Growing up I had so many friends and a great time playing multiple sports constantly I loved going to church and learning about Jesus It was peace and love for everything Going into middle school was a similar case and my faith had strong protection with a Christian family Unfortunately my faith slowly but surely started getting trapped by unseeable soldiers of Satan that worked on putting me into the darkness without even knowing it There was always a bit of light from Jesus keeping me protected from too much struggling in spiritual warfare After getting worse for eighteen years it became more and more difficult when I was praying for help Looking for a bit of hope I started songs that sought for Jesus to support me and draw me back to him My father died while I was working at an elementary school that was Saint Mary Immaculate The nuns at Saint Mary supported me and strongly helped me getting strong for Jesus again After seven years of working the Plainfield Illinois tornado came to destroy at 280 mph Two sweet friends and nuns were killed However I didn t start going backward again but with the strength of Jesus I was getting stronger This is when I went to Moody Bible Institute in Chicago and eventually got a master degree in K 8 education Before I did it all I met my wife and we married after a year and we now have three adult Christians and I have a wife who actually knew she was going to find a husband from a guide named Jesus
