Escaping Shame: Mary's Dilemma and the Birthplace of Jesus N. Clayton Croy,2022-08-01 The only narratives of Jesus birth locate the event in Bethlehem but the adult Jesus is consistently associated with Nazareth How do we reconcile these two indisputable facts Some dismiss Bethlehem as a theologoumenon a theological fabrication Others insist on Bethlehem based on the census of Quirinius In the present volume N Clayton Croy argues that both are wrong Instead Jesus birthplace was determined by the scandalous nature of Mary s pregnancy with it being necessary for Mary and Joseph to escape the inevitable shame of an ill timed conception and decamp to a less hostile environment In this light a Bethlehem born Jesus who grew up in Nazareth should never have been considered problematic **The healthy woman: A Complete Guide for All Ages** , Comprehensive health guide written in simple language and illustrated with many photographs designed to appeal to a large audience of all cultural backgrounds from teens to senior adults Empowers women to Recognize symptoms relating to particular diseases impacting a woman s health Explores possible treatment options Covers the latest recommendations for key health screenings tests and immunizations This guidebook also contains full color charts and diagrams to help readers understand their bodies and offers information not found in other women s health resources such as how to teach women to read a Prescription Drug Label explore insurance options and tips along with graphic representations for healthy eating and managing portion sizes and more Includes a glossary extensive bibliography additional resources and a cross referenced index **Birth Justice** Rodante Waal,2025-10-01 Reproductive injustice is an urgent global problem We are faced with the increased criminalization of abortion higher maternal and neonatal mortality rates for people of color and more and more research addressing the structural nature of obstetric violence In this collection of essays the cause of reproductive injustice is understood as the institutionalized isolation of potentially pregnant people making them vulnerable for bio and necropolitical disciplination and control The central thesis of this book is that reproductive justice must be achieved through a radical reappropriation of relationality in reproductive care to safeguard the access to knowledge and care needed for safe bodily self determination Through empirical research as well as decolonial feminist midwifery and Black theory reproductive justice is reimagined as abolitionist care grounded in the abolition of authoritative
