To Tell a Black Story of Miami Tatiana D. McInnis, 2022-12-13 How portrayals of anti Blackness in literature and film challenge myths about South Florida history and culture In this book Tatiana McInnis examines literary and cultural representations of Miami alongside the city's material realities to challenge the image of South Florida as a diverse cosmopolitan paradise McInnis discusses how this favorable melting pot narrative depends on the obfuscation of racialized violence against people of African descent Analyzing novels short stories and memoirs by Edwidge Danticat M J Fiebre Carlos Moore Carlos Eire Patricia Stephens Due and Tananarive Due as well as films such as *Dawg Fight* and *Moonlight* McInnis

demonstrates how these creations push back against erasure by representing the experiences of Black Americans and immigrants from Caribbean nations McInnis considers portrayals of state sanctioned oppression residential segregation violent detention of emigres and increasing wealth gaps and concludes that celebrations of Miami s diversity disguise the pervasive adaptive nature of white supremacy and anti Blackness To Tell a Black Story of Miami offers a model of how to use literature as a primary archive in urban studies It draws attention to the similarities and divergences between Miami s Black diasporic communities a historically underrepresented demographic in popular and scholarly awareness of the city Increasing understanding of Miami s political social and economic inequities this book brings greater nuance to traditional narratives of exceptionalism in cities and regions Publication of this work made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

Billy Graham and the Rise of the Republican South Steven P. Miller, 2009-04 While spreading the gospel around the world through his signature crusades internationally renowned evangelist Billy Graham maintained a visible and controversial presence in his native South a region that underwent substantial political and economic change in the latter half of the twentieth century In this period Graham was alternately a desegregating crusader in Alabama Sunbelt booster in Atlanta regional apologist in the national press and southern strategist in the Nixon administration Billy Graham and the Rise of the Republican South considers the critical but underappreciated role of the noted evangelist in the creation of the modern American South The region experienced two significant related shifts away from its status as what observers and critics called the Solid South the end of legalized Jim Crow and the end of Democratic Party dominance Author Steven P Miller treats Graham as a serious actor and a powerful symbol in this transition an evangelist first and foremost but also a profoundly political figure In his roles as the nation s most visible evangelist adviser to political leaders and a regional spokesperson Graham influenced many of the developments that drove celebrants and detractors alike to place the South at the vanguard of political religious and cultural trends He forged a

path on which white southern moderates could retreat from Jim Crow while his evangelical critique of white supremacy portended the emergence of color blind rhetoric within mainstream conservatism Through his involvement in the Eisenhower and Nixon administrations as well as his deep social ties in the South the evangelist influenced the decades long process of political realignment Graham s public life sheds new light on recent southern history in all of its ambiguities and his social and political ethics complicate conventional understandings of evangelical Christianity in postwar America Miller s book seeks to reintroduce a familiar figure to the narrative of southern history and in the process examine the political and social transitions constitutive of the modern South

The Oxford Encyclopedia of African Thought Abiola Irele, 2010 From St Augustine and early Ethiopian philosophers to the anti colonialist movements of Pan Africanism and Negritude this encyclopedia offers a comprehensive view of African thought covering the intellectual tradition both on the continent in its entirety and throughout the African Diaspora in the Americas and in Europe The term African thought has been interpreted in the broadest sense to embrace all those forms of discourse philosophy political thought religion literature important social movements that contribute to the formulation of a distinctive vision of the world determined by or derived from the African experience The Encyclopedia is a large scale work of 350 entries covering major topics involved in the development of African Thought including historical figures and important social movements producing a collection that is an essential resource for teaching an invaluable companion to independent research and a solid guide for further study

A War Born Family Kori A. Graves, 2020-01-28 The origins of a transnational adoption strategy that secured the future for Korean black children The Korean War left hundreds of thousands of children in dire circumstances but the first large scale transnational adoption efforts involved the children of American soldiers and Korean women Korean laws and traditions stipulated that citizenship and status passed from father to child which made the children of US soldiers legally stateless Korean black children faced additional hardships because of Korean beliefs about racial purity and the segregation that structured African American soldiers lives in the military and throughout US society The African American families who tried to adopt Korean black children also faced and challenged discrimination in the child welfare agencies that arranged adoptions Drawing on extensive research in black newspapers and magazines interviews with African American soldiers and case notes about African American adoptive families *A War Born Family* demonstrates how the Cold War and the struggle for civil rights led child welfare agencies to reevaluate African American men and women as suitable adoptive parents advancing the cause of Korean transnational adoption

Race for Revival Helen Jin Kim, 2022 *Race for Revival* retells the story of modern American evangelicalism through its relationship with South Korea Employing a bilingual and bi national approach Helen Jin Kim reexamines the narrative of modern evangelicalism through an innovative transpacific framework offering a new lens through which to understand evangelical history from the Korean War to the rise of Ronald Reagan

American Social Movements Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women s equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice

Social Change And The Middle Classes Tim Butler, Mike Savage, 2013-11-05 First Published in 1995 The study of the middle classes actually poses a variety of interesting challenges Traditionally the social scientific gaze has been directed either downwards to the working classes the poor and the dispossessed or upwards to the wealthy and powerful For all these reasons a collection of original papers on various aspects of the British middle classes seems an important venture that will cast valuable light on the course of social change in Britain more generally This book is designed to bring together a series of accessible high quality research papers on various aspects of the British middle classes

Television in Black-and-white America Alan Nadel, 2005 La couverture indigne Alan Nadel s new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like The Rebel s Johnny Yuma reincarnating Southern values and Bonanza s Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation s mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands

The Oxford Handbook of African American Citizenship, 1865-Present Henry Louis Gates, Jr., 2012-05-24 Collection of essays tracing the historical evolution of African American experiences from the dawn of Reconstruction onward through the perspectives of sociology political science law economics education and psychology As a whole the book is a systematic study of the gap between promise and performance of African Americans since 1865 Over the course of thirty four chapters contributors present a portrait of the particular hurdles faced by African Americans and the distinctive contributions African Americans have made to the development of U S institutions and culture From publisher description

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public
