Demands for forgiveness even in the face of horrific crimes were common to the late twentieth century and remain critical aspirations for persons and communities in the early twenty first century Research on forgiveness and revenge has nevertheless revealed that many people hold divergent moral and pragmatic beliefs about forgiving and most survivors express longstanding skepticism about when forgiveness is appropriate and when it is not By taking an interdisciplinary approach to these issues the current volume considers the complexities of forgiveness and revenge in the modern world The chapters address some of the most critical inquiries today How is forgiveness facilitated or obstructed What is the role of truth restitution reparation or retribution When is forgiveness without restitution appropriate Is forgiveness in the true sense of the term even possible Through empirical theoretical and literary analyses this volume addresses the power of revenge and forgiveness in human affairs and offers a unique outlook on the benefits of interdisciplinary discussions for enhancing forgiveness and deterring revenge in multiple aspects of human life *Great Power, Great Responsibility* Michael Poznansky, 2025-08-13

In *Great Power Great Responsibility* Michael Poznansky explores how the liberal international order established after World War II has influenced US foreign policy from 1945 to the present Proponents argue that its impact has been profound producing a system that has been more rule bound and beneficial than any previous order Critics charge that it has failed to prevent the US itself from consistently violating rules and norms Poznansky contends that the answer lies in between with America s approach to compliance a function of two primary factors the intensity of competition over international order and the burden of complying with the liberal order s core tenets Drawing on nine case studies the book sheds important light on the future of US foreign policy in an era where American unipolarity has ended and great power rivalry has returned *Daily Wisdom for Women* BroadStreet Publishing Group LLC, 2025-04-01

I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin
