The Listener ,1976 **Blacks at the Net** Sundiata Djata,2008-05-01 While much has been written about black triumphs in boxing baseball and other sports little has been said of similar accomplishments in tennis In this final volume of his ambitious and thorough examination of black achievement in international tennis Djata comprehensively fills that gap Exploring the discrimination that kept blacks out of pro tennis for decades he examines the role that this traditionally white sport played in the black community and provides keen insights into the politics of professional sports and the challenges faced by today s black players Drawing on original and published interviews life writings and newspaper articles Djata offers an in depth look at black participation in tennis in Europe Africa Australia and the Caribbean The author investigates how black African players broke through the color barrier of the South African apartheid using sport to gain international sympathy in the face of oppressive discrimination Djata s wide ranging history includes Aboriginal Australians and a chronicle of Yannick Noah s racial identity in the eyes of the French and the world **The Times Literary Supplement**

Index ,1940 **Slavery in the Cherokee Nation** Patrick Neal Mingos,2004-06 Exploring the dynamic issues of race and religion within the Cherokee Nation this text looks at the role of secret societies in shaping these forces during the 19th century Annual Report of the Directors and Officers of the Kansas State Penitentiary Kansas State Penitentiary, Lansing,1884 **Fishery Bulletin of the Fish and Wildlife Service** ,1958 **The Integration of Baseball in Philadelphia** Christopher Threston,2003-01-20 The release of Ken Burns documentary Baseball in 1994 and the commemoration of the 50th anniversary of Jackie Robinson s debut in the major leagues in 1997 once again brought attention to the integration of baseball Integration did not guarantee equality or even begin to solve baseball s race related struggles In some instances integration caused even more problems for the African American players and their white teammates This was the case in Philadelphia where among other discriminatory actions Phillies manager Ben Chapman instructed his players to verbally abuse Jackie Robinson This work examines how Philadelphia acquired a reputation as a tough place for African American players It follows the very slow and difficult progress of integration of the Philadelphia Phillies and Athletics Attempts to integrate Philadelphia baseball began being made as early as the 1860s and all of them proved futile until 1953 Those attempts and the reasons that they failed are discussed The book provides biographical and statistical information on some of the African American players who were confronted with discrimination and also looks at the white players managers coaches and front office personnel who were having a difficult time accepting African American players on their teams Report of the Commissioner for ... United States Fish Commission,1904 **A Calculus of Color** Robert Kuhn McGregor,2015-04-14 In 1947 as the integration of Major League Baseball began the once daring American League had grown reactionary unwilling to confront postwar challenges population shifts labor issues and above all racial integration The league had matured in the Jim Crow era when northern cities responded to the Great Migration by restricting

black access to housing transportation accommodations and entertainment while blacks created their own institutions including baseball s Negro Leagues As the political climate changed and some major league teams realized the necessity of integration the American League proved painfully reluctant With the exception of the Cleveland Indians integration was slow and often ineffective This book examines the integration of baseball widely viewed as a triumph through the experiences of the American League and finds only a limited shift in racial values The teams accepted few black players and made no effort to alter management structures and organized baseball remained an institution governed by tradition bound owners
