Michaëlle Alexandre Fables Stories Michaëlle Alexandre, 2021-03-26 Those fable stories are funny, comic, and comical, and you will need a chair you can sit down when the story will make you laugh. It is for you not to fall down. The story takes place in the beautiful country of Haiti. It has talking animals and cunning fox, cunning rat, cunning hyena, and a cunning mischievous little boy who is mischievous like the boy who cried wolf story, and the people in his town will teach him a lesson for him to stop cunning, be mischievous, and trick them. It has black royalties like black Haitian queens, empresses, and princesses, and beautiful dark skin women with drop-dead beauties that make all God's creations fall in love with their grand beauty and wonderful personalities. Those dark skin women are the prettiest creations of all. The dark skin women in the story are strong, fierce, the greatest fighters of all that no males can beat, and the dark skin women in the fable are feminine, coquettish, and elegant. The black empresses and the queens always protect their beautiful kingdom, empire, Haiti, from their enemies. It also has the black version of the three little pigs and the bad wolf, which is a black man, a sheep, beating and protecting her ten little black lambs, kids, and her from a bad cunning hyena who wants to eat them. It also has talking elegant mice, and one of them, a female black mouse, that will help a black female cat know a riddle, answer in exchange for her mice, and her freedom. It also talks about a lazy plow horse who won't work for his mistress, who is the most beautiful woman in the world, and the plow horse is being lazy all day and will get his act together after he heard his mistress is going to sell him to a man that will make him work harder and will make him do harsh labors and won't tolerate his laziness. The story also will help convey morals for black-skinned women and little girls that will help them throughout their lives how to observe better their surroundings and make choices that will be beneficial for them.
