Migration, Indigenization, and Interaction Leo Suryadinata, 2011 The twelve chapters included in this book address various issues related to Chinese migration indigenization and exchange with special reference to the era of globalization As the waves of Chinese migration started in the last century the emphasis not surprisingly is placed on the migrant states rather than indigenous states Nevertheless many chapters are also concerned with issues of settling down and becoming part of the local scenes However the settling integrating process has been interrupted by a globalizing world new Chinese migration and the rise of China at the end of 20th century

A Great Deception Western Shugden Society, 2010 A courageous and compelling account of Tibetan history and the activities of the current Dalai Lama that stand in stark contrast to popular perceptions of a holy politician With an extensive compilation of news stories documents personal accounts and chronologies a tangle of religion and politics is revealed that plays out in Tibetan exile communities and across the international stage embodied in the person of the 14th Dalai Lama The aims of this book are religious to end an illegal ban on a mainstream Buddhist practice that the Dalai Lama has personally rejected and maligned However to get to the heart of this human rights issue and to gain the support of those who can affect its resolution the book endeavors to follow knotted threads of political ambitions deception greed and betrayal to unravel the popular mythology that surrounds the iconic Dalai Lama of Tibet

How Asia Got Rich Edith Terry, 2015-05-20 Within a few short months in 1997 Asian economies that had been considered not only healthy but miraculous suddenly fell off a precipice as investors withdrew massively first from Asian currencies and in rapid order from equity markets across the region On October 27 1997 the turmoil in Asian markets spooked Wall Street in the largest single day decline in history a drop of 550 points It was predicted that the Asian crash could drive the US trade deficit from 191

billion to 300 billion by 1998 creating huge new tensions in relations with some of the largest US trading partners These wrenching changes following a generation of success raise numerous questions about the steps that led to the crisis its likely outcome and the limits and constraints of Asian capitalism Edith Terry presents a blow by blow account of the crisis beginning with the 1996 collapse of the Bangkok Bank of Commerce In her overview she links the fall of the Asian miracle with the theme of globalization arguing that the crisis demonstrates the urgency of dismantling restraints to trade investment and financial services and that the United States should take leadership in pushing for new and sweeping reform through the World Trade Organization and in bilateral negotiations with its trading partners The final section of the book deals with the rise of the Asian miracle how the myth was created who created it why it succeeded for so long and is informed by analysis of the Japanese prototype
