Pankonin, 2009-04-13 This cookbook is a tribute to and a sharing of my family s Italian heritage My grandparents came to America in the 1800s from a small village above Naples They brought their customs traditions and experiences to America My mother Celia was the youngest of nine children in the family These recipes came with them over a century ago We grew much of our own food baked bread and raised our own chickens We were poor by many standards but we never knew it We had it all With today s hectic lifestyle and pressures this cookbook will help your family occasionally escape the rat race and go back to a simpler time As a family you can enjoy cooking one of our original recipes together The recipes in this cookbook are clear and precise with step by step preparations They include insights of the joy my family experienced This cookbook is truly a unique Italian family experience **Fish Packed in Oil** United States Tariff Commission, United States.
