

The background of the slide is a sepia-toned photograph of a Harvard building, likely a library or administrative building, with a wide walkway in the foreground. Several people are walking away from the camera on the path. The building has multiple stories with large windows and arched doorways. Trees are visible on the left side of the frame.

Bits Of Harvard History:

Bits of Harvard History Samuel Francis Batchelder, 1924 *Anglophilia* Elisa Tamarkin, 2008-11-15 *Anglophilia* charts the phenomenon of the love of Britain that emerged after the Revolution and remains in the character of U S society and class the style of academic life and the idea of American intellectualism But as Tamarkin shows this Anglophilia was more than just an elite nostalgia it was popular devotion that made reverence for British tradition instrumental to the psychological innovations of democracy Anglophilia spoke to fantasies of cultural belonging polite sociability and finally deference itself as an affective practice within egalitarian politics Tamarkin traces the wide ranging effects of anglophilia on American literature art and intellectual life in the early nineteenth century as well as its influence in arguments against slavery in the politics of Union and in the dialectics of liberty and loyalty before the civil war By working beyond narratives of British influence Tamarkin highlights a more intricate culture of American response one that included Whig elites college students radical democrats urban immigrants and African Americans Ultimately Anglophila argues that that the love of Britain was not simply a fetish or form of shame a release from the burdens of American culture but an anachronistic structure of attachment in which U S Identity was lived in other languages of national expression *Bits of Harvard History* Samuel F Batchelder, 2015-09-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Giant in the Shadows* Jason Emerson, 2012-03-27 *Giant in the Shadows* is the definitive biography of Robert T Lincoln 1843 1926 the oldest son of Abraham and Mary Lincoln and their only child to live past age eighteen Emerson after nearly ten years of research draws upon previously unavailable materials to cover Robert Lincoln s entire life in detail **The Life of Daniel Waldo Lincoln, 1784-1815** Rebecca M. Dresser, 2022-09-07 Placed within a comprehensive contextual historical narrative *The Life of Daniel Waldo Lincoln 1784 1815* offers a compelling portrait of one brilliant but compromised man s perspective of his changing times Daniel Waldo Lincoln the second son of Levi Lincoln a prominent Massachusetts Democratic Republican was destined to become a man of influence Born in 1784 equipped with wealth prestige a Harvard education powerful friends and a distinguished family name Lincoln ranked high among the inheritors of the Revolution whose purpose

was to protect the ideals of the nation's founders In over 250 private letters essays and poems beginning with his first day at Harvard in 1801 and ending just weeks before his death in 1815 Lincoln brings to readers a portrait of privilege as it careened into disappointment A young man active in Republican circles an orator and attorney in Worcester Portland Maine and Boston Lincoln comments on the politics honor religion the War of 1812 and his struggles with romance and alcohol Written for private eyes his letters are an unusually candid eyewitness account of early nineteenth century Massachusetts interwoven with his personal agonies This volume is of great use for students and scholars interested in life society and politics in nineteenth century America
