Bits Of The Beach:

Bits of the Beach Grace H. Gardner, 1961 **Wrecks on Welsh Beaches** TOM Bennett , At Low Tide especially after winter storms historic shipwrecks are to be seen on many UK beaches All can be visited on foot most seen without getting your feet wet This book describes the stories and details of some 35 that can be seen around the Welsh coast Two of them have not been positively identified but the author using his expertise as a wreck detective has suggested a name for the shipwreck All these shipwrecks are part of our cultural heritage Please respect them as historical monuments to our bygone maritime heritage They are like museum pieces that can be visited freely for us to ponder and learn from Some of these wrecks have lain in the sand for more than 200 years and if respected now should still be there in another 200 years

Living Beaches of the Gulf Coast Blair Witherington, Dawn Witherington, 2022-12-01 Texas Louisiana Mississippi Alabama and the Florida Panhandle beckon curious beachcombers with miles of wave swept Gulf coastline These beaches offer more than a sandy stroll amidst stunning scenery they are alive As ever changing ribbons of sand these beaches foster unique life forms and accept beguiling castaways from a vast marine wilderness Mysteries abound What is this odd creature Why does the beach look this way How did this strange item get here Living Beaches of the Gulf Coast satisfies a beachcomber s curiosity within a comprehensive yet easily browsed guide The guide is written in a familiar style and is illustrated with distribution maps and hundreds of color photos Accounts include beach anatomy coastal phenomena and shoreline animals plants and geology Hundreds of seashells are depicted as well as other interesting animals flowers historical structures beach sands and beach art The authors suggest a variety of beach scavenger hunts and recommend hints for beachcombing success **Living Beaches of Georgia and the Carolinas** Blair Witherington, Dawn Witherington, 2011-05-31 Living

Beaches of Georgia and the Carolinas satisfies a beachcomber s curiosity within a comprehensive yet easily browsed guide covering beach processes plants animals minerals and manmade objects Full color photos Maps *Florida's Living Beaches* Blair Witherington, 2017-05-01 The first edition of Florida s Living Beaches 2007 was widely praised Now the second edition of this supremely comprehensive guide has even more to satisfy the curious beachcomber including expanded content and additional accounts with more than 1800 full color photographs maps and illustrations It heralds the living things and metaphorical life along the state s 700 miles of sandy beaches The expanded second edition now identifies and explains over 1400 curiosities with lavishly illustrated accounts organized into Beach Features Beach Animals Beach Plants Beach Minerals and Hand of Man **Dollar Wreck** Tom Bennett , 2016-04-13 Thousands of silver cobs lie under the sands of Rhossili Tom

Bennett has investigated and found that the coins were traded for furs in New Amsterdam New York in 1639 The coins were part of a cargo on the Dutch West India Company ship Princess wrecked at Mumbles in 1647 Beaver furs red timber and the bodies of 80 souls were scattered across Swansea Bay and the wreck was salvaged by Squire Mansel of Henllys on the Gower

Discovering the Geology of Baja California Markes E. Johnson, 2009 Baja California wild desolate and a treasure house of

geological wonders Along its ancient shorelines careful observers can learn much about how the Gulf of California came into existence and what the future of the Baja California peninsula might be For those who wish to unlock the mysteries of Baja California geologist Markes Johnson offers the key He has taken a body of technical research on the geology and paleontology of the region and made it accessible in plain language for anyone who visits the peninsula whether for study or recreation His book teaches general concepts in coastal geomorphology and tectonics as well as the basic geological and natural history of the Gulf of California in a conversive intellectually stimulating fashion Johnson s guide takes the form of six day long hikes in the area of Punta Chivato on the east coast of the southern Baja California peninsula Punta Chivato is presented as a microcosm of the entire region it can enable visitors to better understand major themes in the natural history of the Gulf of California and its geological past All of the hikes begin at the southeast corner of the Punta Chivato promontory and loop out in different directions Each circuit is designed to minimize overlap with adjacent hikes and to maximize the visitor s exposure to instructive variations in the landscape Each chapter features additional reflections on a geologist of another time and place who has advanced the field in a way that elucidates the material covered in that chapter Through these asides readers will learn the basic lessons about how geologists read the secrets hidden in landscapes Discovering the Geology of Baja California invites visitors to these shores to explore not only rocks and fossils but also the continuum of past ecosystems with the ecology of the present It offers both an unparalleled guide to a remote area and a new understanding of life caught in an endless cycle of change

The River Beyond the Dam Jean L. Waight, 2023-03-30 A modern ex Christian tree hugging American woman comes up against a strange wish for church but only if it could be radically different from what she s known It would have to be one steeped in women s equality and freedom of thought Unexpectedly she finds herself on a journey like a canoe trip The journey will heal her past widen her present world and offer hope for the future Guided by her experiences in river canoeing navigating the river learning its currents and riding its sparkling energy her story unfolds through twelve years of pointed questions congenial fellow travelers and zesty discoveries She experiences firsthand what she cannot get from a solo journey including what it is to support Native Americans and how Black womanist theology can make her a better white ally of Black women Paddling the river she is helped around fallen trees of biblical mistranslation and anti woman dogma After a cold water crash she repairs her canoe and emerges joyful again with a new more flexible strength Looking ahead she follows clues about how the river is changing other churches renewing and making them better neighbors and climate activists
