Birth And The Dialogue Of Love:

Birth and the Dialogue of Love Lynn M. Griesemer, 2019-10-29 Marilyn A Moran's seminal work on couples childbirth brought back to print for future generations to enjoy From Marilyn's introduction in her own words This book is an exploration of the interpersonal aspect of childbirth for husband and wife and its effect on their growth and development in two in oneness Author Marilyn A Moran the first advocate for husband and wife unassisted homebirth says Childbirth is a dialogue not a monologue The husband gives his wife a love gift and nine months later she gives the gift of a baby into his loving hands She's present and accepting of his gift during coitus he should participate and accept her gift during birth At the moment of childbirth when a woman is making her response to the genital gesture her man had initiated no one should come between them then not even briefly She said It is imperative that couples abandon the doctors quasi pathological approach to birth When an obstetrician steps in between the lovers at the moment of birth to catch the baby the cyclic giving and receiving of significant genital gifts is shattered Originally published in 1981 the second edition of Birth and the Dialogue of Love remains faithful to its original content The medical technology has changed since 1981 but the biological process and emotional power of birth has not The birth stories read like love stories What couple wouldn't want to give birth in a sensual romantic loving environment This classic and groundbreaking book explores a concept that might seem challenging and foreign to many However Moran says about the birthing mother Groundless fears and cultural taboos are the only obstacles holding her back from the goal nature intended that she achieve **Birth and the Dialogue of Love** Marilyn A.

Moran, 1981 **Dialogues of Love and Government** Alice Spencer, 2009-03-26 Dialogues of Love and Government examines the use of the pseudo Boethian didactic dialogue form in a wide range of Medieval texts on the theme of love by authors including Machaut Froissart Dante Chaucer Gower Usk and Hoccleve Although the broad almost universal influence of Boethius in the Middle Ages has been much documented the present study can be said to break new ground on several fronts Firstly whereas scholars have so far tended to focus on the visionary Apocalyptic conventions deployed in the Consolatio and or its stoical conclusions this is the first study to examine the influence of the text qua philosophical dialogue Secondly Dialogues of Love and Government contains the first thorough exploration of the recurrent binding together of the dialogue form with the courtly love theme in the Middle Ages proposing a theory that the origins of such a connection might be traced back to the ancient association between Socratic Platonic elenchus and the spirit Eros Finally it analyses the political implications of this relationship suggesting that the vertical trajectory of the erotic dialogue with its abstraction away from the many to the one naturally lends itself to the elitism and absolutism of Platonic politics The frequent ambiguity and irony of courtly love dialogues the fact that dialogism to borrow a term from Bakhtin is rarely fully overcome can thus be read as implying scepticism about or even an outright rejection of notions of love and politics which are Platonic in origin

The One I Love Richard Bradbury, 2020-05-14 John's writings are both ethereal and practical On the one hand he deals with some of the most profound truths of the Christian gospel and then brings us up short with his black and white statements concerning who is in and who is out The dialogues between Jesus and the Pharisees in this gospel sound very harsh to a Western ear there are no punches pulled But these are surrounded by miracles and healings and the profound I Am statements that fall from the pages and cause us to watch and listen in awe and wonder We see the same contrast of profundity and practicality in John's letters as he speaks of Jesus in hushed tones and then condemns those who reject Jesus as antichrist John makes the purpose of his gospel clear John 20:31 He does it in such a way that tells and paints an unmistakable portrait of Jesus that people come to know who He is and put their faith in Him In his letters John aims to deal with error concerning the person of Jesus and to ensure the church remains on track At the centre of all John's writings is a simple message to the Church love one another
