Assault On Parenthood How Our Culture Undermines The Family:

The Assault on Parenthood Dana Mack,2000 This book grapples with a disturbing paradox the very institutions that are supposed to be helping parents in the difficult enterprise of child rearing are often infected with pronounced anti family views Despite the attempt by politicians and social theorists alike to posture as being on the side of family values Dana Mack argues we live in a culture that is increasingly family unfriendly and indeed subtly undermines the efforts of parents when they are working harder than ever to raise their children properly At once a devastating critique of our muddled status quo and also a clear blueprint for change this book is bound to have a powerful effect on anyone who is concerned about the fate of the family in contemporary American life *The Assault on Parenthood* Dana Mack,1997 In plain language this searing critique of how government and cultural institutions are assaulting parental authority and family life explains how the very institutions that are supposed to help families may actually be harming them *The Ethics of the Family* Linda
