Black Voices in Early Modern Spanish Literature, 1500-1750 Diana Berruezo-Sánchez, 2024-09-11 In this groundbreaking study Diana Berruezo Sánchez recovers key chapters in the history of Afro Iberian diasporas by exploring the literary contributions and life experiences of black African communities and individuals in early modern Spain From the sixteenth to the eighteenth centuries international trade involving chattel slavery led to significant populations of enslaved free d and half manumitted black African women men and children in the Iberian Peninsula These demographic changes transformed Spain s urban and social landscapes In exploring Spain s role in the transatlantic slave trade and its effects on cultural forms of the period Berruezo Sánchez examines a broad range of texts and unearths new documents relating to black African poets performers and black confraternities Her discoveries evince the broad yet largely disregarded literary and artistic impact of the African diaspora in early modern Spain expanding the scope of linguistic practices beyond habla de negros and creating space for early modern black poets in the Spanish literary canon These textual sources challenge established understandings of black Africans and black African history in early modern Spain They show how black Africans exerted significant cultural agency by collectively contributing to and shaping the literary texts of the period including those of the popular genre villancicos de negros and by developing artistic traditions as musicians dancers and poets As both creators and consumers of cultural forms black African men and women navigated a restrictive coercive slave society yet negotiated their own physical and cultural spaces

[Blacks of the Rosary](#) Elizabeth W. Kiddy, 2007-03-30 Blacks of the Rosary tells the story of the Afro Brazilian communities that developed within lay religious brotherhoods dedicated to Our Lady of the Rosary in Minas Gerais It shows how these brotherhoods functioned as a social space in which Africans and their descendants could rebuild a communal identity based on a shared history of an African past and an ongoing devotional practice thereby giving rise to enduring transnational cultures that have survived to the present day In exploring this intersection of community identity and memory the book probes the Portuguese and African contributions to the brotherhoods in Part One Part Two traces the changes and continuities within the organizations from the early eighteenth century to the end of the Brazilian Empire and the book concludes in Part Three with discussion of the twentieth century brotherhoods and narratives of the participants in brotherhood festivals in the 1990s In a larger sense the

book serves as a case study through which readers can examine the strategies that Afro Brazilians used to create viable communities in order to confront the asymmetry of power inherent in the slave societies of the Americas and their economic and social marginalization in the twentieth century **Hearings** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1966 Considers the efficacy and constitutionality of various proposals for identifying American communists and placing limits on their activities pt 5 Explores internal security problems related to allegedly subversive activities of black nationalist groups in Cleveland Ohio pt 6 Explores internal security problems related to Communist Party activities and considers proposals to centralize Federal government internal security procedures pt 7 Considers DOD industrial personnel security clearance program and general impact of subversive activities on the nation **The Path of Christ or Antichrist** Mark L. Prophet,Elizabeth Clare Prophet,2020-08-20 Who is Christ Who is Antichrist Both are present in the world as well as within ourselves How do we tell them apart especially when the strategies of Antichrist are subtle and calculated to deceive The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life to be or not to be who we really are This is a choice we affirm with each decision large or small that we make in life The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self mastery They offer new interpretations of the age old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing
