Black Texas Women: 150 Years of Trial and Triumph Ruthe Winegarten, 2010-07-22 Enriches and complicates African American and women s history by connecting

threads of race gender class and region Darlene Clark Hine John A Hannah Professor of History Michigan State University Winner of the Liz Carpenter Award from the Texas State Historical Association Women of all colors have shaped families communities institutions and societies throughout history but only in recent decades have their contributions been widely recognized described and celebrated This book presents the first comprehensive history of Black Texas women a previously neglected group whose 150 years of continued struggle and some successes against the oppression of racism and sexism deserve to be better known and understood Beginning with slave and free women of color during the Texas colonial period and concluding with contemporary women who serve in the Texas legislature and the United States Congress Ruthe Winegarten organizes her history both chronologically and topically Her narrative sparkles with the life stories of individual women and their contributions to the work force education religion the club movement community building politics civil rights and culture The product of extensive archival and oral research and illustrated with over 200 photographs this groundbreaking work will be equally appealing to general readers and to scholars of women s history black history American studies and Texas history Occasionally a book comes along that is monumental in scope overwhelming in amount of research and so powerful in its impact as to be categorized at once as a lasting contribution to our knowledge of humankind Black Texas Women is one of those rare books The Journal of American History Black Greek-letter Organizations in the Twenty-First Century Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these

groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

She Can Bring Us Home Diane Kiesel, 2019-03-01 Long before it became the slogan of the presidential campaign for Barack Obama Dorothy Ferebee 1898 1980 lived by the motto Yes we can An African American obstetrician and civil rights activist from Washington DC she was descended from lawyers journalists politicians and a judge At a time when African Americans faced Jim Crow segregation desperate poverty and lynch mobs she advised presidents on civil rights and assisted foreign governments on public health issues Though articulate visionary talented and skillful at managing her publicity she was also tragically flawed Ferebee was president of the Alpha Kappa Alpha black service sorority and later became the president of the powerful National Council of Negro Women in the nascent civil rights era She stood up to gun toting plantation owners to bring health care to sharecroppers through her Mississippi Health Project during the Great Depression A household name in black America for forty years Ferebee was also the media darling of the thriving black press Ironically her fame and relevance faded as African Americans achieved the political power for which she had fought In *She Can Bring Us Home* Diane Kiesel tells Ferebee s extraordinary story of struggle and personal sacrifice to a new generation
