Assessment For Equity And Inclusion Embracing All Our Children:

Assessment for Equity and Inclusion A. Lin Goodwin, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company

Assessment for Equity and Inclusion A. Lin Goodwin, 2012-12-06 How students are assessed can determine not only the quality type and degree of education they receive but has long term consequences for their future Assessment by standardized testing often labels poor and minority children in ways that exclude them from opportunities while failing to measure their true potential Assessment for Equity and Inclusion confronts the debate between standardized testing and alternative assessment methods locating strategies of assessment by which students are included rather than excluded

Mathematics Teaching, Learning, and Liberation in the Lives of Black Children Danny Bernard Martin, 2010-06-21 With issues of equity at the forefront of mathematics education research and policy Mathematics Teaching Learning and Liberation in the Lives of Black Children fills the need for authoritative rigorous scholarship that sheds light on the ways that young black learners experience mathematics in schools and their communities This timely collection significantly extends the knowledge base on mathematics teaching learning participation and policy for black children and it provides new framings of relevant issues that researchers can use in future work More importantly this book helps move the field beyond analyses that continue to focus on and normalize failure by giving primacy to the stories that black learners tell about themselves and to the voices of mathematics educators whose work has demonstrated a commitment to the success of these children
