In the new Russia the former KGB who run the country Vladimir Putin among them proclaim the cross not the hammer and sickle Meanwhile a majority of Russians now embrace the Orthodox faith with unprecedented fervor The Garrards trace how Aleksy orchestrated this transformation positioning his church to inherit power once held by the Communist Party and to become the dominant ethos of the military and government They show how the revived church under Aleksy prevented mass violence during the post Soviet turmoil and how Aleksy astutely linked the church with the army and melded Russian patriotism and faith Russian Orthodoxy Resurgent argues that the West must come to grips with this complex and contradictory resurgence of the
