Christine Arce unravels the stunning paradox evident in the simultaneous erasure in official circles and ongoing fascination in the popular imagination with the nameless people who both define and fall outside of traditional norms of national identity The book traces the legacy of these extraordinary figures in popular histories and legends, the Inquisition ballads such as *La Adelita* and *La Cucaracha*, iconic performers like *To a la Negra* and musical genres such as the *son jarocho* and *danza* This study is the first of its kind to draw attention to art's crucial role in bearing witness to the rich heritage of blacks and women in contemporary México **Us / Them**, 2021-11-22 *Don't Be Afraid Son*. Billy Guajardo, 2023-06-11 *Don't Be Afraid Son* Gunfighter's Graveyard If you like an Old Western Horror Gunfighter Novel with over 100,000 words Then this book would be a good find It came in a four book series based on four different town scenarios Different lawmen and evil gunmen will find one another in a gunfight to the death Each will wake from a coma, dark deep sleep or be sent back by the devil that made him raise his gun in the first place against good A graveyard on the hill in town wakes After a storm hit the town that same night One grave began to wake with a hand blanketed in mud One hand then the other grabbed the wet mud, earth or a branch on a tree in the ground He crawled to his feet in old cowboy muddy boots A tall dark man stood in the drizzling rain and his head tilted back His stare on the night stars in the skies The mud, dirt and decaying tissue fell from his face and hands One other began to rise from the same graveyard behind him He stared at the same night sky as if something spoke to him from a place in between heaven and earth One of them opened his arms Each palm lifted and opened high in the dark He opened his mouth to wash death still lingering on his tongue and lips One other gunfighter crawled to his feet through the drizzling rain Each gunfighter took a deep breath for the first time since he died huuu Three men in dark cowboy boots and clothes take that first breath that opens his eyes in a bulge Three Gunfighters Leave the cemetery behind the first gunfighter that left the wet Earth The first gunfighter growls in the direction of the Town toward the bottom of the Hill I will be there soon Townspeople As a faint heartbeat begins His chest began to pulsate with heartbeats slowly His heartbeat told the other men that their hearts would also be beating Each footstep's heel on his boot kicked at the ground One gunfighter behind the other pretends to tiptoe into town as the drizzling rain covers them like a blanket Each gunfighter covers his head with a hat and long coat to keep the water from splashing against his chest Each man wore a black hat, a long shin length coat and cowboy boots Beneath he wore a blue jean shirt and pants Some are darker than others The third cowboy with long chocolate

brown shoulder length hair stares forward in a baby blue dead eyed stare One behind the other they vanish in a cloud of drizzling rain Behind them on the other half of the cemetery One other had risen through the wet mud earth He also crawled to his feet in a pair of black cowboy boots A Shiny Gun Badge and a Winchester lay on the wet mud A man in a Marshall s Badge in Dark Brown Leather lifts it off the wet ground One other man with a Badge followed the Marshall One after him also crawled to his feet They begin to leave the cemetery like the other men before them They reach the road that leads into town The rain cleansed Each in a Badge on the way into the town Each with a hat Winchester at his side and a shiny gun The sound of a Stagecoach made them listen and look A Stagecoach hidden in the drizzling rain made them stare into the falling rain The sound of a hyena laughing inside made Law Men Reach for his Rifle The sound of wicked men rose from a stagecoach as it drew closer I m coming to town Marshall I ll be waiting Gunfighter I will bring a few friends I will too Will see which one of us will reach the Gunfighter s Graveyard I will be waiting like I do every 58 years of lawman Come out and play Marshall sheriff and do not forget to bring your deputies We will be waiting Did I shoot the sheriff haha Of course I did It was me The stagecoach hidden in the falling rain roared by as a sound of a hyena laughing left them in awe It continued to roar toward the town in the falling rain and vanishes

Witchcraft, Demonology and Magic Marina Montesano, 2020-05-20

Witchcraft and magic are topics of enduring interest for many reasons The main one lies in their extraordinary interdisciplinarity anthropologists folklorists historians and more have contributed to build a body of work of extreme variety and consistence Of course this also means that the subjects themselves are not easy to assess In a very general way we can define witchcraft as a supernatural means to cause harm death or misfortune while magic also belongs to the field of supernatural or at least esoteric knowledge but can be used to less dangerous effects e g divination and astrology In Western civilization however the witch hunt has set a very peculiar perspective in which diabolical witchcraft the invention of the Sabbat the persecution of many thousands of mostly female and sometimes male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft This Special Issue of Religions dedicated to Witchcraft Demonology and Magic features nine articles that deal with four different regions of Europe England Germany

Hungary and Italy between Late Medieval and Modern times in different contexts and social milieus Far from pretending to offer a complete picture they focus on some topics that are central to the research in those fields and fit well in the current cumulative concept of Western witchcraft that rules out all mono causality theories investigating a plurality of causes The Cultural Politics of Colorblind TV Casting Kristen J. Warner,2015-06-05 This book fills a significant gap in the critical conversation on race in media by extending interrogations of racial colorblindness in American television to the industrial practices that shape what we see on screen Specifically it frames the practice of colorblind casting as a potent lens for examining the interdependence of 21st century post racial politics and popular culture Applying a production as culture approach to a series of casting case studies from American primetime dramatic television including ABC s Grey s Anatomy and The CW s The Vampire Diaries Kristen Warner complicates our understanding of the cultural processes that inform casting and expounds the aesthetic and pragmatic industrial viewpoints that perpetuate limiting or downright exclusionary hiring norms She also examines the material effects of actors of color who knowingly participate in this system and justify their limited roles as a consequence of employment and finally speculates on what alternatives if any are available to correct these practices Warner s insights are a valuable addition to scholarship in media industry studies critical race theory ethnic studies and audience reception and will also appeal to those with a general interest in race in popular culture *Playful Protest* Kristie Soares,2023-09-05 Pleasure based politics in Puerto Rican and Cuban pop culture Joy is a politicized form of pleasure that goes beyond gratification to challenge norms of gender sexuality race and class Kristie Soares focuses on the diasporic media of Puerto Rico and Cuba to examine how music public activist demonstrations social media sitcoms and other areas of culture resist the dominant stories told about Latinx joy As she shows Latinx creators compose versions of joy central to social and political struggle and at odds with colonialist and imperialist narratives that equate joy with political docility and a lack of intelligence Soares builds her analysis around chapters that delve into gozando in salsa music precise joy among the New Young Lords Party choteo in the comedy Qu Pasa U S A az car in the life and death of Celia Cruz dale as Pitbull s signature affect and Alexandria Ocasio Cortez s use of silliness to take seriously political violence Daring and original Playful Protest examines how Latinx creators resist the idea that joy only exists outside politics and activist struggle Music and Familiarity Elaine King,Helen M. Prior,2016-04-29 Familiarity underpins our engagement with music This book highlights theoretical and empirical considerations about familiarity from three perspectives listening musicology and performance Part I Listening addresses familiarity as it relates to listeners behaviour and responses to music specifically in regulating our choice and exposure to music on a daily basis how we get to know music through regular listening how comfortable we feel in a Western concert environment and music s efficacy as a pain reliever Part II Musicology exposes the notion of familiarity from varied stances including appreciation of music in our own and other cultures through ethnomusicology exploration of the perception of sounds via music analysis philosophical reflection on the efficiency of

communication in musicology evaluation of the impact of researchers musical experiences on their work and the influence of familiarity in music education Part III Performance focuses on the effects of familiarity in relation to different aspects of Western art and popular performance including learning and memorizing music examination of groove in popular performance exploration of the role of familiarity in shaping socio emotional behaviour between members of an ensemble and consideration about the effects of the unique type of familiarity gained by musicians through the act of performance itself
