Bisexual Lives:

Bisexual Lives, 1988 Bisexuals are people who experience a desire for emotional sensual or sexual relationships with people of both sexes There are an enormous number of them in the world This book contains a collection of short pieces written by bisexual women and men about their experiences of what it is like to be bisexual from back cover **Bisexuality and the Eroticism of Everyday Life** Marjorie Garber, 2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal

Bisexual Spaces Clare Hemmings, 2013-11-12 A largely unexplored area this is an innovative and original examination of bisexual spaces as places that are defined by both geographical boundaries and cultural significance Hemmings applies the ideas of queer theory as well as social and cultural geography in her fascinating investigation into the spaces and places of bisexual life Specifically focusing on Northampton MA and San Francisco she draws on interviews with community members and the town histories showing how and why they have developed into safe places for the gay lesbian and bisexual communities By mapping out a space of bisexuality Bisexual Spaces provides a new and provocative understanding of the concept **Older Lesbian, Gay and Bisexual Adults** Andrew King, 2016-06-03 Andrew King is Senior Lecturer in Sociology at the University of Surrey UK and co editor of Sociological Objects Reconfigurations of Social Theory **Bi America** William Burleson, 2014-04-04 Gain an in depth understanding of the unique struggles of the bisexual community To me the gay and straight worlds are exactly the same equally limited judgmental and bourgeois just mirror images of each other I truly like and overlap with some of the gay world but my roots refuse to take hold there and grow Unfortunately my well established roots in the straight world are simultaneously shriveling and dying too leaving me feeling extremely unstable Cool a bisexual woman involved in a support group There are at least five million bisexual people in America generally invisible to straight society the gay community and even to each other While the vast majority of these five million live within the straight or gay world there are a few who have formed a community of their own Bi America Myths Truths and Struggles of an Invisible Community offers an inside look at the American bisexual community and gives an understanding of the special circumstances unique to being bisexual The book takes the reader to bi community events from picnics to conferences to support groups to performances in order to expose the everyday trials of the bisexual community Bi America includes very personal stories that let the voice of everyday bisexuals be heard through interviews the Bisexual History Project in which ten bisexual people tell their life stories and the Online Support Group a group of about 75 people who meet in cyberspace to talk about their lives and challenges The book also includes the findings of a 2002 survey of about 300 bisexual people conducted via the Internet an appendix that offers a concise list of resources for further study and personal enrichment and an unabridged transcript of the Bisexual History Project Get the answers to these questions in Bi America What is bisexuality Is there a bisexual community What is the culture of the bisexual community What are commonalities and

differences between the experiences of bi men and bi women What is the special relationship between the bisexual and the transgender community How have bisexuals and the bi community been affected by HIV AIDS What is the future of bisexual activism if any and many more Bi America is a fascinating resource that exposes the challenges struggles and triumphs of bisexuals in America Bisexuals especially those newly coming out can use this book to help understand their identity and family members and friends seeking some insight into the unique circumstances faced by their loved ones will also find it helpful This book will interest those concerned with the sociology of deviance or with subcultures in general It is also appropriate for undergraduate sociology and cultural anthropology as well as feminist studies and LGBT studies classes This book offers one of the few accessible nonacademic looks at this unique and interesting community Visit the book's Web site at <http://www.bi101.org>

Male Bisexuality in Current Cinema Justin Vicari, 2014-01-10 In recent decades male bisexuality has become a recurring topic in international cinema as filmmakers and their works challenge our ideas about sexual freedom and identity In all of these films more than a dozen of which are covered here bisexuality is treated both as an actual practice

and a complex metaphor for a number of things including the need to adapt to changing environments the questioning of rigidly traditional male roles and identities the breakdown and regeneration of the structures of families the limitations of monogamy and the stubborn affirmation of romantic love

LGBTQ+ People and Dementia Sue Westwood, Elizabeth Price, 2023-08-07 Bringing together research policy and the voices of LGBTQ people with dementia this good practice guide highlights the importance of a person centred approach Care and support should recognise and validate different and often intersectional LGBTQ identities Readers are encouraged to move away from the idea of equality as treating everyone the same towards treating everyone as individuals The vast changes in the social and legal status of LGBTQ people through recent decades can uniquely affect their later lives Dementia services are often under prepared to meet their needs and there can be prejudice and discrimination Creating LGBTQ inclusive services can be challenging The book explains how to deal with these challenges giving lots of practical examples Food for thought sections offer opportunities for reflection Becoming more informed about LGBTQ lives and creating services which are LGBTQ inclusive will improve the experiences of LGBTQ people living with dementia and encourage the best possible quality care

Counselling Ideologies Lyndsey Moon, 2016-05-13 Counselling Ideologies draws our attention to the dilemmas inherent within the therapeutic ideologies commonly subscribed to by psychotherapists and counsellors working with those who challenge heteronormative models and approaches Identifying the modernist heteronormative understandings of the world implicit in the more popular models this book employs queer theory to challenge these ideologies drawing on disciplines both within and outside of counselling and psychology as well as sociology cultural studies and various ethnographic accounts It highlights the dilemmas faced by those who may wish to practise as queer therapists addressing not only therapeutic dilemmas but also issues such as identity race coming out experiences internalised homophobia empathy ethical issues bisexuality and pathologisation Comprising contributions from both academic experts and practitioners from the UK USA and Australia this book represents a new approach to counselling and psychotherapy that will appeal not only to sociologists and those working in the field of mental health but also to scholars of race and ethnicity gender queer studies and queer theory

Bisexual Lives Introduction

In today's digital age, the availability of Bisexual Lives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Bisexual Lives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Bisexual Lives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Bisexual Lives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Bisexual Lives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Bisexual Lives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Bisexual Lives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bisexual Lives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bisexual Lives books and manuals for download and embark on your journey of knowledge?
