Black Butterflies A Flock On The Dark Side:

Black Butterflies John Shirley, 2015-11-04 This collection of gritty and intense short stories compares the horrors of the real world to those of the supernatural Winner of the Bram Stoker Award the International Horror Guild Award and a Publishers Weekly Best Book of the Year

A Companion to Science Fiction David Seed, 2008-04-15 A Companion to Science Fiction assembles essays by an international range of scholars which discuss the contexts themes and methods used by science fiction writers This Companion conveys the scale and variety of science fiction Shows how science fiction has been used as a means of debating cultural issues Essays by an international range of scholars discuss the contexts themes and methods used by science fiction writers Addresses general topics such as the history and origins of the genre its engagement with science and gender and national variations of science fiction around the English speaking world Maps out connections between science fiction television the cinema virtual reality technology and other aspects of the culture Includes a section focusing on major figures such as H G Wells Arthur C Clarke and Ursula Le Guin Offers close readings of particular novels from Mary Shelley's *Frankenstein* to Margaret Atwood's *The Handmaid's Tale*

Living Shadows John Shirley, 2013-10-07 One of the darkest edgiest boldest writers around John Shirley lays down an adrenalized yet artful prose that fairly skids across the page dragging the reader along into shadowed corners of terror and desire Yet while it's thrilling there's psychological depth too as Shirley bores into the brains of his characters revealing the motivations of those who walk on the wild side Many writers extrapolate from peripheral observation and research but John Shirley's stories come from personal experience with extreme people and extreme mental states and his struggle with the seductions of addiction On the streets in the midst of darkest suburbia or just beyond consensus reality Shirley brings the shadows to vivid life

Take My Advice James L. Harmon, 2002 For the Class of 2002 comes a smart and edgy collection of words to the wise from Spalding Gray Fay Weldon Tom Robbins and dozens more of the most creative and visionary people on the planet 50 photos throughout
