Black American Prose Writers Before The Harlem Renaissance:

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America [Impermanent Blackness](#) Korey Garibaldi, 2025-02-04 Revisiting an almost forgotten American interracial literary culture that advanced racial pluralism in the decades before the 1960s In *Impermanent Blackness* Korey Garibaldi explores interracial collaborations in American commercial publishing authors agents and publishers who forged partnerships across racial lines from the 1910s to the 1960s Garibaldi shows how aspiring and established Black authors and editors worked closely with white interlocutors to achieve publishing success often challenging stereotypes and advancing racial pluralism in the process *Impermanent Blackness* explores the complex nature of this almost forgotten period of interracial publishing by examining key developments including the mainstream success of African American authors in the 1930s and 1940s the emergence of multiracial children's literature postwar tensions between supporters of racial cosmopolitanism and of Negro literature and the impact of the Civil Rights and Black Power movements on the legacy of interracial literary culture By the end of the 1960s some literary figures once celebrated for pushing the boundaries of what Black writing could be including the anthologist W S Braithwaite the bestselling novelist Frank Yerby the memoirist Juanita Harrison and others were forgotten or criticized as too white And yet Garibaldi argues these figures at once dreamers and pragmatists have much to teach us about building an inclusive society Revisiting their work from a contemporary perspective Garibaldi breaks new ground in the cultural history of race in the United States

The Cambridge History of American Literature: Volume 6, Prose Writing, 1910-1950 Sacvan Bercovitch, Cyrus R. K. Patell, 1994 Volume 6 of *The Cambridge History of American Literature* explores the emergence and flowering of modernism in the United States David Minter provides a cultural history of the American novel from the lyric years to World War I through post World War I disillusionment to the consolidation of the Left in response to the mire of the Great Depression Rafia Zafar tells the story of the Harlem Renaissance detailing the artistic accomplishments of such diverse figures as Zora Neal Hurston W E B Du Bois Langston Hughes Nella Larsen and Richard Wright Werner Sollors examines canonical texts as well as popular magazines and hitherto unknown immigrant writing from the period Taken together these narratives cover the entire range of literary prose written in the first half of the twentieth century offering a model of literary history for our times focusing as they do on the intricate interplay between text and context

African-American Literature Paul Q. Tilden, 2003 Having its origins in the slave narratives and the folktales transmitted orally during that period the literature of the African American has been rich and varied Beginning with the first published work of fiction *Clotel Or the President's Daughter* in 1853 continuing under the influence of W E B Du Bois during the first part of this century and reaching a flowering during the Harlem Renaissance major contributions have been made to

Peculiar Passages Carol Allen,2005 This book features African American women playwrights from 1875 to 2000 with an emphasis on the late nineteenth century a period rarely treated in regard to women s drama Highlighting the lesser known Pauline Hopkins Angelina Weld Grimk Georgia Douglas Johnson Eulalie Spence and May Miller and the well known Zora Neale

Hurston Alice Childress Adrienne Kennedy and Ntozake Shange Peculiar Passages argues that these playwrights efforts define a tradition characterized by quick change mobility sensitivity to vernacular forms and dedication to intertextual dialogue Situating the plays within a broader context the book also connects them to minstrelsy the Passion Play and the Black Arts Movement Guide to Books on Black Americans G. P. Manat,1995 This book presents 2322 full citations of books from 1990 1993 including subject headings of books dealing with Black Americans Full author and subject indexes are provided for easy access to this compilation Entries cover topics as diverse as civil war history sports figures literature civil rights movies and television religion culture politics and government social life and customs arts and artists philosophy

Black American Prose Writers Before the Harlem Renaissance Harold Bloom,1994 Information on the thirteen most significant black American prose writers up to the early twentieth century featuring detailed biographies a wide selection of critical extracts and comprehensive bibliographies African American Authors, 1745-1945 Emmanuel S. Nelson,2000-01-30 There has been a dramatic resurgence of interest in early African American writing Since the accidental rediscovery and republication of Harriet Wilson s *Our Nig* in 1983 the works of dozens of 19th and early 20th century black writers have been recovered and reprinted There is now a significant revival of interest in the Harlem Renaissance of the 1920s and in the last decade alone several major assessments of 18th and 19th century African American literature have been published Early African American literature builds on a strong oral tradition of songs folktales and sermons Slave narratives began to appear during the late 18th and early 19th century and later writers began to engage a variety of themes in diverse genres A central objective of this reference book is to provide a wide ranging introduction to the first 200 years of African American literature Included are alphabetically arranged entries for 78 black writers active between 1745 and 1945 Among these writers are essayists novelists short story writers poets playwrights and autobiographers Each entry is written by an expert contributor and provides a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies The volume concludes with a selected general bibliography

The Concise Oxford Companion to African American Literature William L. Andrews,Frances Smith Foster,Trudier Harris,2001-02-15 A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major works including synopses of novels such as Harriet Jacobs s *Incidents in the Life of a Slave Girl* Richard Wright s *Native Son* and Lorraine Hansberry s *A Raisin in the Sun* It also incorporates information on literary characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown

and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women s clubs making it one of the most substantial guides available on the growing exciting world of African American literature *The Greenwood Encyclopedia of African American Literature: U-Z* Hans A. Ostrom,J. David Macey,2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher **Black American Prose Writers** Harold Bloom,2003 Provides biographical critical and bibliographical information *Harlem's Glory* Lorraine Elena Roses,Ruth Elizabeth Randolph,1996 In poems stories memoirs and essays about color and culture prejudice and love and feminine trials dozens of African American women writers some famous many just discovered give us a sense of a distinct inner voice and an engagement with their larger double culture Harlem s Glory unfolds a rich tradition of writing by African American women hitherto mostly hidden in the first half of the twentieth century In historical context with special emphasis on matters of race and gender are the words of luminaries like Zora Neale Hurston and Georgia Douglas Johnson as well as rare previously unpublished writings by figures like Angelina Weld Grimk Elise Johnson McDougald and Regina Andrews all culled from archives and arcane magazines Editors Lorraine Elena Roses and Ruth Elizabeth Randolph arrange their selections to reveal not just the little suspected extent of black women s writing but its prodigious existence beyond the cultural confines of New York City Harlem s Glory also shows how literary creativity often coexisted with social activism in the works of African American women This volume is full of surprises about the power and diversity of the writers and genres The depth the wit and the reach of the selections are astonishing With its wealth of discoveries and rediscoveries and its new slant on the familiar all elegantly presented and deftly edited the book will compel a reassessment of writing by African American women and its place in twentieth century American literary and historical culture Reference Guide to American Literature Thomas Riggs,2000 Concise discussions of the lives and principal works of American writers thinkers and cultural figures written by subject experts **Speaking the Other Self** Jeanne Campbell Reesman,2011-04-01 Exploring a variety of writers over an array of time periods subject matter race and ethnicity sexual preference tradition genre and style this volume represents the fruits of the dramatic and celebrated growth of the study of American women writers today From

established figures such as Harriet Beecher Stowe Edith Wharton Willa Cather and Katherine Ann Porter to emerging voices including early American novelist Tabitha Tenney the first African American novelist Harriet E Wilson modern dramatist Sophie Treadwell and contemporaries such as Sandra Cisneros Grace Paley and June Jordan the essays present fresh approaches and furnish a wealth of illustrations for the multiple selves created and addressed in women s writing These selves intersect and connect to embody a multiethnic rhetoric of the self that is uniquely feminine and uniquely American Calling attention to their American feminist rhetoric Jeanne Campbell Reesman identifies many connections among different feminist poststructuralist narratological and comparativist strategies The voices of *Speaking the Other Self* well represent the inner and outer speaking and hearing center and frame in women s writing in America their intersections constructing an ongoing conversation a borderland of new possibilities a borderland with no borders no barriers to thought and response and change no end of possible voices and selves

F.B. Eyes William J. Maxwell, 2016-12-06 How FBI surveillance influenced African American writing Few institutions seem more opposed than African American literature and J Edgar Hoover s white bread Federal Bureau of Investigation But behind the scenes the FBI s hostility to black protest was energized by fear of and respect for black writing Drawing on nearly 14 000 pages of newly released FBI files *F B Eyes* exposes the Bureau s intimate policing of five decades of African American poems plays essays and novels Starting in 1919 year one of Harlem s renaissance and Hoover s career at the Bureau secretive FBI ghostreaders monitored the latest developments in African American letters By the time of Hoover s death in 1972 these ghostreaders knew enough to simulate a sinister black literature of their own The official aim behind the Bureau s close reading was to anticipate political unrest Yet as William J Maxwell reveals FBI surveillance came to influence the creation and public reception of African American literature in the heart of the twentieth century Taking his title from Richard Wright s poem *The FB Eye Blues* Maxwell details how the FBI threatened the international travels of African American writers and prepared to jail dozens of them in times of national emergency All the same he shows that the Bureau s paranoid style could prompt insightful criticism from Hoover s ghostreaders and creative replies from their literary targets For authors such as Claude McKay James Baldwin and Sonia Sanchez the suspicion that government spy critics tracked their every word inspired rewarding stylistic experiments as well as disabling self censorship Illuminating both the serious harms of state surveillance and the ways in which imaginative writing can withstand and exploit it *F B Eyes* is a groundbreaking account of a long hidden dimension of African American literature

Richard Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of

those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics *The Lever of Riches* Joel Mokyr,1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation s creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity The Lever of Riches with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential
