Asian Perspectives on Psychology Henry S. R. Kao, Durganand Sinha, 1997 *Asian Perspectives in Counselling and Psychotherapy* Pittu Laungani, 2004-06-02 Asian Perspectives in Counselling and Psychotherapy considers what exactly cross cultural counselling and psychotherapy mean Topics covered include a detailed analysis of the concept of culture and the relationship between culture and therapy a comparative study of Western cultures and Eastern cultures the historical development of counselling and psychotherapy in Western countries the controversies related to the problem of matching clients with therapists Illustrated by stimulating case studies the theoretical knowledge and practical advice presented in Asian Perspectives in Counselling and Psychotherapy will be invaluable reading to all practising and training counsellors and psychotherapists *Social Values and Development* Durganand Sinha, Henry S. R. Kao, 1988 **Handbook of Research on Asian Perspectives of the Educational Impact of COVID-19** Islam, M. Rezaul, Behera, Santosh Kumar, Naibaho, Lamhot, 2022-01-21 The COVID 19 pandemic affected a wide range of global sectors but one of the most important is education The transition from classroom to computer screen was a difficult one for many Asian students parents and teachers Since this transition global education systems now mostly depend on online technology It is crucial that the impact of the pandemic on education is not only examined from a Western point of view but also from Eastern perspectives The Handbook of Research on Asian Perspectives of the Educational Impact of COVID 19 provides the current issues the education sector is facing in the aftermath of the COVID 19 pandemic This book investigates the issues and challenges the education sector is facing as well as the future directions needed to provide education in a more effective way Covering topics such as academic perspectives university level employees and leadership challenges this book is a dynamic resource for students teachers pre service teachers school administrators education providers faculty researchers policymakers and academicians *Asian Perspectives on Digital Culture* Sun Sun Lim, Cheryll Soriano, 2016-01-08 In Asia amidst its varied levels of economic development and diverse cultural traditions and political regimes the Internet and mobile communications are increasingly used in every aspect of life Yet the analytical frames used to understand the impact of digital media on Asia predominantly originate from the Global North neither rooted in Asia's rich philosophical traditions nor reflective of the sociocultural practices of this dynamic region This volume examines digital phenomena and its impact on Asia by drawing on specifically Asian perspectives Contributors apply a variety of Asian theoretical frameworks including guanxi face qing dharma and karma With chapters focusing on emerging digital trends in China Hong Kong India Japan Korea Philippines Singapore and Taiwan the book presents compelling and diverse research on identity and selfhood spirituality social networking corporate image and national identity as shaped by and articulated through digital communication platforms *Asian Perspectives on Workplace Bullying and Harassment* Premilla D'Cruz, Ernesto Noronha, Avina Mendonca, 2021-08-10 This book showcases empirical studies on workplace bullying from a range of Asian countries including China India Indonesia Israel Japan Jordan

Malaysia Pakistan Singapore South Korea Sri Lanka Thailand UAE and Vietnam and is the first of its kind single academic project documenting workplace emotional abuse in the world's largest continent. It encompasses the varieties of workplace bullying conceptualization in addition to category based harassment and abusive supervision and presents target bystander and interventionist perspectives along with contextualized insights into the phenomenon. The book speaks to the significance of sociocultural factors and draws on several theoretical and substantive bases including dignity social cynicism coping gender sexual orientation job insecurity turnover intention affective events theory attribution theory regulation and policy initiatives. Covering all major regions in Asia where workplace bullying has been found to occur namely West Asia South Asia Southeast Asia and East Asia the book portrays studies which engage both positivist and postpositivist paradigms utilize an array of methods and include a range of industrial sectors and employment contracts and all levels of the organization. While focused on Asia the book's insights have international relevance and are of interest to the worldwide community of researchers practitioners and students of organizational studies human resource management industrial sociology work psychology industrial relations labour law corporate law health sciences social work and Asian studies.

What the West Can Learn From the East Dennis M. McInerney, Oon Seng Tan, Gregory Arief D. Liem, Ai-Girl Tan, 2008-10-01 Education East and West is today mostly Western in orientation. Asian perspectives remain relatively unrepresented in curricula pedagogy and administrative structures. This volume has brought together authors researching in Asia who redress this imbalance and describe what the West can learn from the East. Topics covered include conceptions of and approaches to effective learning and teaching self-regulated learning perceived causes of success and failure valuing of education peer influences and classroom behavior creativity teacher commitment class size motivation future goals and other influences on effective learning. Shared insights from the research and theorizing presented should provide a fascinating perspective for educators and administrators charged with providing cutting edge research based educational best practices in diverse cultural and social environments internationally.

The Psychology of Asian Learners Ronnel B. King, Allan B. I. Bernardo, 2015-10-12 This book celebrates the scholarly achievements of Prof David A. Watkins who has pioneered research on the psychology of Asian learners and helps readers grasp the cognitive motivational developmental and socio-cultural aspects of Asian learners' learning experiences. A wide range of empirical and review papers which examine the characteristics of these experiences as they are shaped by both the particularities of diverse educational systems cultural milieus and universal principles of human learning and development are showcased. The individual chapters which explore learners from fourteen Asian countries autonomous regions and/or economies build on research themes and approaches from Prof Watkins' research work and are proof of the broad importance and enduring relevance of his seminal
