Paden,1989-07-17 Black Africa presents political economic and social data for 41 black African nations The first edition was
published in 1972 and included only data on 32 countries which was the total number of independent African nations at that
time Enlarging on the first edition this second edition covers in detail important aspects of the countries included from
demography to political development and social mobilization to a modern comparative analysis of African states Black Africa
is a complete and comprehensive handbook The first edition of Black Africa won a Book of the Year Award from the American
Library Association **Black Africa Parts 1 and 2** Russell Warren Howe,1966 **Precolonial Black Africa** Cheikh Anta
Diop,1987 Diop compares the political and social systems of Europe and black Africa from antiquity to the formation of
modern states Throughout his intent is not to provide a history as such but rather guidelines for historians and others who
seek a scientific understanding of precolonial societies in Africa the Mediterranean and Europe and their links with the
earliest known stages of human development Students and scholars of Africa and world history will be challenged by Diop s
original thought controversial analysis of the similarities and striking differences between black Africa and the West Back
