Bitch And The Bastard:

KinnPorsche (Novel) Vol. 1 Daemi,2024-10-01 Ever since the tragic death of his parents Porsche's life has been a balancing act between attending college and bartending to support his younger brother and pay off his deadbeat uncle's gambling debt. When he witnesses a gang of thugs attacking a handsome young man in the alley behind his bar, he's reluctant to intervene until he's offered fifty thousand baht to help the stranger escape. The stranger is known as Kinn, the second son of a notorious crime family. Impressed with Porsche's fighting skills, Kinn makes a proposition: if Porsche agrees to become his personal bodyguard, his debts will be absolved. Porsche doesn't want any trouble, especially not the kind of trouble Kinn deals in. But Kinn always gets what he wants.

The Anacostia Diaries: The Rants of a Madman Francwa Sims,2017-03 The Anacostia Diaries is an account like no other. Language Variety in the South Revisited Cynthia Bernstein,Thomas E. Nunnally,Robin Sabino,2014-01-22 Top linguists from diverse fields address language varieties in the South. *Language Variety in the South Revisited* is a comprehensive collection of new research on southern United States English by foremost scholars of regional language variation. Like its predecessor *Language Variety in the South: Perspectives in Black and White* (The University of Alabama Press, 1986), this book includes current research into African American vernacular English, but it greatly expands the scope of investigation and offers an extensive assessment of the field. The volume encompasses studies of contact involving African and European languages, analysis of discourse, pragmatic, lexical, phonological, and syntactic features, and evaluations of methods of collecting and examining data. The 38 essays not only offer a wealth of information about southern language varieties but also serve as models for regional linguistic investigation.

The Bitch and the Bastard Wendy Harris,2002-01-10 Pam and Janice, bitter rivals since schooldays, now work alongside each other for the same employer. Pam's having an affair with the boss, but this doesn't stop Jancie from flirting outrageously with him. There are plenty of hot and horny men around to fight over, however, including bad boy Flynn, who is after Pam big time. Whatever each of them has the other wants, and things come to a head in an uproar of cat-fighting and sexual bravado. Outrageously filthy sex and wild, wanton behaviour.
