- VOL. 7 Dr. Douglas M. Baker, 2015-09-21 Introduction to ESOTERIC ASTROLOGY VOL 7 THE SOUL'S PURPOSE CASES 1
16 By Dr Douglas M Baker This very important work is based on an analysis of the horoscope placing emphasis on the Rising
Sign as it expresses the Soul's Purpose and its nuances Thus the universal approach is yet maintained but brought to bear on
the specific or existential features of the individual's horoscope Via 16 detailed analyses in this volume the earnest student or
professional astrologer is given in depth information regarding Karma previous lives chakras myth objects for meditation the
Ray of the Soul and of course the Soul's purpose for the personality Vol 8 treats cases 17-33 The introductory section
explains Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound
Complexes The Rising Sign House Cusps Sun Earth Opposition Astrological Parsing Literal Parsing Aspects Use of Angular
Aspects Planet Sign House Influences Intercepted Signs Retrograde Planets Karmic Indications in the Horoscope Whilst
esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the
individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on
the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by
using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer
has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out
the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology
gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual
horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more
psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher
synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey
herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to
the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate
and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth **Subject Guide to**
