between the two men their relationship eventually came under strain Following Roosevelt s ascension to the presidency T R s desire to expand the social safety net while attempting to broaden the appeal of the Republican Party clashed with his older friend s more conservative partisan point of view Those tensions finally culminated in 1912 Lodge s refusal to support the former president s independent bid for a third presidential term led to a political break up that was only repaired by each man s hatred for the policies of Woodrow Wilson Despite their political disagreements Theodore Roosevelt and Henry Cabot Lodge remained devoted friends until the Rough Rider took his final breath on January 6 1919
