Thread of Life Mike Doiron, 2013-04-09 Thread of Life An Adoption Story is the true story of an adopted child's journey to find his birth parents The adoption process can often leave many unanswered questions for the adoptee the adopted parents and even the eventual offspring of an adopted child It has been said that adoption is more like a marriage than a birth with two or more individuals each with their own unique mix

of needs patterns and genetic history coming together with love hope and commitment for a future together You become a family not because you share the same genes but because you share love for each other Mike Doirons original intent was to try to fill in some of the gaps genealogically medically and perhaps even mentally as he began his adult life following university The endeavor took him down a path of self discovery and adventure When he began to chronicle what he had learned he decided that he wanted to share his findings with others For him Thread of Life is not meant to be a guidebook for families of adoption but rather a documented true story sharing personal insights from his own journey to answer the questions many adopted children ponder as they become adults

The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy) Marcus A. Allen, 2020-03-23 The words of this book are based upon Christ's declaration I am the way the truth and the life St John 14:6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God's Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven't been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what's your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16:16-18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don't

miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way

Breaking the Rules Fil Anderson, 2011-03-16 After years of living with a set of religious demands that he could never live up to Fil Anderson found himself spiritually bankrupt and emotionally drained Following a crash and burn in professional ministry he experienced relief in learning to be with God rather than doing for God Instead of desperation he found healing and a rich new life with God In *Breaking the Rules* Fil invites us to explore what happens when good religion turns bad At such times we are weighed down with expectations of what it takes to be right with God whether it is the expectations of others holding up under pressure fixing what s wrong or accomplishing big things for God When we set aside this false agenda we find the courage to confess our fears and insecurities We taste the depths of God s love for us Here is an opportunity to quit trusting in your own ability to live for God and simply trust in God instead

Soft Petal Poems With Heartfelt Love Lana C. Kuystermans, 2007-09 This little book holds every loving relationship we possibly have encountered throughout our lives. People that we grow up with or people that touch our lives on our life's journey are probably mentioned somewhere in these pages. Love is God's water, and with it we grow into the people we are now. This little book is a bouquet to all the family and friends we all need and have. It is also a reminder of our Lord's tender, compassionate love that keeps the world turning, whether in nature, relationships, or faith. May your heart be touched by that very special someone in your life. God Bless. God is Love.

Out of the Darkness of Academics Into the Light of Jesus Christ- Glenn W. Martin, 2009-05 This book is about the nuances of college life as viewed from a Christian perspective. Dr. Martin came to the conclusion that the quest for human knowledge is endless in its own seductive way. Our educational bastions are an arm's length from the church, yet it appears the church is being neglected by many who labor in the halls of academics by their lack of participation in church. It is durable and manageable for one to participate in both the educational process and the church; however, these individuals are becoming a rare breed, and that is why Dr. Martin challenges the educator to return to his/her spiritual roots. Dr. Martin asserts spiritual values are a reality, and to be negligent here is without excuse.

Theology in a Global Context Hans Schwarz, 2005-11 In this book, Hans Schwarz leads us into the web of Christian theology's recent past, from Kant and Schleiermacher to Mbiti and Zizoulas, pointing out all the theologians of the last two hundred years who have had a major impact beyond their own context.
