

The night one of Vietnam's best-fortified  
camps exploded into a burning hell

# ASSAULT ON DAK PEK

A Special Forces A-Team in Combat, 1970

## LEIGH WADE

Author of *The Protected Will Never Know*

# Assault On Dak Pek

**William E. Le Gro**

## **Assault On Dak Pek:**

**Assault on Dak Pek** Leigh Wade, 1998 In the early hours of April 12 1970 the NVA brutally attacked the Special Forces A team camp at Dak Pek seizing more than half the base including the high ground and its 106mm recoilless rifle plus the surrounding valley and mountains Twenty kilometers south at Dak Seang another huge concentration of NVA was attempting to overrun the Special Forces camp there Now it was time for the Americans to fight back With gritty honesty SF veteran five tours in Vietnam and Thailand Leigh Wade recounts the weeks of carnage courage and sacrifice in which the men of Dak Pek carried out bunker to bunker mop up operations and heroic uphill counterattacks to reclaim their base With hundreds of corpses littering the camp it was truly a fight to the death a fight that proved just what Americans are made of [The Wars of the Green Berets](#) Robin Moore, Michael Lennon, 2015-11-10 Legendary adventurer and raconteur Robin Moore has teamed up with third generation Army officer Michael Doc Lennon to share the stories of the soldiers who have earned the right to wear the Green Beret From Vietnam to the present day The Wars of the Green Berets retells the stranger than fiction hair raising experiences of the stout men who have risked it all from their firefights on the Cambodian border to their present day patrols on the dangerous streets of Baghdad It takes us to the streets of Mogadishu in the days before and after the events of Black Hawk Down It puts us on the rocky moonscapes of Afghanistan in search of the enemy where soldiers face the dangers of friendly fire as well as fierce Taliban fighters Featuring a new foreword by a former Green Beret about the continued efforts and role Special Forces play in modern warfare this is a work of fiction that is more real than many works of history It is destined to become a classic Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Bait** James D. McLeroy, Gregory W. Sanders, 2019-11-19 A history of one of the least known and most misunderstood battles in the Vietnam War The strategic potential of the three day attack of two North Vietnamese Army NVA regiments on Kham Duc a remote and isolated Army Special Forces camp on the eve of the first Paris peace talks in May 1968 was so significant that former President Lyndon Johnson included it in his memoirs This gripping original eyewitness narrative and thoroughly researched analysis of a widely misinterpreted battle at the height of the Vietnam War radically contradicts all the other published accounts of it In addition to the tactical details of the combat narrative the authors consider the grand strategies and political contexts of the U S and North Vietnamese leaders Praise for Bait The Battle of Kham Duc This book is a must read for any Vietnam historian or veteran Patrick Brady Major General USA ret Medal of Honor Recipient For an authentic detailed view of how large battles between U S combined arms forces and regular

North Vietnamese Army forces were fought in Vietnam in 1968. The Battle of Kham Duc is required reading. General H. Hugh Shelton, 14th Chairman of the Joint Chiefs of Staff, this first-hand exhaustively documented account of a large battle in the Vietnam War shows the decisive role of air power in all its forms. Carl Schneider, Major General USAF (ret), one of those rare historical narratives that explains in rich detail a battle that was little understood or reported on at the time it was fought but was of strategic importance and heroic dimension. *Marine Corps Gazette*. The account of the battle is both detailed and exceptionally well written. McLeroy's participation in the battle adds authenticity to the narrative. Highly recommended for anyone interested in how large-scale battles were fought in Vietnam at the height of U.S. commitment on the ground there.

*Journal of Military History*      **Vietnam from Cease-fire to Capitulation** William E. Le Gro, 1981. An examination of significant military developments and social and economic conditions during the last three years of the war.      Special Forces at War Shelby L. Stanton, 2008-06-15. A rare insider's experience paired with a scholarly historical approach making it an essential standout for any military library. *Midwest Book Review*. More than 8.7 million Americans reported for military duty in Southeast Asia but only a select few wore the Green Beret, the distinctive symbol of the U.S. Army Special Forces. These elite soldiers played a crucial role during the protracted conflict. *Special Forces at War: An Illustrated History*. Southeast Asia 1957-1975 by wartime veteran and military historian Shelby L. Stanton shows Special Forces activity from the first deployments of Green Berets into battle through their training, wartime advisory, border surveillance, strike force, and special operations roles. Unprecedented in scope, this photographic history features rare and unpublished images providing an exclusive insider view of covert activities such as Project Delta, whose Special Forces-trained Vietnamese commandos posed as North Vietnamese Army or Viet Cong troops behind communist lines. It depicts Special Forces camps before, during, and after enemy assaults. It features an array of lethal weapons used by resourceful Green Berets fighting to preserve their remote outposts as well as allied and enemy documents and propaganda. From ordinary camp life to special missions, no aspect of Special Forces activities during the Second Indochina War has been overlooked. Stanton knows his subject first-hand. During six years of active duty as an infantry officer in the U.S. Army, he served as a paratrooper platoon leader, an airborne ranger advisor to the Royal Thai Army Special Warfare Center, and a Special Forces long-range reconnaissance team commander in Southeast Asia before being wounded in combat in Nam Yu, Laos.      *Engineers at War (United States Army in Vietnam Series)* Adrian G. Traas, Center of Military History, United States Department of the Army, 2018-10. *Engineers at War* describes the role of military engineers, especially the U.S. Army Corps of Engineers, in the Vietnam War. It is a story of the engineers' battle against an elusive and determined enemy in one of the harshest, underdeveloped regions of the world. Despite these challenges, engineer soldiers successfully carried out their combat and construction missions. The building effort in South Vietnam allowed the United States to deploy and operate a modern 500,000-man force in a far-off region. Although the engineers faced huge construction tasks, they were always ready to support the combat troops. They built ports,

and depots carved airfields and airstrips out of jungle and mountain plateaus repaired roads and bridges and constructed bases Because of these efforts ground combat troops with their supporting engineers were able to fight the enemy from well established bases Although most of the construction was temporary more durable facilities such as airfields port and depot complexes **Daily Report**, 1974-12 *Secret Commandos* John L. Plaster, 2004 A Vietnam commando unit leader shares the story of secret operations along the Ho Chi Minh Trail in Laos and Cambodia describing the efforts of small teams to capture enemy officers rescue pilots and collect intelligence **Staying th Course October 1967 to September 1968** Erik B. Villard, **Vietnam Combat Operations 1972 - 1975** William E Le Gro, 2013-09 The years between the signature of the Paris peace accords in 1972 and the final collapse of South Vietnam in 1975 are usually neglected Very often they are little more than a footnote in histories of the Vietnam War This does a great disservice to the fighting men of South Vietnam especially the infantry Rangers airborne troops and Marines who fought long bravely and under great handicaps and hardships in defense of their country This history of the South Vietnamese armed forces operations between 1972 and 1975 reveals that during 1973 they had the upper hand in conflicts with the North Vietnamese It was the abrupt end of American economic and material support in 1974 that doomed their efforts and brought about their eventual defeat This period also saw Soviet and Chinese aid to North Vietnam transform the NVA from a largely light infantry army to a mechanized tank and artillery heavy combined arms force that so greatly outgunned the ARVN **Vietnam** John Prados, 2009-04-21 The Vietnam war continues to be the focus of intense controversy While most people liberals conservatives Democrats Republicans historians pundits and citizens alike agree that the United States did not win the war a vocal minority argue the opposite or debate why victory never came attributing the quagmire to everything from domestic politics to the press The military never lost a battle how then did it not win the war Stepping back from this overheated fray bestselling author John Prados takes a fresh look at both the war and the debates about it to produce a much needed and long overdue reassessment of one of our nation s most tragic episodes Drawing upon several decades of research including recently declassified documents newly available presidential tapes and a wide range of Vietnamese and other international sources Prados s magisterial account weaves together multiple perspectives across an epic sized canvas where domestic politics ideologies nations and militaries all collide Prados patiently pieces back together the events and moments from the end of World War II until our dispiriting departure from Vietnam in 1975 that reveal a war that now appears to have been truly unwinnable due to opportunities lost missed ignored or refused He shows how from the Truman through the Eisenhower Kennedy Johnson and Nixon administrations American leaders consistently ignored or misunderstood the realities in Southeast Asia and passed up every opportunity to avoid war in the first place or avoid becoming ever more mired in it after it began Highlighting especially Ike s seminal and long lasting influence on our Vietnam policy Prados demonstrates how and why our range of choices narrowed with each passing year while our decision making continued to be distorted by Cold War politics and fundamental

misperceptions about the culture psychology goals and abilities of both our enemies and our allies in Vietnam By turns engaging narrative history compelling analytic treatise and moving personal account Prados s magnum opus challenges previous authors and should rightfully take its place as the most comprehensive up to date and accurate one volume account of a war that judging by the frequent analogies to the current war in Iraq has not yet really ended for any of us **U.S.**

**Army Special Forces 1961-1971** Francis John Kelly,2012-05-29 In 1957 58 Vietnamese soldiers were given military training by Special Forces troops Ten years later green berets were assisting over 40 000 paramilitary troops along with another 40 000 Regional Forces and Popular Forces soldiers This monograph traces the development and notes the progress problems successes and failures of a unique program undertaken by the U S Army for the first time in its history With the withdrawal of the Special Forces from Vietnam in 1971 the Army could lay unique claim to the employment of a paramilitary force in sustained combat against a determined enemy About the author In 1960 Col Kelly chaired the committee which produced the U S Army s first definitive approach to counterinsurgency The Role of the U S Army in the Cold War For two years he commanded the 1st SFG which provided multiple teams for combat in Vietnam From 6 66 to 6 67 he commanded the 5th SFG in Vietnam He led the Combat Development Command Institute for Strategic and Stability Operations U.S.

Army Special Forces, 1961-1971 Francis John Kelly,1973 **Battle for the Central Highlands** George Dooley,2007-12-18

THE CENTRAL HIGHLANDS WHERE DANGER REIGNED SUPREME AND DEATH WAS A CONSTANT COMPANION The fighting was fierce in the Central Highlands where Green Beret George Dooley served with elite Special Forces A teams training the rugged Montagnards in guerrilla warfare and accompanying them on patrols The Viet Cong and NVA were entrenched in the sparsely populated Highlands where towering mountains gave them the ruthless upper hand The missions Dooley led often in enemy territory provided a steady diet of sniping ambushes booby traps and mines As the war escalated Dooley commanded his own A team and the battles against the large numbers of crack NVA troops became even more desperate and deadly By then military command routinely assigned anything but routine missions to Special Forces and expected them to meet their objectives BATTLE FOR THE CENTRAL HIGHLANDS details the unbelievable valor of these legendary American warriors **Late Thoughts on an Old War** Philip D. Beidler,2007-11-01 A Vietnam veteran and

scholar draws on personal memories of his time in Vietnam bringing the war back in chapters on vocabulary music literature and film and examining how the immediacy of Vietnam s costs is dealt with in an evasive way by America Kontum Thomas

P. McKenna,2011-09-09 In the spring of 1972 North Vietnam invaded South Vietnam in what became known as the Easter Offensive Almost all of the American forces had already withdrawn from Vietnam except for a small group of American advisers to the South Vietnamese armed forces The 23rd ARVN Infantry Division and its American advisers were sent to defend the provincial capital of Kontum in the Central Highlands They were surrounded and attacked by three enemy divisions with heavy artillery and tanks but with the help of air power managed to successfully defend Kontum and prevent

South Vietnam from being cut in half and defeated Although much has been written about the Vietnam War little of it addresses either the Easter Offensive or the Battle of Kontum In *Kontum The Battle to Save South Vietnam* Thomas P McKenna fills this gap offering the only in depth account available of this violent engagement McKenna a U S infantry lieutenant colonel assigned as a military adviser to the 23rd Division participated in the battle of Kontum and combines his personal experiences with years of interviews and research from primary sources to describe the events leading up to the invasion and the battle itself Kontum sheds new light on the actions of U S advisers in combat during the Vietnam War McKenna s book is not only an essential historical resource for America s most controversial war but a personal story of valor and survival

*Engineers at War (Hardcover)* Adrian G Traas,2011-02-25 NOTE NO FURTHER DISCOUNT FOR THIS PRINTED PRODUCT OVERSTOCK SALE Significantly reduced list price *Engineers at War* describes the role of military engineers especially the U S Army Corps of Engineers in the Vietnam War It is a story of the engineers battle against an elusive and determined enemy in one of the harshest underdeveloped regions of the world Despite these challenges engineer soldiers successfully carried out their combat and construction missions The building effort in South Vietnam allowed the United States to deploy and operate a modern 500 000 man force in a far off region Although the engineers faced huge construction tasks they were always ready to support the combat troops They built ports and depots carved airfields and airstrips out of jungle and mountain plateaus repaired roads and bridges and constructed bases Because of these efforts ground combat troops with their supporting engineers were able to fight the enemy from well established bases Although most of the construction was temporary more durable facilities such as airfields port and depot complexes headquarters buildings communications facilities and an improved highway system were intended to serve as economic assets for South Vietnam This volume covers how the engineers grew from a few advisory detachments to a force of more than 10 percent of the Army troops serving in South Vietnam The 35th Engineer Group began arriving in large numbers in June 1965 to begin transforming Cam Ranh Bay into a major port airfield and depot complex Within a few years the Army engineers had expanded to a command two brigades six groups twenty eight construction and combat battalions and many smaller units Other products produced by the U S Army Center of Military History can be found here <https://bookstore.gpo.gov/agency/1061>

**The Ethnography of Vietnam's Central Highlanders** Oscar Salemink,2019-10-18 This book looks at ethnographic discourses concerning the indigenous population of Vietnam s Central Highlands during periods of christianization colonization war and socialist transformation and analyses these in their relation to tribal ethnic territorial governmental and gendered discourses Salemink s book is a timely contribution to anthropological knowledge as the ethnic minorities in Vietnam have again been the object of fierce academic debate This is a historically grounded post colonial critique relevant to theories of ethnicity and the history of anthropology and will be of interest to graduate students of anthropology and cultural studies as well as Vietnam studies

**Powerful and Brutal Weapons** Stephen P Randolph,2009-06-30 As America

confronts an unpredictable war in Iraq Randolph returns to an earlier conflict that severely tested our civilian and military leaders In 1972 America sought to withdraw from Vietnam with its credibility intact with President Nixon and National Security Advisor Kissinger hoping that gains on the battlefield would strengthen their position at the negotiating table Randolph s intimate chronicle of the commander in chief gains us unprecedented access to how these strategic assessments were made and played out

**Fighting Elites** John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today

**Fighting Elites** A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities

### **Assault On Dak Pek Introduction**

Assault On Dak Pek Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Assault On Dak Pek Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Assault On Dak Pek : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Assault On Dak Pek : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Assault On Dak Pek Offers a diverse range of free eBooks across various genres. Assault On Dak Pek Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Assault On Dak Pek Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Assault On Dak Pek, especially related to Assault On Dak Pek, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Assault On Dak Pek, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Assault On Dak Pek books or magazines might include. Look for these in online stores or libraries. Remember that while Assault On Dak Pek, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Assault On Dak Pek eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Assault On Dak Pek full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Assault On Dak Pek eBooks, including some popular titles.

## FAQs About Assault On Dak Pek Books

**What is a Assault On Dak Pek PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Assault On Dak Pek PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Assault On Dak Pek PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Assault On Dak Pek PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Assault On Dak Pek PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
