Assassins Of Isis:

The Assassins of Isis P. C. Doherty, 2006-11-14 The mysterious Sebaus a sect taking its name from demons has stolen a powerful secret and the wrath of the fiery Hatusu knows no bounds But when the empire s great military hero General Suten is bitten to death by vipers it appears events have spiraled out of her control Meanwhile a dark shadow lies across the Temple of Isis The peace of this holy place renowned as an oasis of calm and healing has been disturbed Four of the Hesets the temple handmaids have vanished without a trace Will Lord Amerotke Pharaoh s Chief Judge unravel the mysteries before further violence erupts Or will he find the perpetrators in league with forces beyond his jurisdiction **The Complete**

Infidel's Guide to ISIS Robert Spencer, 2015-08-24 ISIS rocketed onto the world stage seemingly out of nowhere beheading American hostages bulldozing international borders routing the American trained Iraqi army and carving out a new state that rules eight million people and a territory larger than the United Kingdom But who are they Where did ISIS come from and how did they rise to power in so little time What is driving them and how can they be stopped New York Times bestselling author Robert Spencer reveals the blood drenched history and inner workings of the Islamic State its military conquests how it is financing its expansion and the ideology that is driving its success As Spencer reveals the Islamic State has taken the first steps on the path to becoming a serious world power steps that Osama bin Laden and al Qaeda dreamed of but were afraid to take The Complete Infidel s Guide to ISIS is your one stop easy reference for all you need to know about ISIS and how infidels can stop its reign of terror **The Globalization of Terrorism** Mustafa Y. Ali, 2017 **Assassin: The True**

Story of One of America's Most Successful Assassins Robert J. Firth, J.C. Scott, 2017-10-29 This is a factual no nonsense book as told by a professional American assassin The stories he tells are descriptions of true events with only a few names changed for obvious reasons The author pulls no punches and never softens the story to make it more palatable What you will read describes accurately the preparation dedication training and mind set of a man and his associates who kill America s enemies for a living **Deadly Craft: The Untold Story of Ancient Assassins** Pasquale De Marco, 2025-07-18 Deadly

Craft The Untold Story of Ancient Assassins delves into the captivating world of these enigmatic figures exploring their origins methods and impact on history From the ancient Middle East to the modern era assassins have played a pivotal role in shaping the course of civilizations In ancient times assassins were employed by rulers and empires to eliminate political rivals secure strategic advantages and instill fear in adversaries Groups like the Hashishin notorious for their unwavering loyalty and deadly tactics became legends their name synonymous with terror and respect As history progressed assassins continued to operate in the shadows adapting to the changing landscapes of politics warfare and technology They became integral to espionage and covert operations serving as tools of power for governments organizations and individuals seeking to gain an edge in a treacherous world From the bustling streets of medieval cities to the battlefields of global conflicts assassins have left an indelible mark on human history Their stories often shrouded in secrecy and speculation have captured

the imagination of writers filmmakers and artists for centuries This book embarks on a journey to uncover the truth behind the myths and legends shedding light on the hidden world of assassins and their enduring legacy Throughout its chapters it explores the diverse roles of assassins across cultures and time periods delving into their training methods examining their psychological motivations and uncovering their historical significance Deadly Craft is a comprehensive and captivating exploration of a fascinating and often misunderstood aspect of human history It promises to provide readers with a deeper understanding of the world of assassins their shadowy methods and their enduring fascination for generations to come If you like this book write a review

Handbook of Terrorism and Counter Terrorism Post 9/11 David Martin Jones,Paul Schulte,Carl Ungerer,M.L.R. Smith,2019-12-27 Almost two decades after the events of 9 11 this Handbook offers a comprehensive insight into the evolution and development of terrorism and insurgency since then Gathering contributions from a broad range of perspectives it both identifies new technological developments in terrorism and insurgency and addresses the distinct state responses to the threat of political or religiously motivated violence not only in the Middle East and Europe but also in Africa South and Southeast Asia and North and South America Calladus Stuart Hickton,2011

The Assassins of Isis (Amerotke Mysteries, Book 5) Paul Doherty,2012-09-25 As Egypt is thrown into disarray only one man can solve the mysteries Judge Amerotke returns in Paul Doherty s fifth Ancient Egyptian mystery featuring the enigmatic sleuth Perfect for fans of Lauren Haney and Wilbur Smith Paul Doherty weaves an intricate story with clues littered among the pages Historical Novels Review The location of Rahimere s tomb somewhere deep in the desert has long been kept a closely guarded secret But now the Sebaus a sect taking its name from demons has plundered and pillaged the sepulchre for its most powerful treasure The fiery Pharaoh Queen Hatusu must fight to protect the tombs of her kin and tighten her grip on the collar of Egypt Then Egypt s great military hero General Suten is bitten to death by a swarm of venomous vipers it appears events have spiralled out of her control Meanwhile a dark shadow lies across the peaceful Temple of Isis four of the temple handmaids have vanished without trace Will Lord Amerotke Pharaoh s Chief Judge be able to unravel the mysteries before further violence erupts Or will he find that the perpetrators are in league with forces beyond his jurisdiction What readers are saying about The Assassins of Isis These books on Egypt just get better and better I was taken into the story unable to put the book down and finished it after a few days Entertaining and also gives a wonderful insight into the lives of the Ancient Egyptians The Caliphate at War Ahmed Hashim,2018-02-01 ISIS s astonishing and unexpected military victories in 2014 and 2015 redrew the geopolitical map of the Middle East Media attention focused on the organisation s savage treatment of its enemies and its ability to attract foreign fighters but as this dispassionate book demonstrates it also made important innovations in strategy ideology and governance Ahmed S Hashim argues that by focusing their ideology first and foremost on extreme anti Shia sectarianism rather than on Western infidels ISIS founders were able to present themselves as the saviours of what they saw as the embattled Sunni nation in Iraq This enabled them to

win the support of Sunni communities Moreover ISIS stunning ability to take major cities was a result of its innovative tactics It sowed terror in advance of its attacks by using targeted assassinations to kill key city leaders and its decentralised regional command structure facilitated an unusual degree of coordination between small assault units At the same time the organisation made a serious effort to engage in state building and population control By going beyond the often starkly unpleasant current affairs of the Islamic State The Caliphate at War undertakes an essential investigation into the successes of the group to better understand how the movement has survived thrived and reshaped the Middle East **Dark Web**

Spiders R. Julian Hafner, 2025-08-01 They don't follow the law They hunt those who break it In Dark Web Spiders the explosive sequel to Ordeal Therapy by R Julian Hafner a covert five person team uses the Internet's Dark Web to track down the world's most dangerous criminals and wage a relentless real life war against them Their mission cuts through cybercrime people smuggling and the darkest corners of the human soul As they dig deeper the stakes rise money laundering art theft and weaponised deep fakes give way to even more disturbing threats illegal organ harvesting secretive transhumanist labs and cults that kill for power and pleasure Watching from the shadows is an enemy who will stop at nothing to destroy them But this team does not flinch From s ances gone wrong to a dominatrix's downfall and a murder in a Gypsy camp they strike hard fast and without apology Gritty fast paced and unflinching Dark Web Spiders drops you into a shadow war where justice is personal and survival is never guaranteed The dark web grows stronger The war will go on The Strategic Logic of

Women in Jihadi Organizations Hamoon Khelghat-Doost, 2021-01-06 This book discusses the role of women in jihadi organizations It explores the critical puzzle of why despite the traditional restrictive views of Islamic jurisprudence on women's social activities the level of women's incorporation into some jihadi organizations is growing rapidly both in numbers and roles around the world The author argues that the increasing incorporation of women and their diversity of roles reflect a strategic logic jihadi groups integrate women to enhance organizational success To explain the structural metamorphosis of jihadi organizations and to provide insight into the strategic logic of women in jihadi groups the book develops a new continuum typology dividing jihadi groups into operation based and state building jihadi organizations The book uses multiple methods including empirical fieldwork and the conceptual framework of fragile states to explain the expanding role of women within organizations such as ISIS Addressing a much overlooked gap in contemporary studies of women's association with militant jihadi organizations this book will be of interest to scholars in the field of gender and international security think tanks working on the Middle East security affairs activists policy makers as well as undergraduate and postgraduate students undertaking study or research associated with gender and militant non state actors **The Shadow**

Hand: A History of Assassins Pasquale De Marco, 2025-08-11 In the shadowy realm where history and legend collide The Shadow Hand A History of Assassins unveils the captivating and chilling world of those who kill for hire or for a cause Within these pages we embark on a journey through the ages delving into the lives and deeds of history's most notorious assassins

From the political stage to the battlefield from the corridors of power to the depths of despair we witness the devastating impact of their actions the shattered lives and the profound consequences that reverberate through time We encounter the political assassin a ruthless pawn in the deadly game of power willing to sacrifice everything in the pursuit of their agenda We meet the personal assassin driven by vengeance jealousy or a twisted sense of justice seeking retribution for perceived wrongs We discover the religious assassin a zealot armed with a fervent belief in their cause convinced that their actions are sanctioned by divine decree We explore the psychology of the assassin delving into the dark recesses of the human psyche seeking to understand the impulses that lead individuals down this path of violence We examine the methods and techniques employed by assassins from the silent blade to the poison tipped dart from the sniper s rifle to the car bomb each a deadly tool in the hands of a skilled killer The Shadow Hand takes us on a chilling journey through the annals of history introducing us to infamous assassins like John Wilkes Booth Mata Hari and Hassan i Sabbah whose actions changed the course of nations and left an indelible mark on the world We also encounter modern day assassins operating in the shadows of our interconnected world using advanced technology and tactics to carry out their deadly missions As we delve deeper into this captivating narrative we confront the ethical dilemmas that arise from the actions of assassins We question the justifications for assassination the boundaries of morality and the consequences that ripple through society We explore the arguments for and against this controversial practice considering the complex interplay between justice security and the sanctity of human life The Shadow Hand A History of Assassins is a gripping exploration of the dark side of human nature a journey into the world of those who live and die by the sword It is a testament to the enduring fascination with the art of assassination and a reminder of the devastating impact that a single individual can have on the course of history If you like this book write a review

The Threat From Within Gilbert Lewis, 2019-12-11 The Threat From Within By Gilbert Lewis The ISIS high command is angry that the hostage operation has failed They conclude that their main obstacle is the MI6 operative Estella Rose Mathews Rose and a combined team of British and French Special Forces successfully rescued the six hostages from England France and the United States After the hostages were successfully rescued ISIS now plans an attack using their western fighters Again these attacks are prevented by western intelligence agencies ISIS has now moved its attack to the America Homefront MI6 assigns Rose to the CIA The CIA in turn assigned Rose to work covertly with the American company White Mountain Analytics WMA ISIS develops a fool proof plan to kill Rose They have posted a kill contract on the darknet to assassinate Rose The posting of the kill contract is answered by Adolf Wolfgang Wolf Schneider Wolf was in the Marines and was given a dishonorable discharge He blames his being booted from the Marines on a black captain Wolf grew up in Kentucky with a father who blamed all of his failures on the blacks Wolf grew up in an environment of White Supremacy thus him being booted from the Marines only strengthen his hatred for Negros slant eyes and beaners Upon being booted from the Marines Wolf found his way to KKK camps in Montana and Tennessee Within two years he was the top dog The KKK

camp sells drugs brought in illegally from Mexico Wolf quickly spreads the KKK enterprise to gun running and prostitution Wolf's expertise is sniper kills His motto is One Shot One Kill He learned the trade in the Marines When Wolf answered the post to kill Rose he already had completed kills on mafia rats crooked politicians and police officers who have not honored their contract to the mafia So far he finds it easy money Each kill brings in an average of 100K Wolf checks on the darknet monthly for easy kills His contract to kill Rose is 600K The story unfolds as Rose is tipped off that there is a kill contract on her life Rose and members of WMA determine that the assassin is a member of a White Nationalist camp in Tennessee The WMA team discovers that the camp is involved in illicit drugs opioids gun running and forced prostitution When the prostitutes are no longer needed they use them in snuff movies Rose and her team of experienced special operations personnel and the FBI engage in a long siege As the siege continues President Trout in his rallies is bad mouthing the FBI The crowd surrounding the White Nationalist camp is turning against Rose and the FBI They must quickly and carefully attack and turn the general public against the tide of support for these domestic terrorists

To Dare More Boldly John C. Hulsman, 2018-04-03 Ten lessons from history on the dos and don'ts of analyzing political risk Our baffling new multipolar world grows ever more complex desperately calling for new ways of thinking particularly when it comes to political risk To Dare More Boldly provides those ways telling the story of the rise of political risk analysis both as a discipline and a lucrative high stakes industry that guides the strategic decisions of corporations and governments around the world It assesses why recent predictions have gone so wrong and boldly puts forward ten analytical commandments that can stand the test of time Written by one of the field's leading practitioners this incisive book derives these indelible rules of the game from a wide ranging and entertaining survey of world history John Hulsman looks at examples as seemingly unconnected as the ancient Greeks and Romans the Third Crusade the Italian Renaissance America's founders Napoleon the Battle of Gettysburg the British Empire the Kaiser's Germany the breakup of the Beatles Charles Manson and Deng Xiaoping's China Hulsman makes sense of yesterday's world and in doing so provides an invaluable conceptual tool kit for navigating today's To Dare More Boldly creatively explains why political risk analysis is vital for business and political leaders alike and authoritatively establishes the analytical rules of thumb that practitioners need to do it effectively
