Owen Williams**

Antislavery Labor And Reform:

Antislavery Reconsidered Lewis Perry, Michael Fellman, 1981-08-01 Historical observations of abolition have ranged from perspectives of contempt to acclamation and now show signs of a major change in interpretation. The literature often has been dominated by hostile appraisals of William Lloyd Garrison and other abolitionist leaders until the 1960s when historians equated abolitionism. It may have fluctuated from one period to the next, but most of this scholarship shared certain assumptions that abolitionists provided pivotal factors toward the onset of the Civil War, that their internal disputes were intensely interesting, and that somehow they were emblematic of other generations of radicals in the American experience. Today the scope of antislavery scholarship was widened to examine abolition in light of the social, economic, and political climate of nineteenth-century society and culture. This volume of fourteen new and original essays comprises the first survey of current directions in abolitionist writings and represents an advanced perspective in contemporary American historical research. The contributors include such well-known scholars on abolitionism as Bertram Wyatt Brown, Leonard Richards, James Brewer Stewart, and William Wiecek. The authors examine various dimensions of abolitionism from its religious context to its international effect, from its attitude toward the northern poor to its impact on feminism, and from wars of words waged with southern intellectuals to the bloodier conflicts begun in Kansas. These essays, rather than expounding a single revisionist attitude, include every major approach to antislavery: women's history, quantitative history, comparative history, legal history, black history, psychohistory, social history. *Antislavery Reconsidered* allows both specialists and laymen a chance to survey recent scholastic trends in this area and provides for them the assumptions, methods, and conclusions of the best current literature on antislavery.

The Antislavery Debate John Ashworth, David Brion Davis, Thomas L. Haskell, 1992-06-02 The marrow of the most important historiographical controversy since the 1970s. Michael Johnson, University of California, Irvine. A debate of intellectual significance and power. The implications of these essays extend far beyond antislavery, important as that subject undoubtedly is. This will be of major importance to students of historical method as well as the history of ideas and reform movements. Carl N. Degler, Stanford University. [Anti-slavery and Reform Papers](#) Henry David Thoreau, 1890

The Writings of John Greenleaf Whittier: Anti-slavery poems: Songs of labor and reform John Greenleaf Whittier, 1892. [The Forgotten Emancipator](#) Rebecca E. Zietlow, 2018. Zietlow explores the ideological origins of Reconstruction and the constitutional changes in this era through the life of James Mitchell Ashley. [Personal Reminiscences of the Anti-slavery and Other Reforms and Reformers](#) Aaron Macy Powell, 1899. This book presents the memoirs of Aaron M. Powell, a Quaker who was active in the Anti-Slavery Society. **Encyclopedia of Antislavery and Abolition** Peter P. Hinks, John R. McKivigan, R. Owen Williams, 2007. Volume two of a two-volume set featuring alphabetically arranged entries that cover a wide range of topics related to the antislavery movement and abolitionist activities in the eighteenth and nineteenth centuries, highlighting people and events that played a key role in ending slavery in the United

States **Northern Labor and Antislavery** Philip S. Foner, Herbert Shapiro, 1994-03-14 Using documents drawn from newspapers magazines and books this volume provides a documentary history of the relationships between labor and abolitionists from the early 1830s to the Civil War It includes newspaper articles from mainstream dailies as well as from abolitionist journals and the labor press The voices heard from include prominent abolitionist leaders grass roots activists representatives of the labor movement land reformers and utopian advocates of universal reform The book shows labor s response to such critical episodes as the 1831 Nat Turner Revolt the Kansas Nebraska Act John Brown s execution and the election of Abraham Lincoln Themes covered include the contrast between wage labor and chattel slavery the abolitionists outreach to white labor the views of reformers who held that a universal solution to the labor question took priority over abolition the varying responses of labor activists to the slavery question and labor s growing role in the 1850s as a constituent in an antislavery coalition At the same time the book notes the continued presence of racism and specific instances of friction between white and black workers as in the explosive violence of the 1863 New York City Draft Riot

Labor Histories Eric Arnesen, Julie Greene, Bruce Laurie, 2022-10-17 Is class outmoded as a basis for understanding labor history This collection emphatically answers No These thirteen essays delve into subjects like migrant labor religion ethnicity agricultural history and gender Written by former students of preeminent labor figure and historian David Montgomery the works advance the argument that class remains indispensable to the study of working Americans and their place in the broad drama of our shared national history *Antislavery Violence* John R. McKivigan, Stanley Harrold, 1999 During the sixty years preceding the Civil War violent means were often used to combat slavery in the United States In this collection of essays ten scholars explore the circumstances in which such violence arose the aims of those responsible for it and its impact on events of the day Reflecting a variety of perspectives and approaches this is the first book devoted exclusively to this important subject Previous studies have concentrated on how white northeastern professedly nonviolent abolitionists sometimes endorsed or engaged in forceful action against slavery This volume goes beyond that emphasis to examine the role of antislavery violence in a variety of regional racial ideological and chronological contexts Its broad focus includes southern slave rebels antislavery women in Kansas violent slave rescuers in Ohio and northern antislavery politicians Antislavery Violence challenges the notion that violence within the antislavery movement was unusual prior to the 1850s showing that such violence in fact lay deep in American history and culture It establishes that antislavery violence served to unite slavery s black and white enemies and reveals how antebellum concepts of gender played a role in the justification of or participation in such violence Finally by stressing the role of violence within the antislavery movement the collection encourages a fresh appreciation of that movement as a major precursor to the much more violent Civil War Seeking neither to condemn nor to glorify acts of political violence against slavery these essays reveal them as a product of a particular time culture intellectual framework and political environment The book will challenge readers to ponder the subtlety ambiguity distaste and

exaltation with which Americans living a century and a half ago wrestled with the issue of reform through violent means The Editors John R McKivigan is Mary O Brien Gibson Professor of History at Indiana University Purdue University at Indianapolis He is the author of *The War against Proslavery Religion Abolitionism and the Northern Churches* Stanley Harrold is professor of history at South Carolina State University and the author of *The Abolitionists and the South*

Encyclopedia of Antislavery and Abolition Peter Hinks, John McKivigan, 2006-11-30 The emergence of a sophisticated antislavery ideology and the rise of organized opposition to slavery in the Atlantic World in the eighteenth and nineteenth centuries represented nothing less than one of the great intellectual and social revolutions in the history of the world An institution which by the early eighteenth century was near axiomatically accepted as necessary useful and thoroughly in accord with Judaeo Christian tenets and virtues and which profoundly informed the lives of millions of people had by the mid nineteenth century come increasingly to be viewed as the chief vector of evil and the Devil in the world the very quintessence of evil as some called it and the chief repository of all that was socially politically and especially economically archaic and stagnant This encyclopedia is organized around three principal concerns the illustration and explication of the various forms of antislavery and its emergence as an organized movement the immediate precipitants of abolition and the processes of its passage and the enactment of emancipation and its consequences While the earliest expressions of antislavery may have only comprised one or a few isolated voices the antislavery most commonly reviewed here is that animated by a systematic and ardent opposition to slavery and intended to mobilize large numbers of people to attack and end the institution A wide variety of people and organizations nurtured and extended this antislavery religious figures political economists slaves sailors artisans missionaries planters captains of slave ships democratic enthusiasts and others were all involved along with the various organizations secular religious or otherwise with which they were associated Antislavery was by no means exclusively or even principally the work of an intellectual elite and the force of all from the lowly and unlearned to the privileged and prominent is represented The presence of slavery continued to be attacked in the contracting Ottoman Empire in the early twentieth century in Liberia in the 1930s in Saudi Arabia in the mid twentieth century and even in the latter years of the century in countries like Sudan Pakistan India and others in Southeast Asia The entries have a worldwide focus covering antislavery movements and important developments in slavery abolition and slave emancipation in many places around the globe Other entries cover individuals groups events documents and organizations related to the history of abolition and emancipation over the last two centuries Coverage also address a wide range of topics issues and ideas related to the broad topic of ending historical systems of slavery and human bondage Besides over 400 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also includes an Introduction tracing the history of abolition and emancipation a selected general bibliography a guide to related topics numerous illustrations and a detailed subject index *The Yankee International* Timothy Messer-Kruse, 2000-11-09 Examining the social and intellectual collision

of the American reform tradition with immigrant Marxism during the Reconstruction era Timothy Messer Kruse charts the rise and fall of the International Workingman s Association IWA the first international socialist organization He analyzes what attracted American reformers many of them veterans of antebellum crusades for abolition women s rights and other radical causes to the IWA how their presence affected the course of the American Left and why they were ultimately purged from the IWA by their orthodox Marxist comrades Messer Kruse explores the ideology and activities of the Yankee Internationalists tracing the evolution of antebellum American reformers thinking on the question of wage labor and illuminating the beginnings of a broad labor reform coalition in the early years of Reconstruction He shows how American reformers priority of racial and sexual equality clashed with their Marxist partners strategy of infiltrating trade unions Ultimately he argues Marxist demands for party discipline and ideological unity proved incompatible with the Yankees native republicanism With the expulsion of Yankee reformers from the IWA in 1871 American Marxism was divorced from the American reform tradition

A Companion to the Civil War and Reconstruction Lacy Ford,2011-03-21 A Companion to the Civil War and Reconstruction addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions on scholarly advances in U S Civil War history

Anti-slavery Poems John Greenleaf Whittier,1892

Encyclopedia of U.S. Labor and Working-class History Eric Arnesen,2007 Publisher Description

The Slave's Cause Manisha Sinha,2016-02-23 Traces the history of abolition from the 1600s to the 1860s a valuable addition to our understanding of the role of race and racism in America Florida Courier Received historical wisdom casts abolitionists as bourgeois mostly white reformers burdened by racial paternalism and economic conservatism Manisha Sinha overturns this image broadening her scope beyond the antebellum period usually associated with abolitionism and recasting it as a radical social movement in which men and women black and white free and enslaved found common ground in causes ranging from feminism and utopian socialism to anti imperialism and efforts to defend the rights of labor Drawing on extensive archival research including newly discovered letters and pamphlets Sinha documents the influence of the Haitian Revolution and the centrality of slave resistance in shaping the ideology and tactics of abolition This book is a comprehensive history of the abolition movement in a transnational context It illustrates how the abolitionist vision ultimately linked the slave s cause to the struggle to redefine American democracy and human rights across the globe A full history of the men and women who truly made us free Ira Berlin The New York Times Book Review A stunning new history of abolitionism Sinha plugs abolitionism back into the history of anticapitalist protest The Atlantic Will deservedly take its place alongside the equally magisterial works of Ira Berlin on slavery and Eric Foner on the Reconstruction Era The Wall Street Journal A powerfully unfamiliar look at the struggle to end slavery in the United States as multifaceted as the movement it chronicles The Boston Globe

Colored White David R. Roediger,2003-11 In this

splendid book David Roediger shows the need for political activism aimed at transforming the social and political meaning of race No other writer on whiteness can match Roediger's historical breadth and depth his grasp of the formative role played by race in the making of the nineteenth century working class in defining the contours of twentieth century U S citizenship and social membership and in shaping the meaning of emerging social identities and cultural practices in the twenty first century George Lipsitz author of *The Possessive Investment in Whiteness* David Roediger has been showing us all for years how whiteness is a marked and not a neutral color in the history of the United States *Colored White* with its synthetic sweep and new historical investigations marks yet another advance In the burgeoning literature on whiteness this book stands out for its lucid unjargonridden lively prose its groundedness its analytic clarity and its scope Michael Rogin author of *Blackface White Noise* *AP U.S. History 2017-2018* Krista Dornbush, 2017-02-07 4 realistic practice tests 1 full length diagnostic test

The Death of Adam Marilynne Robinson, 2000 In the tradition of nineteenth century novelists who turned to the essay Marilynne Robinson offers a beautiful and authoritative approach to refining the ideas our culture has handed down to us Whether considering how the McGuffey readers were inspired by midwestern abolitionists how creationism long owned by the Religious Right has spurred on contemporary Darwinism or how John Calvin who was a Frenchman in Geneva points to America's continental origins Robinson writes with great conviction Her essays are filled with the excitement of discovery Who can imagine how the things we call ideas live in the world she writes or how they change or how they perish or how they can be renewed In these ten essays Marilynne Robinson brilliantly addresses subjects that have become the territory of specialists religion history the state of society The writing is contrarian in method and spirit as she states in her introduction but Who can imagine how the things we call ideas live in the world or how they change or how they perish or how they can be renewed In the tradition of nineteenth century novelists who turned to the essay Marilynne Robinson offers a beautiful and authoritative approach to refining the ideas our culture has handed down to us Whether considering how the McGuffey readers were inspired by Midwestern abolitionists how Creationism long owned by the Religious Right has spurred on contemporary Darwinism or how John Calvin who was a Frenchman in Geneva points to America's continental origins Robinson writes meticulously and with great conviction Her essays are filled with the excitement of discovery **Fighting for the Higher Law** Peter Wirzbicki, 2021-03-26 How important black abolitionists joined famous Transcendentalists to create a political philosophy to fight slavery In *Fighting for the Higher Law* Peter Wirzbicki explores how important black abolitionists joined famous Transcendentalists to create a political philosophy that fired the radical struggle against American slavery In the cauldron of the antislavery movement antislavery activists such as William C Nell Thomas Sidney and Charlotte Forten and Transcendentalist intellectuals including Ralph Waldo Emerson and Henry David Thoreau developed a Higher Law ethos a unique set of romantic political sensibilities marked by moral enthusiasms democratic idealism and a vision of the self that could judge political questions from higher standards of morality and reason The Transcendentalism that

emerges here is not simply the dreamy philosophy of privileged white New Englanders but a more populist movement one that encouraged an uncompromising form of politics among a wide range of Northerners black as well as white working class as well as wealthy. Invented to fight slavery it would influence later labor feminist civil rights and environmentalist activism. African American thinkers and activists have long engaged with American Transcendentalist ideas about double consciousness nonconformity and civil disobedience. When thinkers like Martin Luther King Jr or W E B Du Bois invoked Transcendentalist ideas they were putting to use an intellectual movement that black radicals had participated in since the 1830s.

Antislavery Labor And Reform Introduction

In the digital age, access to information has become easier than ever before. The ability to download Antislavery Labor And Reform has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Antislavery Labor And Reform has opened up a world of possibilities. Downloading Antislavery Labor And Reform provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Antislavery Labor And Reform has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Antislavery Labor And Reform. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Antislavery Labor And Reform. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Antislavery Labor And Reform, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Antislavery Labor And Reform has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Antislavery Labor And Reform Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Antislavery Labor And Reform is one of the best book in our library for free trial. We provide copy of Antislavery Labor And Reform in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Antislavery Labor And Reform. Where to download Antislavery Labor And Reform online for free? Are you looking for Antislavery Labor And Reform PDF? This is definitely going to save you time and cash in something you should think about.
