Black Cottage:

Black Cottage Tom Dudley,2001-08-22 Let me introduce you to Henrietta Lacks She was a young mother of five small children who died of cervical cancer in 1951 yet she has achieved a measure of immortality in a strangely macabre sort of way Doctors harvested some of her cancer cells which proved to be particularly aggressive Over the past fifty years generations of this laboratory grown cell line called HeLa for Henrietta Lacks have been used for a wide variety of biomedical research purposes Literally tens of thousands of articles have appeared in the scientific literature since that time which involve the use of Henrietta s remarkably vigorous posterity Particularly chilling is the fact that on numerous occasions other cell lines have accidentally become contaminated with HeLa cells When this has happened HeLa cells rapidly killed the original cells All of the above is true *Black Cottage* involves a medical school oncologist who funded by old guard Russian communists genetically engineers a frighteningly virulent HeLa cell line which is capable of infecting and killing humans In performing his tests with HeLa the infection spreads out of control and over a dozen people become infected Jim Burningham an epidemiologist at the same medical school reluctantly finds himself thrust into the role of medical detective He must discover why a handful of individuals though infected do not become ill while all others suffer a rapid agonizing death His job of finding the cure becomes intensely personal when he unintentionally infects a friend with HeLa *Black House* Elana Gomel,2021-12-06 Leire always knew she was different Her flaming red hair her uncanny skill with the needle and most or all her curiosity set her apart in the prison city of Hiria dominated by the mysterious Black House But only when she is arrested does Leire learn just how different she is A descendant of the cursed witchbrood that haunted the city s nightmares for centuries she is the only one capable of stopping the plague of monstrous Black Walkers destroying Hiria Embarking on a quest through the twisted corridors and uncounted gateways of the Black House Leire must learn the shattering truth about the city and about her own origin if she is to save Hiria and to be reunited with the man she has reluctantly fallen in love with **A Plot in Private Life and Other Tales** Wilkie Collins,1859 **Works** Collins,1859
