policymakers business professionals marketers restaurateurs hotel managers tour developers travel agencies government officials strategists educators researchers and graduate students **Comparative Governance Reform in Asia** Clay Wescott, Bidhya Bowornwathana, 2008-08-04 Features chapters that analyze and compare the experiences of Asian countries in carrying out governance reforms This book tackles such questions as how common reform packages designed for developed countries are implemented in developing countries What happens in the reform diffusion process And what are the obstacles to reform success *The Oxford Handbook of Governance and Public Management for Social Policy* Karen J. Baehler, 2023 Public administration plays an integral role at every stage of social policy creation and execution Program operators management decisions shape policymakers perceptions of what can and should be accomplished through social programs while public administrators wield considerable power to mobilize tangible and intangible resources and fill gaps in policy designs Furthermore the cumulative effects of public administrators daily activities directly influence outcomes for program participants and may shift policy itself Location also matters to social policy as those same administrators are expected to innovate continuously in response to shifting local and national conditions including changes in budgetary allocations client needs and capacities and public attitudes This Handbook will aim to capture what is being learned across six geographical regions Africa Asia Australasia Europe Latin America and the U S and Canada Specifically each regional section will contain 6-10 chapters canvassing a particular set of promising practices or emerging challenges at the regional or sub regional level in addition to a brief overview written by the section editor The regional sections will be flanked by integrative chapters As a whole the volume contains 65 chapters Preventing Corruption in Asia Ting Gong, Stephen K. Ma, 2011-05-30 Despite intensified governmental and public efforts at corruption control in recent years official transgression continues to surface in various ways of abusing the unique power and trust that a government holds Preventing Corruption in Asia addresses a number of crucial questions What institutional arrangements are necessary to ensure a clean and honest government What self regulatory capabilities must government institutions develop in order to maintain integrity How should a sense of ethical responsibility be instilled in the civil services Do special anti corruption agencies help keep government clean How will a regulatory framework of official conduct work properly How useful are anti corruption campaigns in containing corruption Focusing on a number of carefully selected countries in the Asia and Pacific region the book sets as its focal point the choice of institutional design in preventing corruption rather than treating corruption as a practical or technical problem to be corrected by strong political will and good anti corruption policy measures While focusing on institutional designs and policy choices the book also examines other aspects of clean government such as the social environment legal and regulatory framework role of the public and the impact of culture **Handbook of Asian Criminology** Jianhong Liu, Bill Heberton, Susyan Jou, 2012-12-09 The Handbook of Asian Criminology aims to be a key reference for international scholars with an interest in the broad theme of international criminology in general and the Asian

region in particular Contextualization is a key theme in this book The role of context is often underemphasized in international criminology so the Handbook of Asian Criminology's premise that crime and the responses to it are best understood as deeply embedded in the cultural specificity of the environment which produces them will play a key role throughout the work Attention will be given to country and region specific attitudes towards crime and punishment

Policy and Governance Evan Berman, M. Shamsul Haque, 2015-09-03 Asian Leadership in Policy and Governance examines contemporary challenges facing public leaders in Asia providing insight into leadership processes and contexts past practices affecting effective governance and policy leadership *Why did Anticorruption Policy Fail?* Roby Arya Brata, 2014-09-01

This book examines the cases of implementation failure of the Indonesian Anticorruption Law 1971 of the authoritarian New

Order regime and of the Anticorruption Law 1999 of the democratic Reform Order regime It investigates to what extent and for what reasons the implementation of these Laws failed to attain the policy objectives of eradicating corruption in the public sector under the two different political systems The book concludes that combating corruption in a developing country undergoing political transition from an authoritarian to a democratic political system is problematic and difficult When corruption has systematically infected and distorted the institutional structures and processes of the government in particular the law enforcement mechanisms implementing anticorruption laws is expected to be suboptimal and subsequently fail To overcome this problem the factors contributing to the policy implementation failure must be eliminated **Public**

Administration in East Asia Evan M. Berman, 2010-05-11 Written by leading experts Public Administration in East Asia Mainland China Japan South Korea Taiwan examines the inner workings of governments in East Asia in particular its public administration and related public policy processes It focuses on the apparatus of government the agencies their values context and policies within which they operate Organized in parallel sections the book covers the history public policy processes organization HRM ethics corruption intergovernmental relations performance management and e government It discusses each of these topics separately for Mainland China Japan South Korea and Taiwan providing an unusual and important comparative perspective The book includes essential knowledge and facts discussions of emerging issues and useful resources for further reading It addresses questions such as What is the history of public administration in East Asia How are decisions made What is the role of Confucianism in shaping public administration How does the developmental path affect public administration Why is performance management emphasized What is the state of citizen participation How are ethical underpinnings of the civil service different from the West Why are intergovernmental relations an essential issue in East Asia What are the politics behind world class achievements in IT What is the nature of civil service reform What is the nature of efforts to combat government corruption You can find many books on trade policy and politics that sometimes give good insight into the operation of government agencies You can also find a few edited books that contain single chapters on countries in the Asia Pacific region What is missing however is a single resource that provides an overview with depth on matters solely about public administration This state of the art resource brings together the fragments of existing knowledge on East Asian economies filling the need for a comprehensive compendium that showcases the public administration practices in the region and East Asia s innovative approaches to governance and its many challenges
