the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his Collected Poems in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but The Collected Poems allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of Late Returns A Memoir of Ted Berrigan Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi *EVENING STREET REVIEW NUMBER 40* Barbara Bergmann, Gordon

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
