## **Asset Building And Community Development:**

Asset Building & Community Development Gary Paul Green, Anna Haines, 2012 Employing a broad definition of community development this book shows how asset building can help increase the capacity of residents to improve their quality of life It provides students and practitioners with theoretical and practical guidance on how to mobilize community capital physical human social financial environmental political and cultural to effect positive change Authors Gary Paul Green and Anna Haines show that development controlled by community based organizations provides a better match between these assets and the needs of the communities

*Asset Building and Community Development* Gary Paul Green, Anna Haines, 2007-08-14 Can residents work together to improve the quality of life in their community Asset Building and Community Development examines the promise and limits of community development and explores how communities are building on their key assets such as physical human social financial environmental political and cultural capital

**Asset Building and Community Development** Gary Paul Green, Anna Haines, 2002 In Asset Building and Community Development Gary Paul Green and Anna Haines provide an engaging thought provoking interdisciplinary overview of the community development field They explore the history of the community development movement in the United States and in international settings Using an asset based approach that considers human physical social financial and environmental capital the authors skillfully demonstrate how local organizations are better able to meet community needs than governmental programs or market strategies

Developmental Assets and Asset-Building Communities Richard M. Lerner, Peter L. Benson, 2012-12-06 Developmental Assets and Asset Building Communities examines the relationships of developmental assets to other approaches and bodies of work It raises challenges about the asset building approach and offers recommendations for how this approach can be strengthened and broadened in impact and research In doing so this book extends the scholarly base for the understanding of the character and scope of the systemic relation between young people s healthy development and the nature of developmentally attentive communities The chapters in this volume present evidence that asset building communities both promote and are promoted by positive youth development a bi directional systemic linkage that consistent with developmental systems theory further civil society by building relationship and intergenerational places within a community that are united in attending to the developmental needs of children and adolescents

*Mobilizing Communities* Gary Paul Green, Ann Goetting, 2013-08-02 As communities face new social and economic challenges as well as political changes the responsibilities for social services housing needs and welfare programs are being placed at the local government level But can community based organizations address these concerns effectively The editors and contributors to Mobilizing Communities explore how these organizations are responding to these challenges and how asset based development efforts can be successful

**An Examination of Manufactured Housing as a Community- and Asset-building Strategy** William C. Apgar, 2002

**Reengineering Community Development for the**

**21st Century** Donna Fabiani, Terry F. Buss, 2015-07-17 This timely book takes a wide angled look at how the field of community development is evolving in an era of reduced resources changing priorities privatization competition and performance management at the federal state and local government levels as well as for non profits and private sector entities It shows how community development organizations and programs are offering many new services entering into new partnerships developing extensive networks and attracting new and alternative sources of funding and how in the process these organizations are becoming more innovative leaner in their operations more competitive and much more effective than ever before Students researchers and policy makers will all appreciate the numerous policy examples from the local state and federal levels including a wide range of developments in housing transportation smart growth education and crime prevention Reengineering Community Development for the 21st Century is an invaluable source for insights into the latest developments in community development financing and performance management Assets, Livelihoods, and Social Policy

Anis A. Dani, Caroline Moser, 2008-05-14 Given the lack of adequate universal social welfare for those unable to find jobs in the salaried formal sector the livelihoods and well being of most poor people depends heavily on their asset base This includes their ability to access and accumulate assets obtain decent returns from these assets and use their asset base to manage risks Assets Livelihoods and Social Policy discusses the diverse strategies adopted by people in different contexts to accumulate assets through migration housing investments natural resources management and informal businesses An asset based social policy can strengthen asset accumulation strategies as well as help the poor overcome the constraints of unfavorable institutional environments To a considerable extent asset accumulation strategies depend on the agency exercised by people themselves through individual or collective action At the same time the status of policies and institutions can enable or hinder these strategies and affect livelihood outcomes In synthesis the case studies lead to the differentiation among three different types of policies policies that affect outcomes by directly influencing access to assets by the poor such as land housing natural resources or credit policies and public investments that change the nature of returns on assets such as investments in rural roads agricultural inputs and market development policies that transform the value of assets held by the poor by virtue of administrative decisions that increase or reduce value such as re classification of land from arable or pasture to protected lands land use regulations affecting resource use or modification in regulations governing labor rights or migration The chapters originally commissioned to re examine major gaps in knowledge and development practice ten years after the Copenhagen Summit on Social Development are authored by leading scholars from economics anthropology sociology geography and development studies This book is part of a new series New Frontiers in Social Policy which examines issues and approaches to extend the boundaries of social policy beyond conventional social services toward policies and institutions that improve equality of opportunity and social justice in developing countries Other titles in the series include Inclusive States Social Policy and Structural Inequalities and Institutional Pathways to Equity Addressing Inequality

Traps An Introduction to Community Development Rhonda Phillips, Robert Pittman, 2014-11-26 Beginning with the foundations of community development An Introduction to Community Development offers a comprehensive and practical approach to planning for communities Road tested in the authors own teaching and through the training they provide for practicing planners it enables students to begin making connections between academic study and practical know how from both private and public sector contexts An Introduction to Community Development shows how planners can utilize local economic interests and integrate finance and marketing considerations into their strategy Most importantly the book is strongly focused on outcomes encouraging students to ask what is best practice when it comes to planning for communities and how do we accurately measure the results of planning practice This newly revised and updated edition includes increased coverage of sustainability issues discussion of localism and its relation to community development quality of life community well being and public health considerations and content on local food systems Each chapter provides a range of reading materials for the student supplemented with text boxes a chapter outline keywords and reference lists and new skills based exercises at the end of each chapter to help students turn their learning into action making this the most user friendly text for community development now available Asset Assessments and Community Social Work Practice Melvin Delgado, Denise Humm-Delgado, 2013-02-07 Needs assessments identify the needs for services answering questions about who needs these services and in what priority Asset assessments focuses on existing resources combing both needs and asset assesments helps find the gaps in these services and is useful to organizations and communities **Community Development Practice in Africa** Charles Gyan, Linda Kreitzer, Somnoma Valerie Ouedraogo, 2024-08-01 This project seeks to enhance both the theoretical and practical understanding of community development by adopting an African perspective Recognizing that the majority of community development literature utilized in African academic settings predominantly focuses on practices from the Global North this edited volume addresses a critical gap It develops compiles and promotes scholarship that is transnational yet reflective of the unique realities present within the African context This edited volume expands the global discourse on community development by delving into the particular forms it takes within African settings It will explore how local practices influence existing theories and models of community development and examine the integration of these theories into practical applications within African communities The motivating goal of this edited book is to provide a space to examine the specific contextual factors that impact the history theory and practice of community development in Africa Community development should reflect the local context in which it is practiced The contributions included in this edited book will provide a valuable resource for professors researchers and practitioners presenting a range of historically culturally and socially situated critical perspectives In summary this collection seeks to highlight African context specific literature in the field of community development Introduction to Community Development Jerry W. Robinson, Gary Paul Green, 2011 Introduction to Community Development provides students of community and economic

development with a theoretical and practical introduction to the field of community development Bringing together leading scholars in the field of community development the book follows the curriculum needs in offering a progression from theory to practice beginning with a theoretical overview an historical overview and the various approaches to community development
