Black Bridge A Mystery Of Venice:

Black Bridge Edward Sklepowich, 2015-01-27 Urbino Macintyre fights to protect the safety of his closest friend Centuries ago Venice celebrated the Day of All Souls by building a bridge of boats across the canal to the cemetery island of San Michele As the tourist season winds down the Contessa da Capo Zendrini decides it's time to revive the tradition organizing a fleet so the city can mourn once more as it did in ancient times Her plans are upended however when her latest fascination a rakish playwright named Bobo begins receiving anonymous threats She begs her friend the amateur sleuth Urbino Macintyre to find out who has been sending the letters a thankless chore that becomes rather more interesting when Bobo is implicated in a grisly murder As the day of the contessa's black bridge draws closer Macintyre scrambles to discover the true killer and keep his friend safe If he doesn't act quickly the contessa's journey to the cemetery may be a one way trip *Black Bridge* Edward Sklepowich, 1995 In Venice American writer Urbino Macintyre is asked by Countess Capo Zendrini to investigate threats against the playwright Baron Casarotto Re her new beau Fighting jealousy Macintyre agrees to look into it and discovers a plot to despoil the countess of her wealth By the author of *Liquid Desires* **The Veils of Venice** Edward Sklepowich, 2015-01-27 Investigating a killing Macintyre finds it to be a family affair As snow falls on Venice turning the city into an elaborate gothic confection Gaby Pindar fears for her life Crippled by intense agoraphobia she hasn't left her family home in two decades instead dedicating herself to tending to the small collection of historical trinkets that make up the family museum When she begins receiving death threats she begs for help from her cousin the Contessa da Capo Zendrini whose friend Urbino Macintyre is something of an amateur sleuth But the search takes a gruesome turn when Gaby's sister Olimpia turns up dead The contessa finds Olimpia murdered in her home the maid kneeling above her with a bloody pair of scissors Convinced of the maid's innocence Macintyre digs into the Pindar family history discovering centuries worth of intrigue that have finally erupted in blood **Death in the Palazzo** Edward Sklepowich, 2015-01-27 In an ancient Venetian palazzo Urbino Macintyre encounters a decades old murder The Contessa da Capo Zendrini is one of the leading lights of Venice society but there is one house where she has long been unwelcome Her late husband's family the Zenos has loathed her since the 1930s when a gathering at her palazzo ended in tragedy Decades later she hits on a devilish plan to make amends inviting the Zeno clan over for a house party to make up for the one that ended in bloodshed long ago But soon after her guests arrive murder strikes again The contessa begs her closest friend American sleuth Urbino Macintyre to unravel the mystery of the killing before it tears both families apart No one has been in or out of the house since the fete began so the murderer must be among the guests It seems simple but this is Venice where death is never easy **The New York Times Book Review**, 1995-11 **Farewell to the Flesh** Edward Sklepowich, 2015-01-27 During Carnival Urbino Macintyre discovers a murder in a convent Each of the sisters of the Charity of Santa Crispina chooses a different way to die Some relax into the arms of death eager for their eternal rewards Some leave this world violently screaming in pain as they take their

last breaths The convent is a severe place its rooms spartan its food bland But the time has come for Carnival in Venice and a tourist will take any room he can find Photographer Val Gibbon has come to document the renovation of a nearby church but he has hardly begun his work before a knife finds its way into his chest and the convent becomes a crime scene American expatriate Urbino Macintyre a biographer and amateur sleuth sets aside his plans for Carnival to look into the murder In this ancient city nothing is ever as it seems especially not in the season when the only creature not wearing a mask is death itself
