Assassins: Assignment: Jerusalem, Target: Antichrist Tim LaHaye, 1999 **Apocalypse Dawn** Mel Odom, 2011-05-13 2004 Christy Award finalist From the decks of U S Navy carriers patrolling the Mediterranean to Fort Benning Georgia and the dusty sands of the Turkish Syrian border this new suspense thriller runs side by side with the phenomenal series that has sold more than 50 million copies New characters and situations are added to those from the already explosive Left Behind series to raise the tension to a fever pitch With technical accuracy from the same people who create best selling military thrillers this new series will satisfy the fans of the original Left Behind series who are looking for more Allies for Armageddon Victoria Clark, 2007-01-01 Clark explores the 400 year history of this powerful political ideology from its beginnings among the Puritans of 17th century England to the present day United States where Christian Zionists wield unprecedented influence Plotting Apocalypse Jennie Chapman, 2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics An Unusual Relationship Yaakov Ariel, 2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox

that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of *Evangelicals and Israel The Story of American Christian Zionism* It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships *An Unusual Relationship* explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book *Evangelizing the Chosen People* was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History

Rapture Culture Amy Johnson Frykholm, 2004-03-04 In the twinkling of an eye Jesus secretly returns to earth and gathers to him all believers As they are taken to heaven the world they leave behind is plunged into chaos Cars and airplanes crash and people search in vain for loved ones Plagues famine and suffering follow The antichrist emerges to rule the world and to destroy those who oppose him Finally Christ comes again in glory defeats the antichrist and reigns over the earth This apocalyptic scenario is anticipated by millions of Americans These millions have made the Left Behind series novels that depict the rapture and apocalypse perennial bestsellers with over 40 million copies now in print In *Rapture Culture* Amy Johnson Frykholm explores this remarkable phenomenon seeking to understand why American evangelicals find the idea of the rapture so compelling What is the secret behind the remarkable popularity of the apocalyptic genre One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life This also helps explain why they appeal to female readers despite the deeply patriarchal worldview they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism's renewed popular appeal has rendered such themes obsolete Left Behind evinces a new embrace of technology and consumer goods as tools for God's work while retaining a protest against modernity's transformation of traditional family life Drawing on extensive interviews with readers

of the novels Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose **Left Behind Answered Verse by Verse** David Reed,2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy

The Left Behind Fantasy William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense

American Evangelicals for Trump André Gagné,2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump Specifically it focuses on the Neocharismatic Pentecostal NCP leaders their beliefs and their political strategies The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency Additionally the book discusses how NCP leaders are part of the Christian Right a religious coalition with a political agenda centered on controversial issues such as anti abortion activism opposition to LGBTQ rights and the protection of religious freedom Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020 Dominion Spiritual Warfare and Eschatology the End Times the book examines how these ideas have sustained the evangelicals close to U S political power in the Trump era In light of the potential for Trump s return to power in 2024 the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring It is an essential read for all students and researchers of Evangelicalism Religion in America Political Theology or Religion and Politics *Babylon Under Western Eyes* Andrew Scheil,2016-01-01 Babylon under Western Eyes examines the mythic legacy of ancient Babylon the

Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style Babylon under Western Eyes is the first comprehensive examination of Babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture

Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and

students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah

Marks of the Beast Glenn W. Shuck,2005 The Left Behind series by Tim LaHaye and Jerry B Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan s proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey s 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds

American Fascists Chris Hedges,2008-01-08 From the celebrated author of War Is a Force That Gives Us Meaning comes a startling expos of the political ambitions of the Christian Right a clarion call for everyone who cares about freedom

The End of All Things Is at Hand Veli-Matti Karkkainen,2022-01-20 This book proposes a bold vision of the end of human life and the cosmos based on the hopeful vision of Christian faith In a dialogue with the best of Christian tradition the natural sciences conjectures of the end as well as Islam s rich teaching on the doctrine of the Last Things a fresh constructive eschatology is recommended While based on wide and deep academic learning the conversational style of the book makes it suitable for various kinds of audiences from pastors to students to scholars and to interested lay folks

Religion of Fear Jason C Bivins,2008-08-29 Jason C Bivins offers close examinations of several popular evangelical cultural creations including the Left Behind novels church sponsored Halloween Hell Houses Jack Chick s sensational comic tracts and anti rock and rap rhetoric and censorship Bivins depicts these fascinating and often troubling phenomena in vivid detail and shows how they seek to shape evangelical cultural and political identity
