Book Review

The Assimilation of Cuban Exiles; The Role of Community and Class.

By: Eleanor Meyer Rogg

(New York: Federal Legal Publications, Aberdeen Press. 1974. Pp. vii+241.
\$10.00 [hard]; \$5.95 [soft])

REVIEWED BY: **Roland A. Alum**, University of Pittsburgh, and
Luis A. Alum, Rutgers University 

The literature on Cubans abroad is increasing slowly. The publication of sociologist Eleanor Rogg's *THE ASSIMILATION OF CUBAN EXILES* is a welcome contribution to the study of Cubans and other Hispanic minority groups in the U.S. with various theoretical and practical implications. The study, supported by a grant from the U.S. Labor Department, is based on field research conducted between 1967 and 1968 on the occupational adjustment of resettled Cuban refugees. The research universe was delimited to West New York, a one and one-half square mile urban municipality in northeastern New Jersey, located within the boundaries of Hudson County (and not Bergen County, as the book erroneously states). The population was around 36,000 primarily lower middle [or working] class, the ethnic composition of which has been traditionally "plural," although Cubans now constitute the single largest ethnic group (close to two-thirds by 1976). We are reviewing this book in the light of the established relevant literature and on our own field experience in the area, touching solely on a selection of the most salient issues, although the work well deserves a lengthier discussion.

Assimilation Of Cuban Exiles

Frank D. Bean

Assimilation Of Cuban Exiles:

The Assimilation of Cuban Exiles Eleanor Meyer Rogg, 1974 Cuban Exiles in Florida Antonio Jorge, Jaime Suchlicki, Adolfo Leyva de Varona, 1991-01-01 **Cuban Exiles on the Trade Embargo** Edward J. González, 2015-01-28

First implemented in 1962 the American embargo against Cuba is one of the most enduring anti trade measures in human history having outlived most of the original government and military leaders responsible for its creation But has it benefited the United States as intended by weakening Fidel Castro's grip on his country Or has it instead strengthened his position This unique work draws upon interviews with Cuban exiles to provide broad ranging insights on the embargo's effects on the Cuban people and an evaluation of its diminishing role as an effective political tool **Cuba** Louis A. Pérez, 2015 Spanning the history of the island from pre Columbian times to the present this highly acclaimed survey examines Cuba's political and economic development within the context of its international relations and continuing struggle for self determination The dualism that emerged in Cuban ideology between liberal constructs of patria and radical formulations of nationality is fully investigated as a source of both national tension and competing notions of liberty equality and justice Author Louis A P rez Jr integrates local and provincial developments with issues of class race and gender to give students a full and fascinating account of Cuba's history focusing on its struggle for nationality **Cuba and the United States** Louis A. Pérez, 2003 The Times Literary Supplement calls Louis A P rez Jr the foremost historian of Cuba writing in English In this new edition of his acclaimed 1990 volume he brings his expertise to bear on the history and direction of relations between Cuba and the United States Of all the peoples in Latin America the author argues none have been more familiar to the United States than Cubans who in turn have come to know their northern neighbors equally well Focusing on what President McKinley called the ties of singular intimacy linking the destinies of the two societies P rez examines the points at which they have made contact politically culturally economically and explores the dilemmas that proximity to the United States has posed to Cubans in their quest for national identity This edition has been updated to cover such developments of recent years as the renewed debate over American trade sanctions against Cuba the Eli n Gonz lez controversy and increased cultural exchanges between the two countries Also included are a new preface and an updated bibliographical essay *The Cuban Minority in the U.S.* Cuban National Planning Council, Washington, D.C., 1974 **The Hispanic Population of the United States** Frank D. Bean, 1988 *The Cuban Exile* Patrick Lee Gallagher, 1980 **Ethnicities** Rubén G. Rumbaut, Alejandro Portes, 2001-09-10

The contributors to this volume probe systematically and in depth the adaptation patterns and trajectories of concrete ethnic groups They provide a close look at this rising second generation by focusing on youth of diverse national origins Mexican Cuban Nicaraguan Filipino Vietnamese Haitian Jamaican and other West Indian coming of age in immigrant families on both coasts of the United States Their analyses draw on the Children of Immigrants Longitudinal Study the largest research project of its kind to date Ethnicities demonstrates that while some of the ethnic groups being created by the new

immigration are in a clear upward path moving into society's mainstream in record time others are headed toward a path of blocked aspirations and downward mobility The book concludes with an essay summarizing the main findings discussing their implications and identifying specific lessons for theory and policy

Transitions in American Education Donald Parkerson, Jo Ann Parkerson, 2014-03-05 This book is a concise social history of teaching from the colonial period to the present By revealing the words of teachers themselves it brings their stories to life Synthesizing decades of research on teaching it places important topics such as discipline in the classroom technology and cultural diversity within historical perspective

American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988

Cuban Exiles in the United States Carlos E. Cortés, 1980

Recollections and Reflections Pasquale De Marco, 2025-05-02 *Recollections and Reflections* is a powerful and evocative account of the Cuban exile experience Pasquale De Marco a Cuban exile who left his homeland in the early days of Fidel Castro's regime writes with a deep understanding of the human condition His book is a testament to the resilience and strength of the Cuban people *Recollections and Reflections* tells the story of the hundreds of thousands of Cubans who fled their homeland in the wake of the Cuban Revolution Pasquale De Marco draws on his own experiences as an exile to provide a unique perspective on the challenges they faced as they rebuilt their lives in a foreign land He writes about the pain of leaving one's homeland the challenges of adapting to a new culture and the search for identity Pasquale De Marco also explores the impact of exile on families the role of the Cuban diaspora in the struggle for a free Cuba and the future of Cuba *Recollections and Reflections* is a must read for anyone who wants to understand the history of Cuba the Cuban Revolution and the impact of exile on individuals and families *Recollections and Reflections* is a timely and important book As the world grapples with the challenges of mass migration Pasquale De Marco's book offers a valuable perspective on the experiences of refugees and exiles *Recollections and Reflections* is a powerful reminder of the human cost of war and oppression and it is a call for compassion and understanding In *Recollections and Reflections* Pasquale De Marco has created a valuable resource for anyone interested in the Cuban exile experience His book is a testament to the power of the human spirit and it is a reminder of the importance of freedom and democracy If you like this book write a review on google books

[The Revolution is for the Children](#) Anita Casavantes Bradford, 2014 Since 1959 the Cuban revolutionary government has proudly proclaimed that the revolution is for the children Many Cuban Americans reject this claim asserting that they chose exile in the United States to protect their children from the evils of Castro communism Anita Casavantes Bradford's analysis of the pivotal years between the Revolution's triumph and the 1962 Missile Crisis uncovers how and when children were first pressed into political service by ideologically opposed Cuban communities on both sides of the Florida Straits Casavantes Bradford argues that in Havana the Castro government deployed a morally charged politics of childhood to steer a nationalist and reformist revolution toward socialism At the same

time Miami exile leaders put children at the heart of efforts to mobilize opposition to Castro's regime and to link the well being of Cuban refugees to U S Cold War foreign policy objectives Casavantes Bradford concludes that the 1999 Eli n Gonz lez custody battle was the most notorious recent manifestation of the ongoing struggle to define and control Cuban childhood revealing the persistent centrality of children to Cuban politics and national identity *International Handbook of Urban Education* William T. Pink, George W. Noblit, 2008-09-03 It is evident that urban education has become the central focus of educators at the present time In the U S for example almost one third of all school age children attend schools in large urban school districts It is in these urban schools where the diversity of cultures and languages is highest and where student learning is most problematic What has emerged from recent work to improve urban schools is the insight that there is no one size fits all panacea Rather we have discovered that the local context shapes in critically important ways what will be effective at the school level The universality of the problematics with urban education together with the importance of understanding the local or situated context of improvement interventions brings into sharp focus the importance and timeliness of an undertaking like the International Handbook of Urban Education An important focus of the International Handbook of Urban Education will be the interrogation of both the social and political factors that lead to different problem posing and subsequent solutions within each region An important question to be answered for example is what it takes in terms of resources political will and policy actions to improve urban education **Handbook of Hispanic Cultures in the United States** Alfredo Jiménez, Nicolás Kanellos, Claudio Esteva-Fabregat, 1994-01-01 Recovering the U S Hispanic Literary Project is a national project to locate identify preserve and make accessible the literary contributions of U S Hispanics from colonial times through 1960 in what today comprises the fifty states of the United States **The Immigrant Divide** Susan Eckstein, 2009-09-11 This nuanced book offers a rare in depth analysis of Cuban immigrants social cultural economic and political adaptation their transformation of Miami into the northern most Latin American city and their cross border engagement and homeland impact *Latino History and Culture* David J. Leonard, Carmen R. Lugo-Lugo, 2015-03-17 Latinos are the fastest growing population in America today This two volume encyclopedia traces the history of Latinos in the United States from colonial times to the present focusing on their impact on the nation in its historical development and current culture Latino History and Culture covers the myriad ethnic groups that make up the Latino population It explores issues such as labor legal and illegal immigration traditional and immigrant culture health education political activism art literature and family as well as historical events and developments A Z entries cover eras individuals organizations and institutions critical events in U S history and the impact of the Latino population communities and ethnic groups and key cities and regions Each entry includes cross references and bibliographic citations and a comprehensive index and illustrations augment the text **The New Immigrants and American Schools** Marcelo M. Suárez-Orozco, Carola Suárez-Orozco, Desirée Qin-Hilliard, 2022-01-26 This six volume set focuses on Latin American Caribbean and Asian

immigration which accounts for nearly 80 percent of all new immigration to the United States The volumes contain the essential scholarship of the last decade and present key contributions reflecting the major theoretical empirical and policy debates about the new immigration The material addresses vital issues of race gender and socioeconomic status as they intersect with the contemporary immigration experience Organized by theme each volume stands as an independent contribution to immigration studies with seminal journal articles and book chapters from hard to find sources comprising the most important literature on the subject The individual volumes include a brief preface presenting the major themes that emerge in the materials and a bibliography of further recommended readings In its coverage of the most influential scholarship on the social economic educational and civil rights issues revolving around new immigration this collection provides an invaluable resource for students and researchers in a wide range of fields including contemporary American history public policy education sociology political science demographics immigration law ESL linguistics and more

In the Land of Mirrors Maria de los Angeles Torres, 2001-02-20 DIV Reflects on changes in the politics of the Cuban exile community in the forty years since the Cuban revolution div

Assimilation Of Cuban Exiles Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Assimilation Of Cuban Exiles PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Assimilation Of Cuban Exiles PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Assimilation Of Cuban Exiles free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
