Bishop Family Cookbook Anne Bishop,Tom Schenk,2010 *Kentucky's Cookbook Heritage* John van Willigen,2014-11-12 A Southern historian combs through Kentucky cookbooks from the mid nineteenth century through the twentieth to reveal a fascinating cultural narrative In Kentucky s Cookbook Heritage John van Willigen explores the

Bluegrass State's cultural and culinary history through the rich material found in regional cookbooks. He begins in 1839 with Lettice Bryan's *The Kentucky Housewife* which includes pre Civil War recipes intended for use by a household staff instead of an individual cook along with instructions for serving the family. Van Willigen also shares the story of the original Aunt Jemima, the advertising persona of Nancy Green, born in Montgomery County, Kentucky, who was one of many African American voices in Kentucky culinary history. Kentucky's Cookbook Heritage is a journey through the history of the commonwealth showcasing the shifting attitudes and innovations of the times. Analyzing the historical importance of a wide range of publications from the nonprofit and charity cookbooks that flourished at the end of the twentieth century to the contemporary cookbook that emphasizes local ingredients, van Willigen provides a valuable perspective on the state's social history.

Meals Fit for Bishops and Acolytes Cookbook St. Matthias Episcopal Church Women (Andrews, Tex.), 1978 **Prairie Avenue Cookbook** Carol Callahan, 1993 This enchanting cookbook by Carol Callahan allows us to reverse time and transcend space in order to enter a period and place in American history when confidence abounded and all things seemed possible, and some Chicago families were able to live in a manner never to be equaled. Judge for yourself: The thirty-five illustrations that accompany the text document what a grand life style it was. If you want to see the richest half dozen blocks in Chicago, drive down Prairie Avenue from Sixteenth Street to Twenty-second. Right there is a cluster of millionaires not to be matched for numbers anywhere else in the country. Chicago Herald, 1887. And the Herald wasn't guilty of braggadocio. Prairie Avenue was home to such august individuals as Marshall Field, George Pullman, Philip Armour, Gustavus Swift, William Kimball, Samuel Allerton, Joseph Sears, and John Glessner. Among the delights they enjoyed were the joys of the table; the recipes for which, preserved by family members, are shared here for the first time. Carol Callahan makes it possible to taste the flavors of that opulent era with a collection of more than two hundred historic recipes from the prominent nineteenth-century families of Prairie Avenue. All of the recipes have been tested and modernized for today's cook. They range from everything you might like for breakfast to, however you'd like, your oysters to snacks, soups, salads, entrées, preserves, desserts, and some power-packed Prairie Avenue party punches. To place these dishes in their proper context, Callahan includes family anecdotes gathered through oral history interviews that encompass food, meals, health, and entertainment, as well as other aspects of nineteenth-century Chicago life. Callahan devotes part of the book to discussions of the foods available to Prairie Avenue residents, the impact of the rapidly changing technology on cooking, the fine art of dining, the ritual of calling the problems and pleasures of servants in the household, the children of
