s texts changed over time and additional lists and tables as determined by the special circumstances of each text **George Meredith, some characteristics. With a bibliography by J. Lane** Richard Thomas Le Gallienne,1890 *Modern Love and Other Poems by George Meredith (1904)* George Meredith,2014-08-07 This Is A New Release Of The Original 1904 Edition *The Poetical Works of George Meredith* George Meredith,George Macaulay Trevelyan,1912 The poems are the texts used in the Memorial Edition of Meredith s works The early poems were primarily written in or about 1849 when the poet was twenty one years old Meredith was a poet novelist but his poetry follows the same course of development as his novels moving from early examinations of the self in society to a later concern with broader social issues and defiance of the conventions of the form Meredith explored new meters and stanzaic forms and experimented dramatically with syntax and grammar His poetry has been described as verbally dense allusive and metaphorical and in many ways reflective of the late nineteenth century inclination toward aesthetic artifice *George Meredith* Richard LeGallienne,1890 **George Meredith, Some Characteristics** Richard Le Gallienne,1905
