Almost Sisters The Sisters Scheme:

The Sisters Scheme Kathryn Makris,1994-01-01 **Almost Sisters** Kathryn Makris,1991 What do you get when you match a serious hard working interesting banker mom with a laid back rock musician dad The perfect match if Vanessa and Ricki have anything to say about it They can pull off their secret plan the two best friends can be sisters With some cool and careful planning the girls get Ricki s mom and Vanessa s dad to take them out for a day at the beach and the beginning they hope of their new family Unfortunately instead of talking romance the two argue political issues and they all ride home in silence It looks like the great Sisters Scheme is doomed to failure but the biggest surprise is yet to come **Almost Sisters** Kathryn Makris,1992 Vanessa and Ricki are stepsisters as well as best friends But when the sisters start disagreeing with one another they may lose everything **Almost Sisters** Kathryn Makris,1994 **Almost Sisters** Lucy Floyd,2015-05-18 Set against the turbulent background of Fleet Street in the greed is good 1980 s *Almost Sisters* explores the love hate relationship between Vivi a cynical go getting journalist and Gemma her unassuming but equally ambitious half sister When their father dies destroying the fragile bridge between his two dysfunctional families sibling rivalries resurface as Gemma and Vivi are propelled into a battle for control of *The Courier* a failing broadsheet Gemma by marrying her way into wealth and power and Vivi through a dangerous liaison with a ruthless American entrepreneur with hidden agenda Both women will find themselves caught in traps of their own making But escape carries a price which seems too high to pay As events spiral out of control shocking family secrets are laid bare unleashing years of suppressed emotions and setting in motion an unstoppable chain of events The resulting scandal bloodshed and heartbreak will change both Gemma s and Vivi s lives for ever She writes with energy and imagination creating compellingly complex characters and a plot so fast moving there s never a dull moment London Evening Standard Originally published by Random House *Almost Sisters, No. 2* Kathryn Makris,1991-11 Ricki and Vanessa are best friends until Ricki s mom and Vanessa s dad get married and the two girls become sisters *Books in Print* ,1994 **Dreams and Schemes** M.K. Curl,2012-10 This is a true story The names have been changed to protect some who requested the privacy 1 The complete facts otherwise are to benefit and warn widows and widowers of what can happen when one is experiencing a time of the loss of a spouse and they are very vulnerable at the time The romanticism one has during the grief time is not always a true love and human character can be very deceiving The most destructive partner can have plans very much unsuspected by the other of controlling the life of the one they have devotedly asked to marry them Prenuptials Are not always beneficial if one has the expertise to have this deleted later in the marriage Or is able to convince the partner of voiding the agreement **Miss Dashwood's Dilemma** Ronald McGowan,2016-10-25 Now that she is Miss Dashwood Margaret the erstwhile Terror of the Seas must carve out her own role in life Her sisters Elinor and Marianne are both happily married and supremely content with their roles but Margaret while admitting that piracy is no longer a viable option is determined to do something different and to seek fame and fortune in her

own way Find out how she succeeds in her ambition in this latest homage to the inimitable Jane Austen from the author of *Pride Unprejudiced To Make Sport for our Neighbours* and *Naples to Northanger* **Paperbound Books in Print**, 1992

Children's Books In Print 1998 Bowker Editorial Staff, R R Bowker Publishing, Bowker, 1998 **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 **Fighting the Great War at Sea** Norman Friedman, 2014-10-22 Winner of the John Lyman Book Award for Naval and Maritime Science and Technology A compelling and convincing historical analysis of World War I Navy News While the overriding image of the First World War is of the bloody stalemate on the western front the overall shape of the war arose out of its maritime character It was essentially a struggle about access to worldwide resources most clearly seen in Germany's desperate attempts to counter the American industrial threat which ultimately drew the United States into the war This radical new book concentrates on the way in which each side tried to use or deny the sea to the other and in so doing describes rapid wartime changes not only in ship and weapons technology but also in the way naval warfare was envisaged and fought Melding strategic technical and tactical aspects Friedman approaches the First World War from a fresh perspective and demonstrates how its perceived lessons dominated the way navies prepared for the Second World War Friedman is a master of the evolution of naval strategy tactics and technology a rewarding read that will leave many wanting to return again and again just to see what they might have missed the first time Australian Naval Institute Dr Friedman's research credentials are impeccable and the huge amount of factual detail he has unearthed will be sure to delight many there is nothing comparable in either depth or scope out there and for this reason if no other this book is likely to become a standard work on the naval aspects of the Great War Naval War College Review **A Sister's Fault** Meg Osborne, 2019-02 Jane Bennet is determined to win Mr Bingley's heart even if that means feigning illness to stay longer under his roof and in his affections Her plan is working until her sister arrives bedraggled and covered in mud ready to spoil everything she is working for Witnessing Elizabeth's devotion to her sister before falling ill herself Fitzwilliam Darcy finds himself rapidly developing an affection for the young woman he scorned at the Meryton Assembly When he overhears a conversation that suggests the illness that kept both ladies at Netherfield was a lie he realises his first assessment was correct Elizabeth Bennet and her sister are manipulating their way into marriage and he is determined to stop them *A Sister's Fault* is book one in the Season of Misunderstanding series of *Pride and Prejudice* variation novellas *The Kaiser's Cruisers, 1871-1918* Aidan Dodson, 2023-01-04 While bookshelves groan with works on the capital ships of the German Third Reich there is little in English devoted to their predecessors of the Second Reich so this new book will fill a clear gap in its study of German cruisers of the period from wooden hulled corvettes through the fusion of overseas and home vessels into the modern small cruisers that evolved and fought in the First World War The book covers the full range of cruising vessels operated or ordered by the Imperial German Navy between 1871 and 1918 excluding the large cruisers previously covered by the author's companion volume *The Kaiser's Battlefleet* These include corvettes avisos sloops torpedo cruisers III and IV

class cruisers and small cruisers and are described and arranged in a chronological narrative This includes both design and operational histories the latter continuing down to the end of ships service after the fall of Imperial Germany and it is accompanied by an extensive selection of many rare photographs The ships technical details are tabulated in the second half of the book which also includes sketches of ships internal layouts and armour and changes in appearance over time The authors have made extensive use of archival material particularly relating to the political and technical background to design and procurement and present a developmental history of this ship class which is unique in the English language It will have huge appeal to all those with an interest in the German navy and to those who have been waiting avidly for the sequel to *The Kaiser's Battlefleet* *The Girl's Own Annual*, 1895 **Forthcoming Books** Rose Army, 1992 *Brother, Sister, Mother, Explorer* Jamie Figueroa, 2023-10-03 Longlisted for the Center for Fiction Debut Novel prize this fableistic beautifully crafted poetic debut novel about a sister trying to hold back her brother from the edge of the abyss is for readers of Jesmyn Ward and Tommy Orange The New York Times Book Review In the tourist town of Ciudad de Tres Hermanas in the aftermath of their mother's passing two siblings spend a final weekend together in their childhood home Seeing her brother Rafa careening toward a place of no return Rufina devises a bet if they can make enough money performing for privileged tourists in the plaza over the course of the weekend to afford a plane ticket out Rafa must commit to living If not Rufina will make her peace with Rafa's own plan for the future however terrifying it may be As the siblings reckon with generational and ancestral trauma set against the indignities of present day prejudice other strange hauntings begin to stalk these pages their mother's ghost kicks her heels against the walls Rufina's vanished child creeps into her arms at night and above all this watching over the siblings a genderless flea bitten angel remains hell bent on saving what can be saved **The Way From Dusty Death** Peter Bartrip, 2001-11-30 This historical account covering the 1890s to 1969 includes the emergence of medical and then official concern about the three diseases related to asbestos asbestosis lung cancer and mesothelioma the legislative process during and after the 1930s and the impact of the 1931 Asbestos Industry Regulations The availability of much previously unexamined material including copious government records combined with unimpeded access to the vast archive of documents kept by the leading British asbestos manufacturer Turner and Newall have enabled Dr Bartrip to provide a comprehensive examination of this important medico legal question and to give a unique insight into occupational health and its regulation in twentieth century Britain **Schemes & Silk: The Concubine Who Played Them All** Joel D Karr, Ruan Qingmeng transmigrated into a novel as the vicious villainess and opened her eyes just in time to witness her own brutal death Fight Live Don't fight Die To avoid being caned poisoned or having her fingers crushed in a punishment board she decides to go all out countering every move dodging every trap determined to win the title of Palace Scheme Champion While the concubines scramble for imperial rewards she calculates the emperor's bath time then accidentally falls into the hot spring her delicate foot hooking around his dragon waist Every glance every smile laced with seduction The cold hearted
