Gilder,1893 **Demorest's Monthly Magazine** ,1891 **Nobody's Nation** Paul Breslin,2009-02-15 Nobody's Nation offers an illuminating look at the St Lucian Nobel Prize winning writer Derek Walcott and grounds his work firmly in the context of West Indian history Paul Breslin argues that Walcott's poems and plays are bound up with an effort to re imagine West Indian society since its emergence from colonial rule its ill fated attempt at political unity and its subsequent dispersal into tiny nation states According to Breslin Walcott's work is centrally concerned with the West Indies imputed absence from history and lack of cohesive national identity or cultural tradition Walcott sees this lack not as impoverishment but as an open space for creation In his poems and plays West Indian history becomes a realm of necessity something to be confronted contested and remade through literature What is most vexed and inspired in Walcott's work can be traced to this quixotic struggle Linking extensive archival research and new interviews with Walcott himself to detailed critical readings of major works Nobody's Nation will take its place as the definitive study of the poet *Ritual and Reverence* David and Alfred Smart Gallery,Robert Poor,Edward L.
