Aspects Of Wilde:

Aspects of Wilde Vincent O'Sullivan, 1936 **Aspects of Wilde** Vincent O'Sullivan, Oscar Wilde, 1936 **Talk on the Wilde Side** Ed Cohen, 2013-02-01 Talk on the Wilde Side focuses on the formation of a new type of sexual category in the newspaper reports of the trials of Oscar Wilde relating this to middle class discussions of masculinity throughout the nineteenth century *The Cambridge Companion to Oscar Wilde* Peter Raby, 1997-10-16 The Cambridge Companion to Oscar Wilde offers an essential introduction to one of the theatre's most important and enigmatic writers Although a general overview the volume also offers some of the latest thinking on the dramatist and his impact on the twentieth century Part One places Wilde's work within the cultural and historical context of his time and includes an opening essay by Wilde's grandson Merlin Holland Further chapters also examine Wilde and the Victorians and his image as a Dandy Part Two looks at Wilde's essential work as playwright and general writer including his poetry critiques and fiction and provides detailed analysis of such key works as *Salome* and *The Importance of Being Earnest* among others The third group of essays examines the themes and factors which shaped Wilde's work and includes Wilde and his view of the Victorian woman Wilde's sexual identities and interpreting Wilde on stage This 1997 volume also contains a detailed chronology of Wilde's work a guide to further reading and illustrations from important productions **Modernist Aesthetics and Consumer Culture in the Writings of Oscar Wilde** Paul Fortunato, 2013-09-13 Oscar Wilde was a consumer modernist His modernist aesthetics drove him into the heart of the mass culture industries of 1890s London particularly the journalism and popular theatre industries Wilde was extremely active in these industries as a journalist at the Pall Mall Gazette as magazine editor of the *Women's World* as commentator on dress and design through both of these and finally as a fabulously popular playwright Because of his desire to impact a mass audience the primary elements of Wilde's consumer aesthetic were superficial ornament and ephemeral public image both of which he linked to the theatrical This concern with the surface and with the ephemeral was ironically a foundational element of what became twentieth century modernism thus we can call Wilde's aesthetic a consumer modernism a root and branch of modernism that was largely erased *Astrological Aspects* Jeanne Avery, 2004-12 Aspects are the mathematical relationships between planets in an individual's astrological chart They are key factors in the study of astrology for it is the interpretation of the relationship of one planet to another that explains human behavior If we think of each planet as representing a quality of energy or a voice within then two planets relating to each other would describe a conversation all ten considered together could be likened to a committee meeting The relationships of all those planets to each other characterizes the effectiveness of that group meeting or the quality of dialogue going on within us Some people have simple and harmonious inner dialogues while other people have a riot going on inside Astrological Aspects allows readers to make sense of the riot and through examples of aspects in the charts of well known people shows us how different individuals manage or mismanage both conflicting and complementary energies and by extension how we can do

the same **Oscar Wilde** Nicholas Frankel,2017-10-16 Nicholas Frankel presents a revisionary account of Oscar Wilde's final years spent in poverty and exile in Europe following his release from an English prison for the crime of gross indecency between men Despite repeated setbacks and open hostility Wilde unapologetic and even defiant attempted to rebuild himself as a man and a man of letters *The importance of being a reader: A revision of Oscar Wilde's works* Cristina Pascual Aransáez,2014-09-01 This book explores Wilde's works from the hypothesis that they call upon the active participation of the reader in the production of meaning It has a twofold objective first it shows that Wilde's emphasis on the creative role of the audience in his critical writings makes him conceive the reader as a co creator in the construction of meaning Second it analyses the strategies which Wilde employs to impel the reader to collaborate in the creation of meaning of his literary works and casts light upon the social criticism derived from these The examination of Wilde's writings reveals how he gradually combined more sophisticated techniques that encouraged the reader's dynamic role with the progressive exploitation of self advertising strategies for professional purposes These allowed the commercial Oscar to make his works successful among the Victorian public without betraying the literary Wilde's aesthetic principles The present study re evaluates Wilde as a critic and as a writer It demonstrates that while Wilde the myth was ahead of his time in many ways Wilde the ARTIST anticipated in his aesthetic theory various themes which occupy contemporary literary theoreticians Thus it may contribute to give him the status he rightly deserves in the history of literature *Wilde Discoveries* Joseph Bristow,2013-12-06 The most significant resource for any researcher wishing to understand the finer details of Oscar Wilde's remarkable career the Oscar Wilde and His Circle archive at the University of California Los Angeles houses the world's largest collection of materials relating to the life and work of the gifted Irish writer Wilde Discoveries brings together thirteen studies based on research done in this archive that span the course of Wilde's work and shed light on previously neglected aspects of Wilde's lively and varied professional and personal life This volume offers fresh approaches to well known works such as *The Picture of Dorian Gray* while paying serious attention to his lesser known writings and activities including his earliest attempts at emulating the English Romantics his editing of *Woman's World* and his fascination with anarchism A detailed introduction by the volume editor ties the essays together and illustrates the distinctive evolution of research on this great writer's extraordinary career **The Trials of Oscar Wilde** Michael S. Foldy,1997-01-01 Following Oscar Wilde's trials for committing acts of gross indecency with men he lost his family his freedom and his will to live This book sets out to examine how Victorian society could allow or indeed need this to happen
