The Jewish Question Alex Bein,1990 This monumental work of Alex Bein noted scholar and chief librarian of the Israeli National Library is the most authoritative survey of Jewish culture and Jewish problems in the Diaspora First published in two massive volumes in German it is here made available in a single volume in English T. G. Masaryk and the Jewish Question Miloš Pojar,2019-05-01 An English translation of a successful title by the first post 1989 Czech ambassador to Israel Milo Pojar The book is a result of the author s life long interest in this difficult and taboo theme Starting with the first publication of the samizdat collection TGM and Our Present Day Czech anti-Semitism has been newly researched in a broad context This book presents a useful summary of Tom s Garrigue Masaryk s stances from his writings and political activities including a detailed description of the historic first visit of the head of the state to Palestine in 1927 The English edition contains a preface by Shlomo Avineri and a personal essay by Petr Pithart English Zionists and British Jews Stuart Cohen,2014-07-14 Demonstrating that the reaction of the Anglo Jewish community to modern Jewish

nationalism was far more complex than conventionally thought Stuart A Cohen argues that the conflict between Zionists and anti Zionists although often stated in strictly ideological terms was also an aspect of a larger contest for community control Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

British Jewry, Zionism, and the Jewish State, 1936-1956 Stephan Wendehorst, 2012 Stephan E C Wendehorst explores the relationship between British Jewry and Zionism from 1936 to 1956 a crucial period in modern Jewish history encompassing both the shoah and the establishment of the State of Israel He attempts to provide an answer to what at first sight appears to be a contradiction the undoubted prominence of Zionism among British Jews on the one hand and its diverse expressions ranging from aliyah to making a donation to a Zionist fund on the other Wendehorst argues that the ascendancy of Zionism in British Jewry is best understood as a particularly complex but not untypical variant of the 19th and 20th century s trend to re imagine communities in a national key He examines the relationship between British Jewry and Zionism on three levels the transnational Jewish sphere of interaction the British Jewish community and the place of the Jewish community in British state and society The introduction adapts theories of nationalism so as to provide a framework of analysis for Diaspora Zionism Chapter one addresses the question of why British Jews became Zionists chapter two how the various quarters of British Jewry related to the Zionist project in the Middle East chapter three Zionist nation building in Britain and chapter four the impact of Zionism on Jewish relations with the larger society The conclusion modifies the original argument by emphasising the impact that the specific fabric of British state and society in particular the Empire had on British Zionism
