Fassett, 2012-11 Shortly after two men stood at the entrance of the apartment the bullet riddled bodies told a story of horror Both men were dressed impeccably One wore a blue pinstripe suit white shirt red satin tie navy blue alligator shoes and a Borsalino that was carefully broken down just right shadowing his handsome face His fingers were laced in diamonds and he carried a cane with the head of a lion with jeweled eyes In front of him came in a slender gentleman dressed in a black suit and dark shades he was called Decipher He was the one that made sure the room was clear standing with his back against the opened door gun in hand The man with the cane walked into the room stepping over dead bodies He quickly went into the bedroom he removed the recliner that protected the hidden floor compartment He opened the compartment door and removed the infant she was fine She smiled up at him and through all that chaos she never made a sound He pulled her close to his chest and kissed her on the forehead Before leaving he removed several envelopes from the compartment and money that was stacked in hundred dollar increments He walked over to Ebony's body and removed the sterling silver heart locket from her neck He and the gentlemen left Sirens echoed from a short distance the boys in blue were coming it was only two hours later **50 Ways to Die** Jerry L. West, 2011-06-27 50 Ways To Die is a compendium of death and sometimes violent crimes occurring in the county and the social trends that surround them West's research centered on records of Coroner's Inquest and microfilm of the newspaper Yorkville Enquirer both of which are archived at the History Center in York The inquests records had not been studied until West began his

research which coincided with members of the staff and volunteers were indexing A great deal of appreciation is extended to Archivist Nancy Sanbet her staff and the several volunteers who assisted And a special thank you to Miles Gardner who gave the idea for this book by his Murder and Mayhem in Old Kershaw This book gives accounts of murders suicides accidental deaths and gruesome infanticides ending in 1929 West has randomly extracted more than twenty murders some of which are still retold in local kitchens and living rooms The list includes the 1929 chilling murder of Faye Wilson King by her husband Rafe This murder brought national publicity to the small western York County town of Sharon Also included is the 1922 murder of playing children by a man angry over water in Clover and the brutal murder of Johnny Lee Good in 1888 People of York County have murdered over women food liquor money slander and unpaid bills and they did it with planks bare hands guns knives and even ironing boards Sometimes these occurred on the spur of the moment with overheated blood and sometimes with cold calculation While most crimes were white on white or black on black the subject of race has been excluded expect in cases where mentioning it was for clarification One thing is clear in many of these cases justice came to some and the times were certainly not safe for minorities the poor and children **The Legend of Paks** David C.

Ideal for students, scholars, and casual readers alike, *The Complete Works of Tolstoy* invites you to engage deeply with the profound themes of love, suffering, and redemption inherent in the human experience. **Future Earth** Mark

Alan Lindsley, 2023-11-03 Long ages after the god-like Others unleashed the Genetic Wars that annihilated the Old Earth, war is once again threatening to consume the planet, shattering an uneasy peace between the remnant races of that primordial conflict. Kiel, First Commander of the reptilian Eligor Empire's Imperial Intelligence Service, is obsessed with seeking out help from the primitive human Protectorate in order to determine why the once benign insect-like Ikonians are suddenly and inexplicably on the rampage and together find a way of stopping them. Bishop, the human selected to assist Kiel, has little love for the Eligor but is forced by the masters of his knightly order to comply with the Eligor plea for help due to his unique and prophetic ability to use certain Old Earth technologies. Prophecy might finally be fulfilled and order restored to the world if Bishop is successful. Unfortunately, the near-magical and awesome science of the Others does not give up its secrets easily, and worse, Bishop must journey to the very heart of Ikonian, wherein awaits an even greater threat, a threat out of time itself and with nothing but a hated Eligor and an ill-bred Wolf Bird for company. [Life of the right reverend Samuel Wilberforce, DD Lord Bishop of Oxford and afterwards of Winchester](#) Reginald G. Wilberforce, 1882 **By Any Means** Marvulous, 2008-08-17

By Any Means is a gritty tale of two friends looking to get rich in New York City. Like any other street-savvy duo, they do what they have to do to survive. The difference between them and everyone else who tried to do it is they did it the best.
