Racist America

Joe R. Feagin,2014-01-21 This third edition of Joe R Feagin s Racist America is significantly revised and updated with an eye toward racism issues arising regularly in our contemporary era This edition incorporates more than two hundred recent research studies and reports on U S racial issues that update and enhance all the last edition s chapters It expands the discussion and data on concepts such as the white racial frame and systemic racism from research studies by Feagin and his colleagues The author has further polished the book to make it yet more readable for undergraduates including eliminating repetitive materials adding headings and more cross referencing and adding new examples anecdotes and narratives about contemporary racism

African American Leadership and Mentoring Through Purpose, Preparation, and Preceptors Pichon, Henrietta Williams,Mutakabbir,

Yoruba,2021-12-10 The lack of African Americans in leadership roles within the academy creates a real crisis in the leadership pipeline One of the problems could be that the pathways to leadership for African Americans are less visible They can see the end result but may be less clear about how to get there Oftentimes understanding these pathways to leadership is less academic in nature and more informal and or relational Thus the relationship between leadership and mentorship for African Americans is especially important to advancing in the academy Further guidance and understanding of steps to advancement from established African American leaders in the academy is therefore needed African American Leadership and Mentoring Through Purpose Preparation and Preceptors provides an exhaustive exploration of leadership and mentorship through purpose preparation and preceptors This edited book explains how to identify ways that individuals can strengthen their career trajectory determine strategies to employ for career advancement establish lasting and impactful

connections with key stakeholders per career aspirations provide guidance for individuals seeking advancement within the academy and explore current theoretical and practical nuances with regard to research literature and application of leadership and mentorship of African Americans in the academy Covering topics such as cross racial mentorship emotionally intelligent leadership and African American leaders this text is ideal for teachers faculty university administrators leaders in education aspiring future leaders researchers academicians and students Making the Second Ghetto Arnold R.

Hirsch,2009-04-03 In Making the Second Ghetto Arnold Hirsch argues that in the post depression years Chicago was a pioneer in developing concepts and devices for housing segregation Hirsch shows that the legal framework for the national urban renewal effort was forged in the heat generated by the racial struggles waged on Chicago s South Side His chronicle of the strategies used by ethnic political and business interests in reaction to the great migration of southern blacks in the 1940s describes how the violent reaction of an emergent white population combined with public policy to segregate the city In this excellent intricate and meticulously researched study Hirsch exposes the social engineering of the post war ghetto Roma Barnes Journal of American Studies According to Arnold Hirsch Chicago s postwar housing projects were a colossal exercise in moral deception An excellent study of public policy gone astray Ron Grossman Chicago Tribune An informative and provocative account of critical aspects of the process in Chicago A good and useful book Zane Miller Reviews in American History A valuable and important book Allan Spear Journal of American History **Identity Politics** Nils

Holtug,2025-03-12 According to a common narrative identity politics derives from leftist postmodernism and is antithetical to both liberalism and Enlightenment universalism This narrative however is false Identity politics is propagated not only by the left but also by the right and it is not tied to postmodernism Various forms of identity politics are in fact quite compatible with liberalism and Enlightenment values Based on a liberal egalitarian framework Nils Holtug argues that some forms of identity politics are well worth pursuing while others should clearly be resisted Among other things identity politics can serve to increase the opportunities of worse off marginalized groups In this book Holtug considers and assesses specific identity policies including affirmative action for African Americans opposition to the n word and blackfacing and the backlash against cultural appropriation and out group representation in art Identity Politics surveys various forms of cancel culture such as no platforming and the pulling down of statues depicting morally compromised historical figures Holtug also scrutinizes instances that are more specific to the political right including white supremacy and ethnopluralism Finally he considers the suggestion that identity politics is divisive and drives down social solidarity arguing that while some forms of identity politics do indeed drive down solidarity this is less clear in the case of the minority accommodating policies **IBM i2**
