Why Care? Chris Warner, Caroline Greenlee, Chris Butterworth, 2024-06-03 We live in an ever changing world in which organizations find it increasingly difficult to stay ahead of the changes needed to be successful without thriving people

The authors believe that when people are valued and respected it improves their overall mental well being and workplace experience which in turn makes them more motivated to help meet the purpose and objectives of the organization and adapt to external drivers This book explores how mental well being and a culture of continuous improvement are intertwined and mutually reinforcing The authors contend that to create a sustainable culture of continuous improvement there must be an organization wide focus on mental well being at the individual level A culture of continuous improvement nurtured in the right way however will indeed support mental well being and help create a thriving organization The key benefit of the book is demonstrating how important mental well being is for sustainable organizational success It explores this through many different lenses such as the individual teams leaders and the organization as a whole and explains the key elements needed for success Leaders at all levels are able to understand why mental well being is critical and how to nurture it in the workplace In addition the book explains the importance of diversity equality inclusion and belonging and how this is integral to mental well being and a thriving organization This book provides unique insight into how mental well being and a culture of continuous improvement are intertwined explaining how thriving people and a thriving culture of continuous improvement create a thriving organization **Leading Learning and Wellbeing Together** Christine Grice,Fiona Davies,2025-11-21

This is a practical guide for school leaders who want to understand more about how to connect teaching and learning with wellbeing in their school This book reimagines school leadership beyond roles and networks and explores new practical possibilities for leading pedagogy The emphasis is on knowing students and how they learn and supporting leaders to create sustainable productive learning environments where wellbeing and learning are integral The book brings theory and practice together through case studies from work in schools linking the Why with the How and makes authentic connections between leading pedagogy and wellbeing through practical strategies and clear principles Further the book addresses issues of workload and leadership succession through collective job design with the aim of improving psychosocial safety for all students and school staff Drawing on the authors experience in school leadership and clinical and organisational psychology this book is designed for school leadership teams looking to work cohesively together while prioritising wellbeing It will also be relevant to postgraduate studies in educational leadership **PACES for the MRCP** Tim Hall,2013-09-17 The 3rd edition of PACES for the MRCP has been fully revised and updated throughout to retain its pole position as the textbook to accompany core medical training CMT and prepare candidates for success in the Practical Assessment of Clinical Examination Skills and a future specialty career Features Fully revised for the new Station 5 and completely updated throughout Promotes understanding and deeper learning of modern medicine applicable to PACES and the specialist registrar Emphasis on clinical assessment history taking examination and communication skills equipping candidates with appropriate differential diagnoses from which to develop the right diagnosis Encourages candidates to question why a diagnosis has arisen and consider its consequences For example Heat failure is a not a diagnosis until a candidate has

considered the differential diagnoses of breathlessness and decided why heart failure is most likely and then considered its cause not always ischaemic heart disease its presentation acute chronic left or right ventricular or both and most importantly the effects of it and its treatments on a patient's life This 3rd edition of PACES for the MRCP continues to provide fully revised up to date evidence based coverage of investigations and treatments Whilst the emphasis of PACES is on clinical skills candidates who understand when for example a patient with rheumatoid arthritis might benefit from a biologic agent and how this will influence inflammatory disease is better equipped for success A one volume text giving candidates complete preparation for the PACES exam within one portable volume 250 cases organised into the 5 stations of the PACES exam respiratory and abdominal system history taking cardiovascular and nervous system communication and ethics and skin locomotion eyes and endocrine systems Engaging question and answer approach at the end of each case excellent preparation for the exam Boxed tips highlight vital information helps identify what is most important to remember Fully revised for the new Station 5 and completely updated throughout
