Preparing Quality

Teachers Drew Polly, Eva Garin, 2022-03-01 National and international teacher education organizations and scholars have called for an increased emphasis on clinical practice in educator preparation programs. These recommendations include specific efforts to increase the duration, diversity, and quality of experiences that teacher candidates engage in during their time in P-12 schools while earning their teaching license. This book includes a robust set of chapters that include conceptual, theoretical, and empirical chapters related to innovative approaches in clinical practice in educator preparation. Authors include teacher educators from around the United States and Canada from a variety of types of higher education institutions. The book provides readers with examples, evidence, and ideas to thoughtfully consider their future direction in examining planning and implementing clinical practice experiences for teacher candidates. **Literacy Specialist, Fourth Edition**

Rita M. Bean, Virginia J. Goatley, 2020-11-16 The definitive practitioner resource and text for developing excellence as a PreK-12 literacy reading specialist is now updated to reflect key changes in the field. Delving into the literacy specialist's multiple leadership roles, the book provides strategies for teaching children experiencing difficulty with reading and writing, supporting teachers through coaching and professional learning opportunities, designing curricula, conducting assessments at the student, classroom, and school levels, and building strong school, family, and community partnerships. Pedagogical features include vignettes from exemplary practitioners, questions for discussion and reflection, follow-up activities, and ideas for instructors and workshop leaders. Reproducible forms and worksheets can be downloaded and printed in a convenient 8 x 11 size. Previous edition title: *The Reading Specialist*, Third Edition. New to This Edition: Broader view of literacy now encompasses reading, writing, oral language, and digital and visual literacies. Grounded in the International Literacy Association's updated Standards 2017. New or expanded discussions of multi-tiered systems of support, culturally responsive practice, uses of technology in instruction, and professional learning. Successful practices in middle and high school settings and coaching. Extended case example that follows one literacy specialist through her entire first year in a school. Appendix with website resources. **Designing Meaning-Based Interventions for Struggling Readers** Andrew P. Johnson, 2021-03-23 This highly practical book helps K-8 teachers implement effective reading interventions that support meaningful comprehension and engage students with interesting, age-appropriate texts. Andrew P. Johnson presents a range of strategies for addressing difficulties in the core areas of word identification, fluency, and comprehension. Packed with illustrative figures, the book provides guidance and tools for assessing reading problems, combining and adapting interventions for particular students, planning writing activities to enhance reading, aligning efforts within a response-to-intervention framework, and designing individualized education programs. Informed by current research, Johnson candidly targets educational malpractice and helps readers puzzle through the controversies surrounding dyslexia diagnoses and special education decision making.
