitate child wellbeing The third edition of *Walking This Path Together* continues the transformative vision of the first two editions and charts a new way forward There are several new chapters and authors who focus on M tis kinship protocols family group conferencing decolonizing child welfare and the criminalization of newcomers refugee children and Indigenous youth in care They demonstrate how to bring forward transformative practices to moving child welfare into a truly new decolonial era This transformative vision is the path that we are walking **Community Health Practitioners and Child Sexual Abuse in the Family, 1970s-2010s**

Ruth Beecher, 2025-05-12 This open access book is an innovative history of community health practitioners responses to the seemingly intractable problem of men and on rare occasions women sexually abusing children within the private family home It is situated within a social history of the development of British community based health professions in the last decades of the twentieth century Drawing on archival research and newly gathered in depth oral history interviews the monograph argues that expectations placed upon community based doctors nurses and mental health staff since the 1980s in relation to predicting and preventing the sexual abuse of children by men they know are incongruous Beneath a surface acquiescence to

the need to protect children from such abuse or to intervene early lie cultural social and structural barriers that prevent its fulfilment The book is a first in specifically interrogating the recent history of the role of community health practitioners within the modern child protection workforce and contributes to growing scholarship on the history of emotions in the medical professions

Handbook of Critical Whiteness Jioji Ravulo, Katarzyna Olcoń, Tinashe Dune, Alex Workman, Pranee Liamputtong, 2024-11-21 This timely handbook responds to the international drive to know more about Whiteness its origins its impacts and importantly the means for diffusing it Guided by critical Whiteness theory the volume deconstructs decodes and disrupts Whiteness as it is constructed and employed in contemporary and diverse contexts To do so the international contributors discuss and critique the role of 21st century Whiteness across a range of professions and disciplines relevant to the needs of contemporary global citizens Failure to deconstruct Whiteness as an ideology and the power structure underlying national and global racial inequalities undermines the efforts to improve social health and economic outcomes for societies and nations on a grand scale The handbook is comprehensive in its nature and contents with 10 themed parts ranging from a more disciplinary based approach theoretical frameworks and methodological frameworks to different aspects of decolonized approaches to social health political and economic well being It navigates how various disciplines respond to the pervasive and persuasive nature of Whiteness in their operational settings across individual professional organisational and systemic levels The volume is unique in its dual focus on deconstructing Whiteness and providing examples and recommendations on how diverse groups seek to decolonize their communities and people through action Examples and recommendations are discussed with particular focus on 1 the interconnection between integrating indigenous and diverse knowledges and perspectives in deconstructing Whiteness 2 the urgency for critical Whiteness discourse dialogue and professional development across disciplines and 3 institutional accountability to decolonisation and anti racism Considering the ongoing marginalization and institutional racism directed at non White individuals and communities and the rise of White supremacy movements critical Whiteness pedagogy and research is more important than ever

Handbook of Critical Whiteness Deconstructing Dominant Discourses Across Disciplines is an essential resource for students educators academics researchers higher education administrators practitioners policy makers organisational leaders government stakeholders and other professionals in social sciences medicine STEM allied global public health legal and political disciplines and health and social care institutions It especially engages those interested in decolonisation critical race theory critical Whiteness theory critical multiculturalism social justice anti racism and Indigenous knowledges

Introducing Child Care Social Work: Contemporary Policy and Practice Jill Davey, Jenny Bigmore, 2009-08-21 This book provides a practitioner's perspective on the challenges and developments of working in Child Care Social Work in the current context of organisational and social change Drawing on the experience of social work practitioners who have undertaken the Post Qualifying Child Care Specialist Award the book shows how these challenges are being met in everyday practice providing a forum to share their

knowledge and experience with others and contribute to best practice It will be of interest to social work practitioners and students and all those interested in the reality of current child care practice "I Thought Pocahontas was a Movie" Carol Schick, James McNinch, 2009 A significant contribution to the understanding of systemic racism in Canadian institutions this collection of essays arising out of the unique Prairie context interrogates how professionals practicing in law education health and other helping professions engage with issues of race and culture This book examines the challenges and resistance found within professional groups working with Aboriginal and racial minority peoples For teachers social workers healthcare providers and professors the greatest barriers to working across difference may be themselves and their assumptions about what the nature of the problem of difference is considered to be The authors in this volume advocate question and critique the uses of what are often considered to be binaries of race and or culture They offer examples from professional fields that illustrate the complexity of teaching that finds problems in a culturalist approach as well as a critical orientation that is still found wanting Will addressing inequality as a race gender class or sexual orientation issue provide greater forward movement than focusing on cultural issues The answers in this collection are never either or and must look beyond theoretical orthodoxy for inspiration if not new questions *Social Policy for Social Welfare Professionals* Simpson, Graeme, Connor, Stuart, 2011-04-27 Social welfare workers in all fields are frequently motivated by a desire to work with people bring about change or to make a difference These ideals are often constrained even thwarted by systems and funding that are driven by social policy This book explores some of the difficulties and dilemmas faced by contemporary social workers as they deliver welfare in a changing policy context The book takes a skills based approach to understanding the role and importance of social policy in social welfare practice Written by experienced educators and authors it shows readers how to understand analyze and engage with policy It is especially relevant for social workers whose roles are currently being shaped and re shaped by policies Radical Social Work Today Michael Lavalette, 2011 To celebrate the 35th anniversary of the seminal text *Radical Social Work* 1975 this volume has been compiled to explore the radical tradition within social work and assess its legacy relevance and prospects It is essential reading for undergraduate and postgraduates studying social work as well as social work academics and researchers *Whitening Race* Aileen Moreton-Robinson, 2004 *Whitening Race* comes to fruition at a time in world history and global politics when questions about race require critical investigation and engagement Since the 1990s international scholars have developed a powerful cultural critique by making whiteness an analytical object of research Whiteness has become the invisible norm against which other races are judged in the construction of identity representation subjectivity nationalism and the law With its focus on Australia the book engages with relations between migration Indigenous dispossession and whiteness It creates a new intellectual space that investigates the nature of racialised conditions and their role in reproducing colonising relations in Australia Aileen Moreton Robinson has brought together scholars from a range of disciplines philosophy cultural and gender studies education social work sociology

and literary studies All engage critically with the location of the social and discursive construction of whiteness

Innovative Education and Training for Care Professionals Rachel Pierce,2000 This positive book brings together current good practice in education and training for care professionals around a central theme of involving service users and improving the quality of their care The contributors set out a strategy for the teaching of theory and practice to care professionals in the context of changing policy and practice in agencies and in higher education Helpful guidance is offered to education and training providers in universities and agencies on the preparation of care professionals for the new millenium and beyond Topics addressed within the book include international comparisons research teaching the bridging of vocational professional and academic frameworks user involvement assessing professional competence teaching anti discriminatory practice While drawing primarily from social work this book takes an interprofessional approach and will be essential reading for all health and care education providers Rachel Pierce and Jenny Weinstein have brought together academics researchers and practitioners to reflect with them both positively and critically on a broad range of contemporary educational developments thus providing a sound analysis to shape future arrangements for quality professional education and training

Equalising Opportunities, Minimising Oppression Dylan Tomlinson,Winston Trew,2005-06-29 Anti Racist Practice ARP Anti Discriminatory Practice ADP and Anti Oppressive Practice AOP form a trinity of concepts nested into one another which have evolved in welfare services over the last fifteen years They tend to have developed as forms of practice panaceas and as a result have been subject to both unrealistic expectations and at times to political ridicule This book clarifies the distinctions between three key concepts ARP ADP and AOP Critically and constructively analysing these three approaches to practice it reappraises their potential in the light of emerging equality issues in the health service With contributions from leading teachers and practitioners in the field Equalising Opportunities provides students and practitioners in health and social care with a clear overview of an area where there is much confusion and imperfect understanding
