

Bittersweet Wine

Mohammad H. Tamdgidi

Bittersweet Wine:

The Wine Etiquette Guide - Your Defense Against Wine Snobbery Chuck Blethen, 2014-09-05 Everything you need to know to live properly in the world of wine from how to properly hold a glass to how to toast at a wedding to how to properly evaluate wines in a restaurant Contains many educational Appendixes on related topics such as how to read wine labels from major wine producing regions around the world glossary of terms for winemakers and wine poetry Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 10: Khayyami Robaiyat: Part 3 of 3: Quatrains 686-1000: Songs of Joy Addressing the Question "Why Can Happiness Exist?" Mohammad H. Tamdgidi, 2024-10-25 Omar Khayyam's Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 10th volume subtitled Khayyami Robaiyat Part 3 of 3 Quatrains 686 1000 Songs of Joy Addressing the Question Why Can Happiness Exist Explained with New English Verse Translations and Organized Logically Following Omar Khayyam's Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 10 Tamdgidi offers the third of a three part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 3 includes quatrains 686 1000 for each of which the Persian original along with Tamdgidi's new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 686 1000 address the question Why Does or Can Happiness Exist The question is the third of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 3 continue the logically deductive reasoning process started in Part 2 but serve as practical examples of how humankind can turn the activity of poetry writing itself as a source of joy in life when confronting the topics of death survival and spiritual fulfillment The thematic topics of the quatrains of Part 3 as shared in Book 10 are XVIII Garden XIX Wine XX Love XXI Night XXII Death and Survival XXIII Liberation and XXIV Return Khayyam's overall sentiment in pursuing the inquiry in the third part of his book of poetry is expressive of joy He begins by showing using the example of his own poetry how strolling in a garden offers opportunities to enjoy it even when writing about the transient nature of the roses and greens He then offers in the longest section of his book a set of quatrains in praise of Wine disguising therein a praise of the joy of writing his own poetry Wine's metaphorical double meanings offering chances in the here and now of stealing joyfulness even when mistreated by his foes and amid feelings of helplessness in confronting physical death He then turns to the topic of spiritual Love signifying the role

the sentiment of Love in search of the Source of creation plays in the evolutionary process of the succession order of the created existence as discussed in his writings He continues to the topic of death and the possibility of lasting spiritual survival and existence by practically encouraging the Drinkers of the Wine of his poetry itself to help bring about that end He ends the Wine of his poetry by expressing how it has helped free himself from the prior in Part 1 doubtfully expressed inevitability of physical death in favor of not just hopefulness in Part 2 but the certainty of having initiated a lasting spiritual existence by way of the bittersweet Wine of his poetry itself celebrating a return to the spiritual Source of all existence as woven into the 1000 threaded wick of the candle of his Love for God We should therefore judge each step of the third part of Khayyam's poetic inquiry in consideration of the two other parts of his book of poetry those already shared in Books 8 and 9 addressing the questions Does Happiness Exist and What Is Happiness

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 9: Khayyami Robaiyat: Part 2 of 3: Quatrains 339-685: Songs of Hope Addressing the Question "What Is Happiness?" Mohammad H. Tamdgidi, 2024-10-25 Omar Khayyam's Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 9th volume subtitled Khayyami Robaiyat Part 2 of 3 Quatrains 339 685 Songs of Hope Addressing the Question What Is Happiness Explained with New English Verse Translations and Organized Logically Following Omar Khayyam's Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 9 Tamdgidi offers the second of a three part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 2 includes quatrains 339 685 for each of which the Persian original along with Tamdgidi's new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 339 685 address the question What Is Happiness The latter is the second of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 2 follow a logically deductive reasoning process through which Khayyam advances in the causal chain of moving from methodological to explanatory and practical quatrains by way of addressing the question noted above The thematic topics of the quatrains of Part 2 as shared in Book 9 are X The Drunken Way XI Willfulness XII Foes and Friends XIII Wealth XIV Today XV Pottery XVI Cemetery and XVII Paradise and Hell Khayyam begins with reflections on God's created world suggesting that its unitary existence cannot be understood using either or dualistic lenses where the ways of knowing by the head the heart and senses are pursued separately Instead he advocates building on the idea of the Wine

trope discovered in Part 1 a Drunken way by which he means a unitary way of knowing symbolized by the spiritual indivisibility of Wine in contrast to the fragmentations of the grapes He then embarks on a deductive method of emphasizing human willfulness also created by God offering humankind a chance for playing a creative role in shaping its own world Khayyam then continues to apply such an explanatory model in dealing with social matters having to do with foes friends and wealth leading him to advocate for the practical significance of stealing the chances offered in the here and now of today to transform self and society in favor of happier and more just outcomes Using the tropes of visiting the jug maker s shop and the cemetery he then emphasizes the need to maintain a wakeful awareness of the inevitability of one s physical death in order to use the opportunity of life to cultivate universal self awareness before it is too late that paradise and hell and judgment days are not otherworldly but realities of our here and now living He thus transcends the sentiment of a promised future hope by advising us to create a happy life in the cash of the here and now his own poetry itself being a means toward that end Part 2 must then be understood in consideration of the other two parts of his book of poetry one already shared in Book 8 addressing the questions Does Happiness Exist and the next to follow in Book 10 addressing the question Why Does or Can Happiness Exist

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 7: Khayyami Art Mohammad H. Tamdgidi, 2024-03-01 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a twelve book series of which this book is the seventh volume subtitled Khayyami Art The Art of Poetic Secrecy for a Lasting Existence Tracing the Robaiyat in Nowrooznameh Isfahan s North Dome and Other Poems of Omar Khayyam and Solving the Riddle of His Robaiyat Attributability Each book independently readable can be best understood as a part of the whole series In Book 7 Tamdgidi shares his updated edition of Khayyam s Persian book Nowrooznameh The Book on Nowrooz and for the first time his new English translation of it followed by his analysis of its text He then visits recent findings about the possible contribution of Khayyam to the design of Isfahan s North Dome Next he shares the texts and his new Persian where needed and English translations and analyses of Khayyam s other Arabic and Persian poems Finally he studies the debates about the attributability of the Robaiyat to Omar Khayyam Tamdgidi verifiably shows that Nowrooznameh is a book written by Khayyam arguing that its unreasonable and unjustifiable neglect has prevented Khayyami studies from answering important questions about Khayyam s life works and his times Nowrooznameh is primarily a work in literary art rather than in science tasked not with reporting on past truths but with creating new truths in the spirit of Khayyam s conceptualist view of reality Iran in fact owes the continuity of its ancient calendar month names to the way Khayyam artfully recast their meanings in the book in order to prevent their being dismissed given their Zoroastrian roots during the Islamic solar calendar reform underway under his invited direction The book also sheds light on the mysterious function of Isfahan s North Dome as a space revealing it as having been to serve as part of an observatory complex for the annual Nowrooz celebrations and leap year declarations

of the new calendar The North Dome to whose design Khayyam verifiably contributed and in fact bears symbols of his unitary view of a world created for happiness by God marks where the world's most accurate solar calendar of the time was calculated. It deserves to be named after Omar Khayyam not Taj ol Molk and declared as a cultural world heritage site. Nowrooznameh is also a pioneer in the prince guidance books genre that anticipated the likes of Machiavelli's The Prince by centuries the difference being that Khayyam's purpose was to inculcate his Iranian and Islamic love for justice and the pursuit of happiness in the young successors of Soltan Malekshah Iran is famed for its ways of converting its invaders into its own culture and Nowrooznameh offers a textbook example for how it was done by Khayyam. Most significantly however Nowrooznameh offers by way of its intricately multilayered meanings the mediating link between Khayyam's philosophical theological and scientific works and his Robaiyat showing through metaphorical clues of his beautiful prose how his poetry collection could bring lasting spiritual existence to its poet posthumously. Khayyam's other Arabic and Persian poems also provide significant clues about the origins the nature and the purpose of the Robaiyat as his lifelong project and magnum opus. Tamdgidi argues that the thesis of Khayyam's Robaiyat as a secretive artwork of quatrains organized in an intended reasoning order as a book of life serving to bring about his lasting spiritual existence can solve the manifold puzzles contributing to the riddle of his Robaiyat attributability. He posits and in the forthcoming volumes of this series will demonstrate that the lost quatrains comprising the original collection of Robaiyat have become extant over the centuries such that we can now reconstruct by way of solving their 1000 piece jigsaw puzzle the collection as it was meant to be read as an ode of interrelated quatrains by Omar Khayyam.

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 8: Khayyami Robaiyat: Part 1 of 3: Quatrains 1-338: Songs of Doubt Addressing the Question "Does Happiness Exist?" Mohammad H. Tamdgidi, 2024-10-25 Omar Khayyam

s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 8th volume subtitled Khayyami Robaiyat Part 1 of 3 Quatrains 1 338 Songs of Doubt Addressing the Question Does Happiness Exist Explained with New English Verse Translations and Organized Logically Following Omar Khayyam s Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 8 Tamdgidi offers the first of a 3 part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 1 includes quatrains 1 338 for each of which the Persian original along with Tamdgidi s new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 1 338 in the beginning 30 of which Khayyam offers an opening to his book of poetry as a secretive work of art address the question Does Happiness Exist The latter question is the first of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 1 follow a logically inductive reasoning process through which Khayyam delves from the surface portraits of unhappiness to their deeper chain of causes in order to answer his question The thematic topics of the quatrains of Part 1 as shared in Book 8 are I Secret Book of Life II Alas III Times IV Spheres V Chance and Fate VI Puzzle VII O God VIII Tavern Voice and IX O Wine Tender After the opening quatrains where Khayyam explains why he was composing a secretive book of poetry and what it aims to do his inquiry starts with doubtful existential self reflections on his life leading him to first blame his times then the spheres then matters of chance and fate soon realizing that he really does not have an explanation for the enigmas of existence concluding that the answer only lies with God So he appeals to God directly for an answer It is then that he hears the voice of the Saqi or Wine Tender from his inner tavern to whom he replies in a series of quatrains closing Part 1 It is in the course of the inquiry in Part 1 that the idea of using Wine as a poetic trope is discovered by him a matter that is separate from his interest in drinking wine which he never denies but is secondary to the spiritual Wine discovered and advanced in his book of poetry that in fact represents his poetry the Robaiyat itself and its promise in answering his questions The logical order of Khayyam s inquiry shows how seemingly contradictory views that have been attributed to him can in fact be explained as logical moments in the successively deeper inquiries he makes inductively when addressing the question whether happiness exists in the created world We should therefore judge each quatrain as a logical moment in Part 1 s inquiry as a whole in anticipation of the two remaining parts of his book of poetry to be shared in Books 9 and 10 of the series respectively addressing the two follow up questions What Is Happiness and Why Does or Can Happiness Exist

Italy's Most Wanted™ Luciano Mangiafico,2007-11-01 Italy has always captivated the imagination of foreigners attracted many to its shores and contributed more than its share to world culture and progress not to mention its delectable cuisine A small country it is about 116 000 square miles or roughly less than half the size of Texas But despite its relative small size during the Roman Empire its rulers dominated the Western world both politically and culturally for several hundred years During the Dark Ages monks kept the flicker of knowledge and culture alive and during the Renaissance while politically weak and divided it was the birthplace and the European cradle of the arts and humanism In the nineteenth century its music in the form of opera reigned supreme while the country ejected foreign rulers and established its independence Italy s influence continues today Luciano Mangiafico captures all that and more with fifty chapters on Italian culture cuisine and history Italy s Most Wanted provides a wonderful look for tourists to be those who have visited Italy and those who have come from Italy Italy still sings its siren song to lovers of the Italian Way of Life the world over Listen to the song and learn the words with Italy s Most Wanted

The Imbible Micah LeMon,2017-10-10 Micah LeMon had one slight problem when he started bartending nearly twenty years ago he had no idea what he was doing Mixology he came to understand is based on principles that are indispensable but not widely known In The Imbible LeMon shares the knowledge he has gained over two decades so that even beginning bartenders can execute classic cocktails and riff on those classics to create originals of their own A good cocktail is never a random concoction LeMon introduces readers to the principal components of every drink spirit sweet and sour or bitter and explains the role each plays in bringing balance to a beverage Choosing two archetypes the shaken Daiquiri and the stirred Manhattan he shows how bartenders craft delicious variations by beginning with a good foundation and creatively substituting like ingredients Lavishly illustrated in color and laid out in an inviting and practical way The Imbible also provides a thorough overview of the bartender s essential tools and techniques and includes recipes for over forty drinks from well executed classics to original creations exclusive to this book Both a lesson for beginners and a master class for more experienced bartenders LeMon s book opens the door to endless variations without losing sight of the true goal to make a delicious cocktail

Bittersweet Leslie Li,1992 Bittersweet tells the life story of Li Xuewen wife of the first democratically elected vice president of China who began her life as the unwanted fourth daughter of a peasant farmer and rose in prestige and fortune to become the number one wife of a brilliant military hero Her story reveals a scope of history and changes in Chinese culture that few Westerners have glimpsed Inspired by the events of her grandmother s life the author engages the reader in an engrossing novel about love and war and the indomitable spirit of a woman determined to keep her family and self respect intact

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 12: Khayyami Legacy: The Collected Works of Omar Khayyam (AD 1021-1123) Culminating in His Secretive 1000

Robaiyat Autobiography Mohammad H. Tamdgidi,2025-06-10 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 12th subtitled Khayyami Legacy The Collected Works of Omar Khayyam AD 1021 1123 Culminating in His Secretive 1000 Robaiyat Autobiography Book 12 condenses the series and its findings in a single volume This is the first time since Khayyam s passing that all his extant works have been compiled in one publication series and volume and studied integratively accomplished just in time for the millennium of his true birth date and the ninth centennial of his true date of passing It includes two forewords one by Winston E Langley Professor Emeritus of Political Science and International Relations and former Provost of UMass Boston and another by Jafar Aghayani Chavoshi Professor of History of Science and Mathematics at Sharif University of Technology in Tehran The original texts are included with their new English and where needed updated or new Persian translations The preface recaps how a method in quantum sociological imagination helped solve the riddles of Khayyam s life and works in the series The introduction delineates this series findings toward a scientifically reliable biography of Khayyam including a critical commentary on how Edward FitzGerald s Rubaiyat colonially distorted Khayyam s Robaiyat and Islamic

legacy Three other chapters are also shared one on how Khayyam's true dates of birth and passing were discovered and reconfirmed in this series including further notes on Swami Govinda Tirtha's errors in studying Khayyam's birth horoscope for the purpose another on integratively viewing astronomy and its relation to astrology amid all of Khayyam's works and a third on the role he played in the design of Isfahan's North Dome Khayyam's studied writings are his treatise on the science of the universals of existence his annotated Persian translation of Avicenna's Splendid Sermon on God's unity and creation his treatise on the created world and worship duty his three part treatises on existence 1 on the necessity of contradiction determinism and survival 2 on attributes and 3 on the light of intellect on existent as the subject matter of universal science his treatise on soul's survival necessity of accidents and nature of time his treatise in music on tetrachords his two treatises on balance his treatise on circle quadrant for achieving a certain proportionality his treatise in algebra and equations his treatise on Euclid's postulation problems his literary treatise Nowrooznameh and his secretive autobiography the Robaiyat comprised of 1000 quatrains logically organized based on his own three phased method of inquiry This series has found the answer to its question about the origins nature and purpose of the Robaiyat in Khayyam's life and works Lifelong he was secretly writing his Robaiyat as his book of life his autobiography for posthumous release His poetic pen name Khayyam tentmaker had been inspired by his dazzling birth chart By re sewing in this series his autobiographical tent of wisdom as a Tavern serving the spiritual Wine of his poetry we have advanced from knowing little about his life to reading his most intimate autobiography But the Robaiyat is not just a private autobiography it is also a sociologically imaginative and poetic public telling of humanity's search for a universal healing Iran's appreciation of Omar Khayyam's legacy can be best judged not by the physics of his burial sites traditionally humble or artistically modern but by the role Iranians themselves have played since his time in safeguarding his works especially in the poetic bricks and mortars of the human architecture of his own secretly designed and designated everlasting tomb

REVIEWS a masterpiece in Omar Khayyam studies Jafar Aghayani Chavoshi Ph D University of Paris 1997 Professor of Philosophy of Science at Sharif University of Technology Tehran Iran specializing in Philosophy Epistemology and History of Mathematics and Science and in Omar Khayyam Studies From his Foreword to the last book of the Omar Khayyam's Secret series Tamdgidi having taken his readers through the first eleven books of his Omar Khayyam's Secret series in book twelve consistent with good teaching offers an overview of what had already been covered by the series as he does in each of its successive books He does more He discusses the scientific requirements for the study of Khayyam's biography and then he proceeds to depict the new findings of the series that make possible a textually and historically more reliable biography for Khayyam Both with distinction he has achieved The series is a most admirable example of teaching at its best Tamdgidi is but an expert guide in a journey of joint learning and teaching nowhere except in the concluding book including his notes on the biography of Omar Khayyam is it conclusory He patiently anticipates and works with the reader to grapple with issues so there are common discoveries At times he and his readers

are detectives with moments of sudden insights realizations and inspiration Indeed for this reader who was exposed at an early age to Khayyam through the work of Edward FitzGerald encountering this series was like the astronauts who experienced seeing the Earth for the first time from outer space It was nothing I could have imagined from prior experience Every college library should at least secure a copy of the last synoptic volume of the series and every research library should have the entire series as one of its prized acquisitions and holdings The claim or assertion respecting the likely longevity of the series and its importance to libraries and by implication scholars is not made lightly and it is in no way an exaggeration A study of its methodology its findings the significance of those findings for the universe of learning of the skills dedication and sacrifices the author brought to bear on the work and of the approach observed to help readers grapple with and understand what is being disclosed attests a rich body of corroborating testimony to the assertion Winston E Langley Professor Emeritus of Political Science From his Foreword to the last book of the Omar Khayyam s Secret series

the book is finally available to English readers worldwide In this his first novel Beer portrays the world of a deeply religious community in Jerusalem during the author's childhood and adolescence in the 1950s and 60s The novel is filled with vivid portraits of eccentric Jerusalem characters chief among them the book's main character Mordecai Leder who dreams of founding a utopian colony based on the theories of the nineteenth century Viennese Jewish thinker Karl Popper Lynkeus Similar high flying dreams inspire the family of the narrator strict Orthodox Jews with impractical minds and adventurous souls men such as the narrator's father who periodically disappears from home on botanical expeditions meant to prove that the willow tree of Scripture is in fact the Australian eucalyptus Experimental in structure and mood Feathers features kaleidoscopic jumps in time back and forth in the narrator's memories from boyhood to adulthood Its moods swing wildly from hilarity to the macabre from familial warmth to the loneliness of adolescence Jerusalem and its inhabitants as well as the emotional life of the narrator are splintered and reconstituted shattered and patched This fragmentation combined with a preoccupation with death and physical dissolution and dreamlike flights of imagination evokes an Israeli magical realism Feathers was chosen one of the 100 Greatest Works of Modern Jewish Literature by the National Yiddish Book Center

Dark Things David Humphrey Sr,2005-06-01 A quiet and historic neighborhood in Washington D C is the setting for this supernatural thriller This fantastic tale of the world we cannot see the spiritual world takes us into the life of rape victim Virginia Sills and the forces of evil that are fighting to gain her soul **The Honeymoon Car** Eugene

Nordstrom,2005-06-29 The Honeymoon Car is a love story about two couples decades apart who are drawn together in an extraordinary way Out of the mists of time a pristine Packard Super 8 pulls up to the main entrance of a fashionable lakeside resort How could curious onlookers know its young passengers have come from a wedding that occurred fifty three years earlier From their own tragic experiences with loss Larry and Molly Hill have learned how love can heal Now possessing a revelation powerful enough to even survive death they have returned with a message that can change troubled lives forever

Ye Olde Mardi grasÕ Melancholy! Mark E. T. Piotrowski,2010-04-13 Tis thy original scripted playage and quilt by thee in thine gifted literary style of William Shakespeare to where yonder readers whilst travel back to thee time of France's King Francis thy First's royal court and experience such comedic entertainment on thy pages which hast never been transcribed before A Teacher and a Poet Cy Blanca,2017-03-15 Shawnee County Kansas might not be the most accepting place for a

gay couple but boyfriends Antony James and Curtis Ramirez have made it their home Both of them work at Pauline Central Primary School and while Antony is content teaching Curt would rather pursue his passion poetry He plans to resign but he doesn't get the chance Working together has its risks and when a student witnesses Antony and Curt sneaking a kiss in the workroom they're reprimanded The school board's punishment is mild but some members of the community aren't willing to let the indiscretion go That small mistake could cost Antony and Curt their home or it could remind them that home is in the heart and as long as they stay strong in their love they'll always have a place to belong States of Love Stories of romance that

span every corner of the United States The Collected Poems and Selected Prose Stanley Burnshaw,2010-01-01 Stanley Burnshaw began to publish poems in the 1920s and founded his own verse journal in 1925 After serving as coeditor and drama critic of the New Masses weekly 1934 1936 he entered book publishing directing the Dryden Press until 1958 when he joined Henry Holt The first of his nineteen earlier works *Andr Spire and His Poetry* appeared in 1934 and the last in 1990 A Stanley Burnshaw Reader with an introduction by Denis Donoghue The present volume the definitive Burnshaw collection offers all the poems he wishes to preserve and a full representation of his prose including *My Friend My Father* in its entirety The Collected Poems and Selected Prose is vital reading for anyone wishing to be fully acquainted with the man whom Karl Shapiro called one of the best respected men of letters of our time **Dancing with the Moon** David Conlin McLeod,2003 Amy Cavanaugh is a mentally challenged 13 year old with dreams and wishes of being a ballerina Colette Paul Michelle is Amy s loving grandmother whose wish is only to keep her dark secrets from getting out At the source of these dark secrets is a amber hued jewel The Dragon s Tear a mysterious necklace that seems to threaten Amy and Colette s peaceful life in East River Amy and her grandmother s pleasant and peaceful life may come to an abrupt end when Colette s secrets are about to be revealed When a stranger from her distant past calls Colette out and threatens to take all that she holds precious will the Dragon s Tear alone be enough to protect Amy from Colette s hunters With the help of a few unique friends Colette must try to destroy the past that hunts her and save Amy s future *Cling to the Magic* Daveda Gruber,2009-06-29 This book is by far Daveda Gruber s best yet her eighth book This is a particularly amazing poetry book full of many styles all that are fully explained in glossary or just to read for pure enjoyment This is most definitely a well thought out book with pictures that gives host to a m lange of subjects Most of all it is a magical read This book has the beautiful wonders of life displayed in eloquent style and form that anyone will enjoy REVISED EDITION *Plentiful* Mike Taylor,2010-04 In the spring of 1882 James Meric and his pregnant wife Ivy had their lives changed forever Their belongings had been loaded onto a buckboard in the early morning hours as they were suddenly banished from their home in Virginia After several months of hardship in a perilous country they found the town of Plentiful nestled against the Eastern flank of the Rocky Mountains They had a new baby and renewed hope Others were coming to Plentiful and had their own reasons for making such a journey They would all be tested by the rugged magnificence of an untamed land and by the cunning minds of those who inhabit the lawless frontier Mike Taylor treats us to another fast paced novel about deceit redemption and unwavering belief Plentiful is a rich story told through its lively and robust characters who take us on a breathtaking ride where nothing is for sure not even the things we believe in
