Young Students Learning Library,1994 **What's Love Got to Do With It** Dr. John Chirban,2012-06-04 Having trouble talking to your kids about sex Their friends at school don't Unfortunately for many parents the most important conversations are the hardest Ninety three percent of adults are dissatisfied with the sex education they received as children which is precisely why they are so bad at teaching their kids they have no frame of reference Renowned Harvard Medical School psychologist and frequent Dr Phil guest John Chirban helps parents talk to their kids about sex Kids are going to learn about sex and it is up to parents to decide if their kids are going to learn from them or from MTV How parents address sex their openness the context and their attitudes will impact how their children view their own sexuality and self worth Dr Chirban helps parents know when how and how much He uses humor compassion and real life examples to prepare parents for a healthy and ongoing conversation that will equip their kids to own their own sexuality and an understanding of the larger issues of relationships love commitment and intimacy In addition parents understand how helping their children understand these veiled yet critical keys of a fulfilling life deepens their own connection with their children *Girls Growing*

Up on the Autism Spectrum Shana Nichols, Gina Marie Moravcik, Samara Pulver Tetenbaum, 2009-01-01 Providing professional perspectives alongside personal experiences and suggestions from mothers daughters and educators this is a comprehensive text for parents teachers and professionals working with families and their daughters with ASDs **The Unabashed Librarian**, 1999 Parenting Susan Golombok, 2014-02-25 Parenting What Really Counts examines the scientific evidence on what really matters for children s healthy psychological development The first section considers whether it is necessary to have two parents a father present parents who have a genetic link with their child or parents who are heterosexual Section two explores the psychological processes that underlie optimal development for children particularly the quality of the child s relationship with parents other family members and the wider social world Contrary to common assumptions Susan Golombok concludes that family structure makes little difference to children s day to day experiences of life As well as for students researchers and teachers Parenting What really counts will be of great interest to parents and those thinking of embarking on a non traditional route to parenthood It will also be welcomed by professionals working with families and those involved in the development of family policy **Ebony**, 1975-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Puberty, Sexuality and the Self* Karin Martin, 2018-12-07 Puberty Sexuality and the Self considers the effects of puberty and teenage sexuality on adolescents By analyzing interviews with 55 teenagers Karin Martin finds that girls self esteem drops significantly more than boys does at adolescence While this finding is supported by previous studies Martin picks up where these earlier studies leave off by focusing on girls development and considering different experiences of puberty and sex as an explanation for girls greater drop in self esteem Puberty Sexuality and the Self examines voice change breast development shaving expectations of sex the decision to have sex experiences of sex and how boys and girls manage their emotions and selves throughout all of these new experiences Comparing boys and girls at adolescence Martin takes a qualitative look at puberty and sexuality supporting her theory in the words of the adolescents themselves **When Kids Ask Hard Questions** Bromleigh McCleneghan, Karen Ware Jackson, 2019-10-08 The world is a confusing and painful place for children and adults How do you respond faithfully to your kids big questions Learn to craft faithful conversations and be better prepared to talk about the tough stuff with your kids More than 30 essays from a diverse group of young Christian parents pastors address today s toughest topics including gender race bullying mental illness death divorce money technology and generosity When Kids Ask Hard Questions invites you to take a deep breath create safe spaces for the hard conversations and speak the truth in love Each chapter includes a resource list for further exploration Asking About Sex & Growing Up (revised edition) Joanna Cole, 2009-06-30 What do you want to know about sex Information about sex is everywhere But what you learn from TV movies the internet and friends is not always a healthy or accurate view of sexuality Now revised and updated with current facts Joanna Cole s Asking About Sex Growing Up is the perfect book to

provide answers to questions about sex Writing especially for preteens the author uses a question and answer format to offer straightforward information on a wide variety of subjects related to sex and puberty Where the Millennials Will Take Us Barbara J. Risman,2018 Are today s young adults gender rebels or returning to tradition In Where the Millennials Will Take Us Barbara J Risman reveals the diverse strategies youth use to negotiate the ongoing gender revolution Using her theory of gender as a social structure Risman analyzes life history interviews with a diverse set of Millennials to probe how they understand gender and how they might change it Some are true believers that men and women are essentially different and should be so Others are innovators defying stereotypes and rejecting sexist ideologies and organizational practices Perhaps new to this generation are gender rebels who reject sex categories often refusing to present their bodies within them and sometimes claiming genderqueer identities And finally many youths today are simply confused by all the changes swirling around them As a new generation contends with unsettled gender norms and expectations Risman reminds us that gender is much more than an identity it also shapes expectations in everyday life and structures the organization of workplaces politics and ideology To pursue change only in individual lives Risman argues risks the opportunity to eradicate both gender inequality and gender as a primary category that organizes social life **Mothering Our Boys** Maggie Dent,2018-11-01

Maggie is earthy and real full of love and knowledge especially on raising sons Steve Biddulph Maggie s perspective on raising boys is spot on She writes with humor and depth providing insight and strategies for many of the most important issues facing moms There is a lovely ease to her writing and a powerful honesty I hope every mother of a son and everyone else will read this book The future of the world to a great extent depends on how we raise our boys Michael Gurian New York Times Bestselling Author of *The Wonder of Boys* and *Saving Our Sons* If we can see the world through boys eyes a little better we will make different choices in the way we mother them and we will find them less confusing and love them more deeply Mothers of sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media almost every day Not only that but statistically our boys are still struggling in many ways Even though we live in a time where we recognise that nothing in gender is fixed it remains a fact that the influence of a mother on her son is massive A mother of four sons herself Maggie Dent draws on her personal experience and over four decades work as a teacher counsellor and now author and speaker to help build understanding empathy and compassion for our boys Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy s relationship with his mother and other mother figures Maggie is one of Australia s most popular parenting authors and educators and her seminars about boys have sold out all across Australia and in the UK She is finally sharing her insights her reflections and as always her humour around mothering boys to help you be the mum your son needs you to be **Growing up and Finding Her** Brad and Mary Buettner,2011-03-21 Chicagos East Side and its Fox Valley suburbs form the backdrop for *Growing Up and Finding Her* a memoir told with the poignancy that only a true story

can deliver Authors Brad and Mary Buettner recount how their lives stream together following the difficult challenges of the 1950s and 60s when their families struggled to overcome poverty misfortune and mental illness The contrast between Brad Buettners small town environment and Mary Ellen Janowskis big city experience is one aspect of the story However when Brad is six the death of his sister Bobby plunges his family into a spiral of grief and anguish Meanwhile Mary battles personal insecurities after being rejected by her closest friend The pair grapple with life independently until red corduroy of all things provides the nudge that blends them together in a union lasting more than forty five years In this moving tale Richard Nixon and Dwight Eisenhower make a brief appearance and the Vietnam War poses an unexpected obstacle three days before the couples wedding Growing Up and Finding Her is a story of pain friendship and love which unfolds with sincere warmth and humor
